A designated portion of SDEA dues is normally allocated to the SDEA/PAC, a General Purpose County political action committee through which SDEA provides financial support for educational issues and SDEA-endorsed candidates for local offices.

☐

Please check if you choose not to allocate a portion of your dues to the SDEA/PAC account and want all of your dues to remain in the General Fund.

Members may opt out of two (2) portions of your CTA Dues:

1. The "Advocacy/Foundation Reverse-Dues Check Off" pays for CTA's advocacy efforts in the state and federal legislature as well as a variety of scholarships and the "Foundation for Teaching and Learning." The \$20 contribution can be shifted between these two funds (Advocacy and the Foundation) or rebated back to the member.

2. The CTA ABC Fund pays for candidate elections, primarily local School Board elections in Districts across the state. Members can opt out of this fund by having their contribution redirected back to the CTA General Fund (there is no rebate for the CTA ABC Fund).

To obtain "opt-out" forms for either of these funds, log in to "My CTA" at CTA.org for more information.

CONDITIONS OF RECORD

The amount so deducted shall be transmitted to the organization designated on the other side of this card; and upon remitting the deduction, the District shall have fulfilled its entire obligation and shall be held harmless in the event of defalcation on the part of the designated organization or any of its employees.

This authorization must be received in the Personnel Operations department by the first working day of the month in which the deduction is to become effective and will remain in force until cancelled by me in writing.

The San Diego Education Association/Political Action Committee (SDEA/PAC) collects contributions from Association members and uses these funds to help elect friends of education at the local level. The SDEA/PAC is a General Purpose County political action committee. Although SDEA/PAC requests an annual contribution of \$8, this is only a suggestion. A member may contribute more or less than the amount suggested or may refuse to make any contribution, and this will not affect his or her membership status, rights, or benefits in NEA, CTA or SDEA. A copy of the NEA Fund for Children and Public Education report is filed with the Federal Election Commission and is available for purchase from the Federal Election Commission, Washington, D.C. 20460.
