## **Election Credo**

---

The right and responsibility of electing leadership and representation are the very cornerstone of a democratic society. Elections processes must be conducted in such a manner that voters and candidates alike can be assured that reasonable rules of ethical conduct and procedures have been adopted, and are followed both in spirit and in practice.

Election guidelines are necessary for fair campaign and election practices. Although no set of guidelines can anticipate every situation or serve perfectly in every crisis, both voters and candidates have serious responsibilities to make the democratic process work.

Each voter has the responsibility to become informed about candidates' experience, goals, and stands on issues, as well as exercise wisdom in voting for the best-qualified candidate.

The election procedures and processes addressed in this manual are presented with the intent to meet the highest standards for fair campaign and election practices within the California Teachers Association/NEA.

## Election Terms You Need to Know

**Total Ballots Cast** – The total number of all ballots cast in an election.

**Unused Ballots** – Ballots which have not been cast. If there are any extra unused ballots, these should be kept separate from the voted ballots and not counted.

**Blank Ballot** – When no vote is marked for an office on a ballot that has been cast. Each office on a ballot is considered to be a separate election and the votes cast for each office are counted separately. If a voter does not vote for an office on a ballot containing multiple offices, it is considered a blank ballot for that office only. See Figure 1 for an example of a blank ballot.

President	Vote for 1

Hermione Red	<input type="checkbox"/>
Write-in	<input type="checkbox"/>
Vice President	Vote for 1
David Green	<input type="checkbox"/>
Write-in	<input type="checkbox"/>
Secretary	Vote for 1
Elizabeth Black	<input type="checkbox"/>
Dan Purple	<input checked="" type="checkbox"/>
Write-in	<input type="checkbox"/>

Legal ballot

This is a blank ballot.

Legal ballot

**Figure 1.** This ballot shows that no vote has been cast for Vice President, which makes this portion of the ballot a "blank ballot."

**Illegal Ballots** – Ballots or votes not counted due to a violation of an election rule/requirement. Violations include: 1) More ballots than signatures; 2) Ballot(s) submitted after deadline; 3) Voting envelopes without a signature; 4) Voter's intent unclear; 5) Votes cast for more than number allowed; 6) Votes cast for an ineligible candidate; 7) Votes cast for a fictional character.

**Legal Ballots Cast** – The total number of all ballots cast minus any blank and/or illegal ballots.

**Write-in Vote** – A vote cast clearly indicating the voter's choice of an eligible candidate whose name has been handwritten on the ballot along with a corresponding mark ("X", "✓", etc.) in the place provided for such votes.

**Majority** – "More than half."

**Majority Vote** – More than half of the votes cast by

person legally entitled to vote, excluding blank or illegal ballots. For example:

- If 19 votes are cast, a majority (more than  $9 \frac{1}{2}$ ) is 10.
- If 20 votes are cast, a majority (more than 10) is 11.
- If 21 votes are cast, a majority (more than  $10 \frac{1}{2}$ ) is 11.

**Plurality Vote** – The greatest number of votes cast by persons legally entitled to vote, excluding blank or illegal ballots.

**Run-off Election** – A run-off election is conducted when no candidate achieves the required majority vote. A run-off election is conducted among the candidates receiving the highest number of votes. The names on the run-off ballot will be one more than the number of vacancies to be filled. There shall be no provisions for write-in candidates on a run-off ballot. A majority vote is required to win a run-off election.

**Active members** – Active membership shall be open to any person engaged in, or who is on a limited leave of absence from, non-administrative, non-evaluative, public education employment. All Active members shall be entitled to the privileges of membership as set forth within the Bylaws. A member who retires during a membership year but who has paid full active dues for that year shall have "Active" status until the end of that membership year.

**Calendar Days** – Any day on the calendar, Sunday through Saturday.

**Ex Officio Voting Members** – CTA Executive Officers, members of the CTA Board of Directors and members of the NEA Board of Directors.

**Open Nomination** – Whereby every eligible CTA member shall have the opportunity to nominate any CTA member who meets the qualifications for office.

**Roster** – List of eligible voters.

**School Days** – Any day, Monday through Friday, when students are in attendance at school.

**Secret Ballot** – The opportunity to vote in privacy.

## **Appendix L – Process to Declare a State Council Seat Vacant**

---

**Following a State Council Representative’s resignation, an election *cannot* be held until the CTA Board of Directors has declared the seat vacant. Any elections conducted prior to a seat being declared vacant will be considered invalid.**

Below are the steps that must be followed to declare a State Council Representative seat vacant:

1. Once a State Council Representative has resigned, the local unit or the Representative must notify CTA by submitting a copy of the Representative’s written resignation letter to the CTA President, c/o the Governance Support Department, P.O. Box 921, Burlingame, CA 94011-0921 or fax to (650) 552-5010.
2. The resignation will be presented to the CTA Board of Directors at its next meeting to declare the seat vacant.
3. Once the seat has been declared vacant by the CTA Board of Directors, the local unit will be notified by the CTA Elections and Credentials Committee that an election is to be held for that State Council seat. Only then may a State Council Representative election be held for the vacant seat.

## **Appendix N – California Teachers Association Rules and Ethical Conduct in Campaigning**

To be meaningful, an election must be free and decided by informed voters.

Every person in the electorate should have a keen sense of ethical conduct. Each candidate, supporter, or voter has a serious responsibility to make the democratic process work. Self-discipline is needed in establishing and maintaining a sense of conduct, and, while difficult, discipline is preferable to detailed rules.

Though lacking in specific rules, ethical conduct need not be a loose or vague concept. Clear, honest, conscientious answers to relevant questions should define ethical conduct in a wide variety of political situations.

Rules and ethical conduct are particularly important to the State Council of Education. It has been entrusted with the formulation of policy leading ultimately to making teaching the pre-eminent profession. Its members, whether working on matters of public or self-interest, must work together. In order to perform its functions, the State Council must be made up of members who differ in points of view, rise above personal differences, and strive collectively to achieve the goals of the profession. Since overzealous campaigning is likely to strain or damage these good relations, every person in the State Council or in a campaign should follow the dictates of ethical conduct and the rules for election campaigning.

(Amended January 1998)
- b. **Signature Requirements.** Only signatures obtained within the registration period shall be considered valid. Petitions must be signed by 25 percent (25%) or more of the voting members of the State Council of Education. (Amended January 1998)
- c. **Filing and Verification of Recall Petitions.** Completed petitions must be filed with the Secretary-Treasurer within thirty (30) days of the end of the circulation period specified at the time of their circulation. The Secretary-Treasurer shall complete an appropriate verification process to determine the validity and sufficiency of the signatures within an additional thirty (30) day period. i (Amended January 1998)
- d. **Report to the Board of Directors.** The Secretary-Treasurer shall report to the Board of Directors at the time of registration of a recall petition and again at the Board meeting following the close of the verification period. (Amended January 1998)
- e. **Call of Election.** When it has been determined that a recall petition is valid, the Board of Directors shall publicize such request in the official publication of the Association within sixty (60) days. The question of recall shall be submitted to a vote of the State Council of Education at the first meeting following publication. (Amended January 1998)

(Amended April 1960, June 1971, March 1973, March 1977, May 1977, June 1988, January 1998)

### ARTICLE V — STATE COUNCIL OF EDUCATION

**SECTION 2. Composition.** The State Council of Education shall be composed of elected voting representatives together with ex officio voting and non-voting members as prescribed below. Elected voting representatives shall include those elected from electoral districts and those elected to meet racial/ethnic minority guarantees. (Amended January 1990, January 1998)

- a. **Electoral District Representatives.** Except for electoral districts established to provide representation for members of CTA/NEA-Retired, an electoral district shall consist of one or more chapters of Active or Student members.
  - (1) Chapters of Active K-12 members, Active higher education members, and Student members shall not be combined into the same electoral district. (Amended January 1998)
  - (2) The boundaries of electoral districts shall be established by the State Council periodically following a review not less often than every three years. (Amended January 1998)
  - (3) Chapters shall be grouped to ensure that all chapters are in an electoral district large enough to be entitled to elect at least one representative. (Amended January 1998)

The ratio shall be a part of the Representation Report adopted by the State Council. (Amended January 1998)
  - (5) The number of representatives shall be established in such a manner that the final voting representation on the Council shall meet the test that 50.1 percent of the State Council representatives shall represent at least 45.1 percent of the Association members. (Amended June 1991, January 1993, January 1998)

- c. **Racial and Ethnic Minority Guarantees.** An annual ethnic census of the electoral district voting representatives shall be made to establish the proportion of such persons who are members of racial/ethnic minorities in the categories of American Indian/Alaska Native, Asian/Pacific Islander, African American, and Hispanic. This proportion shall be compared with the proportion of all California public school teachers who are members of these minority groups. A determination shall be made of the number of additional representatives required to bring the proportion of minority voting representatives of the State Council so as to equal the proportion of those teaching in the California public schools. This number shall constitute the number of vacancies to be allocated on a one-person, one-vote basis among the geographical boundaries of the Service Center Councils for election. When an at-large racial/ethnic minority seat is established, it shall exist for nine years. (Amended February 1981, January 1991, March 1991, January 1998)

  - (1) Representatives from electoral districts shall be chosen by and from an election among all Association members contained within the electoral district. The chapter governance bodies for single-chapter electoral districts shall conduct and certify their own elections. Each electoral district shall guarantee racial/ethnic minority representation among its total delegation which is at least proportional to its racial/ethnic minority membership.
  - (2) Representatives to meet racial and ethnic minority guarantees shall be chosen by and from an election among all the Active members contained within the Service Center Council boundaries to which the vacancies are allocated. The Service Center Council shall conduct and certify the election.
- b. **Term of Office.** The term of office of elected representatives, with the exception of representatives elected by the Student California Teachers Association, shall be three years and shall expire June 25 of the year ending the term. When a new office is initiated creating two or more offices in an electoral district, such districts may elect representatives initially for less than the full three-year term to effect staggered terms. Representatives shall be eligible for reelection but no person may serve more than three consecutive three-year terms. No person may serve more than eleven consecutive years, including completed and/or extended terms, without a break in service of at least one year. No person will be eligible for election for any term which would provide total service greater than eleven consecutive years. (Amended February 1981, October 1981, January 1984, October 1987, January 1998)
  - (1) The term of office of a racial and ethnic minority representative shall end on the June 25 immediately following the completion of three years from the date of election. (Amended October 1987, January 1990, January 1998)

(Adopted October 1981; Amended January 1998)

- (a) If there are sufficient terms expiring that an open election can be held for the newly established decreased allocation, an election shall be held for the appropriate number of open seats.
  - (b) If sufficient terms expire which would eliminate the excess representation and no incumbent otherwise eligible to seek reelection is thereby deprived of doing so, no further action shall be required, and all elections to fill expiring terms thereafter shall be held as regularly scheduled.
  - (c) If sufficient terms do not expire which would eliminate the excess representation, all terms shall expire and an open election shall be held to fill the allocated seats. Those incumbents who are reelected shall be assigned to the same term previously held. (Adopted October 1981, Amended March 1985)
  - (d) If a midterm vacancy occurs, that seat shall be eliminated reducing the overrepresentation by one seat. (Adopted February 2013)
- (4) Bylaws of the Student California Teachers Association may provide for terms of less than three years duration. (Adopted January 1984, Amended January 1998)
- c. **Recall.** The electorate which chooses an elected representative shall have the power of removal by a two-thirds vote in a recall election held pursuant to the election procedures. (Amended January 1998)
  - d. **Vacancies.** Vacancies in the office of elected representatives shall be deemed to exist in the event of resignation, death, recall, or inability to serve, or the elected representative is no longer employed to perform professional educational work within the electoral district from which s/he was elected. (Amended January 1992, January 1998)
    - (1) Elections shall be held to fill vacancies as soon as practicable. The term of office of the new representative shall be from the date of the elections until the completion date of the term filled. (Amended January 1998)
    - (2) The question of inability to serve shall be deemed to arise in the event of absence from two meetings during any single membership year or any two consecutive meetings. The Board of Directors shall notify the representative after the first absence. Prior to declaring a seat vacant, the Board of Directors may consider any extenuating circumstances, including but not limited to, official leaves of absence from teaching, illness, and/or other personal emergency. The Board shall also take into consideration whether or not an elected alternate was available and notified to attend in the place of the regular delegate. Actions by the Board of Directors to declare a vacancy may be appealed to the next regular meeting of the State Council. Actions on the appeal by the Council shall be deemed to be final. (Amended March 1983, June 1988, June 1992)
    - (3) The Board of Directors may grant leaves of absences on a case by case basis.
  - e. **Temporary Loss of Representation Delinquency in Dues Transmittals.** Payment and transmittal of dues on a timely basis is a prerequisite for representation on the State Council of Education. The Council may adopt policies setting forth standards for determination that a condition of delinquency exists. Such policies shall include provisions for formal notice of delinquency by the Board of Directors; a right to a due process hearing on the facts; the right to a timely appeal to the Council of any adverse decision contemplated as a result of the hearing prior to loss of representation or other rights; and the procedure for curing the delinquency. In cases where a representative is elected from a multi-chapter district, provisions shall be made for safeguarding the representation rights for those chapters which are in current dues status. (Adopted October 1981, Amended October 1978 to be effective July 1, 1979)

**SECTION 5. Alternates.** In the event an elected Representative is unable to attend a meeting of the State Council of Education, an elected Alternate shall be designated using the following process: (Amended October 1978, October 1995)

- a. **Single Chapter.** In an electoral district comprised of a single chapter, an elected Representative who is unable to attend such a meeting shall notify the president of the chapter, who shall designate an Alternate in a method set forth in the bylaws or standing rules of the chapter. (Amended July 1999)
- b. **Multiple Chapter.** In an electoral district comprised of two or more chapters, an elective Representative who is unable to attend such a meeting shall immediately notify the CTA President through the Governance Support Department. In an electoral district comprised of two or more chapters, Alternates in multiple electoral districts shall be selected on the basis of seniority and the use of a rotation method for each meeting that an Alternate is needed. If seniority is equal among Alternates, then the CTA alphabet will be used to determine which senior Alternate will be contacted by the Governance Support Department and notified to attend. The rotation would become effective with the first State Council meeting. If an alternate is unable to attend a meeting, the Alternate shall retain his/her place in the rotation order. (Amended March 1991, June 1992, October 1995, January 1998, July 1999)
- c. In the event a Representative in a multiple electoral district is absent from Council for more than one meeting, due to a leave of absence approved by the CTA Board of Directors, the same Alternate who has been selected on the basis of seniority shall attend for the Representative in his/her absence. If seniority is equal among Alternates, then the CTA alphabet will be used to determine which senior Alternate will be contacted and

notified to attend. Once the Representative returns to Council, the Alternate who attended for the absent Representative shall move back into the rotation process. (Amended October 1995, July 1999)

- d. Only those Alternates who have been officially certified by the CTA Elections and Credentials Committee prior to the opening of the first session of State Council shall be seated and permitted to vote. (Adopted March 1972, Amended October 1995, July 1999)

**SECTION 8. Voting Rights.** Each voting member of the State Council of Education, as defined in Section 2 above, shall be entitled to one vote. Only members who are registered at the meeting of the Council shall be entitled to vote at that meeting. - (2) **Establishment of Directorial Districts.** The boundaries of directorial districts shall be established by action of the State Council of Education. (4) **Deferral of Election.** By a two-thirds vote of declaration of emergency conditions at the time an election is pending, the State Council may defer an election of a Director from a given directorial district for a period of time up to one year. Such deferral may be vacated by a majority vote of the State Council at any time thereafter.

b. **Racial and Ethnic Minority Directors.** There shall be two at-large members of the Board of Directors in the category of racial and ethnic minority director as defined in Article V, Section 2.c. Additionally, there shall be at least the same proportion of members of the Board of Directors who are members of those racial and ethnic minorities as the proportion required for the State Council of Education. If for any reason this minimum proportion of Directors is not either elected to or currently serving on the Board of Directors, the State Council of Education shall hold a special election at its next regular meeting to elect at-large the additional number of Directors necessary to meet this requirement. (Amended January 1998)

c. **NEA Director Representation.** There shall be a representative from among the elected NEA State Directors from California. Whenever a vacancy occurs in the separate office of NEA Director serving on the CTA Board, a special election shall be held in which the State Council of Education shall choose one of the elected California NEA State Directors to be seated as a regular voting member of the Board of Directors. When a Director, who is elected from within a directorial district, ceases to be employed in active educational service within the boundaries of that directorial district, a vacancy shall be declared. Periods of sabbatical and other temporary leaves of absence or loss of employment due to holding elected office in the Association shall not be deemed to be a lapse of such employment. # CALIFORNIA TEACHERS ASSOCIATION ELECTION PROCEDURES

These election procedures are provided to assist a unit in conducting elections in an orderly manner and in accordance with CTA guidelines. A "unit" is defined as a Chapter, Service Center Council, UniServ Unit, ESP Unit or an entity that must conduct an election.

**Chapter presidents must provide all Active members (hereinafter referred to as "members") an opportunity to vote. Chapter presidents do not have the option of deciding that such elections shall not be held.** *[Revised 6/13]*

The Elections Committee and Chairperson shall be appointed by the president and approved by the Executive Board to which it is responsible at the beginning of each school year. It will be composed of at least three members who are familiar with the unit operations and who are not seeking election. Voting members of the unit's governing body (i.e.: Executive Board) are not permitted to be on the unit's elections committee. Any Association member who is either a candidate on the ballot or whose immediate family member is a candidate shall abstain from all election committee activities on that particular ballot.

*[Revised 6/12, 6/13]*

The Elections Committee is charged with ensuring that elections are conducted in a fair and impartial manner, consistent with the following:

## I. Procedural Components

The Election's Committee must determine the following prior to setting the election timeline:

1. Method by which Declaration of Candidacy(ies) are submitted (mail, hand delivered, fax);
2. Provision for elections committee chairperson or designee to be present to receive declaration of candidacy by filing deadline;
3. Procedure for distributing election guidelines/rules to candidates;
4. Campaign statement of candidates (decide on limit of number of words, and what to do if limitation is exceeded, and submission deadline);
5. Method of distribution of ballots;
6. Whether declarations of candidacy must be accompanied by a campaign statement, or whether the statement will be solicited later. If later, a deadline date must be established;
7. Provision for elections committee chairperson or designee to be present to receive declaration of candidacy by filing deadline;
8. Announce that the names are to be listed according to CTA alphabet; *[Revised 6/05]*
9. If not provided in governance documents, election will be decided by majority vote. If a candidate does not receive a majority vote, a run-off election shall be conducted between the candidates receiving the highest number of votes. The names on the ballot will be one (1) more than the number of vacancies to be filled. *[Revised 7/03, 6/13, 6/15]*

## II. Election Timeline

1. **Schools/work sites on alternative calendars shall be considered when setting election timelines.** *[Revised 6/13]*
2. **The election begins with the announcement of vacancy(ies) and terms of office and cannot be stopped until the conclusion of the election, including run-offs if necessary.**
3. A Timeline for Elections shall include the following:
  - a. Announcement of vacancy(ies) and term(s) of office using a method that will ensure each member is aware of the opportunity to file a declaration of candidacy;
  - b. At least fifteen (15) calendar days between the announcement date of the vacancy(ies) and the date of the election;

- c. Place, time and date of receipt (date received, not date postmarked) for declaration of candidacy forms;
- d. Final date to acknowledge candidates' declaration of candidacy;
- e. Date for preparation of ballots;
- f. Date on which ballots will be distributed;
- g. Date by which to request a ballot;
- h. Dates that voting will take place (no less than five (5) and no more than fifteen (15) calendar days for voting; *Revised [6/17]*
- i. Deadline date (date received, not date postmarked), time and place for return of ballots;
- j. Date, time and place where ballots will be counted, which should be immediately following the deadline for receipt of voted ballots;
- k. Date that announcement of results shall be made to leadership, candidates, members, and posted at each work site, which date shall be not later than five (5) calendar days following the counting of ballots;
- l. Dates and timelines for run-off election, if necessary; and
- m. Deadline for filing of challenges to initial election and run-off if held (date received, not date postmarked). *(See Appendix A)* *[Revised 6/04, 6/06, 06/07, 06/08, 6/15]*

### III. Nominations

1. Open nomination is defined as the opportunity of any unit member to nominate any other unit member, including himself/herself. The only qualification for office is membership in the unit. Declaration of candidacy forms shall be readily available to members. The form must state the requirements as to the deadline for time and place of filing.
2. Withdrawal of Candidacy  
In order for his/her name not to appear on the ballot, any person withdrawing from candidacy may do so only by written request to the chapter's elections committee chairperson prior to the ballots being printed. *[Revised 6/17]*

### IV. Term

The term(s) of office shall be clearly stated on the following documents:

1. Announcement;
2. Declaration of Candidacy form; and
3. Ballot.

### V. Campaign Finances and Use of Unit Resources

1. Monies received by a unit by ways of dues, assessment or similar levy must not be used to promote any candidate.
2. A unit may not state or indicate its preference for a candidate in the unit's publications.
3. The use of links to any Association website by a candidate is prohibited.
4. The Association shall not make available personal emails to candidates.
5. District email addresses and/or electronic systems shall not be used for campaigning. Use of district school mailboxes for campaigning must follow district policy. *[Revised 6/14]*
6. Candidates cannot campaign on any affiliated chapter/service center social networking sites created for association/leadership members to communicate with each other. *[Revised 6/10]*
7. Each candidate shall have the right to a list of the work site names and work site addresses with the number of Active members at each site for the purposes of campaigning. *[Revised 7/03, 6/04, 6/05, 6/07]*
8. A unit will honor all reasonable requests by a candidate to distribute campaign literature at his/her expense to all members in good standing, whether the distribution is by mail or other means. However, if distribution of campaign literature for one candidate is without charge, then distribution for all candidates must be without charge. Treating all candidates the same by refusing to honor any and all reasonable requests for distribution of campaign literature at the candidate's expenses is not permitted. The unit should inform all candidates of rules in this regard.

9. A candidate cannot accept direct contributions from a unit's treasury or indirect contributions in the form of use of a unit's assets, facilities, staff, equipment, mailings, good will or credit.
10. A candidate cannot use the official logo of the unit or official Association title in a way that suggests that the candidate has the support of the unit, CTA or any of its affiliates. This prohibition includes candidate email addresses. *[Revised 6/10]*
11. All campaign flyers/materials must include the following disclaimer, which must be stated verbatim: "The views and opinions expressed are those of the candidate and not necessarily those of the unit, CTA, NEA or any of its affiliates." *[Revised 6/04, 6/13]*

## **VI. Candidates' Statements**

Each candidate must be treated equally in preparation and distribution of a campaign statement. When there is a limitation of words, each word shall be counted. Any word(s) exceeding the limitation shall not be printed. ***The statements shall not be printed on the ballot.***

## **VII. Ballot**

The CTA alphabet must be used to determine the order of the candidate's names. In the event that the last name of more than one candidate begins with the same letter or more than one candidate has the same last name, the CTA alphabetical order shall continue to be applied throughout the name, including the first name.

The ballot shall state the name of the office, the term, the number of votes allowed for each office/position (e.g. Vote for no more than \_\_\_\_\_. See Appendix H), and the name for each office/position of the candidate(s) who have filed declarations of candidacy within the timeline. The ballot shall include space for a write-in candidate for each office/position, except in a run-off election. For most elections, the number of write-in spaces should be equal to the number of votes allowed for the office/position. *[Revised 6/04, 6/07, 6/15]*

## **VIII. Voting Methods**

All Active members must have an opportunity to vote. Active members who are off-track or on a dues paying leave shall be notified by mail in order to provide them an opportunity and right to vote. Active members on Association/Affiliate business may request a ballot by mail. Provisions must be made for members to cast a ballot in such a manner that the person casting the vote cannot be identified with the vote cast. Voting by mail may be used at sites where it is difficult to contact each member individually to secure a signature on the official voter roster/sign-in sheet. Any Association member who is either a candidate on the ballot or whose immediate family member is a candidate shall abstain from all election committee activities on that particular ballot. ## **IX. Vote Requirement**

All vote requirements shall be established in accordance with CTA guidelines. Unless otherwise specified, all elections shall be decided by majority vote. Write-in votes are valid and must be counted.

1. Majority means more than half of the legal votes cast for each office/position on the ballot.
2. A plurality vote means the largest number of votes to be given any candidate or issue. When there is a tie in a plurality election and it is not feasible to conduct the election again because of the time factor, the following procedure shall be followed:

- a. When there is a tie, the ballots shall be recounted.
- b. If the result is still a tie, the elections committee chairperson shall:
  - 1) Call the candidates (according to the CTA alphabet) and inform them of the tie and that a coin toss shall be used to determine the winner.
  - 2) If the first candidate called wishes to remain in the race, the chairperson shall ask that candidate to choose “heads” or “tails” in the coin toss.
  - 3) The elections committee chairperson shall designate the time and place for the coin toss and inform the candidates, who may have an observer present. The observer may be the candidate.
  - 4) The elections committee shall note the coin toss on the Unit’s Official Teller’s Report.
  - 5) The elections committee shall follow the established procedure in notifying the candidates of the results.
3. A two-thirds (2/3) vote means at least two-thirds (2/3) of the legal votes cast.
4. For unit officers, and at-large members of the Executive Board, the election will be by majority vote. The ballot must not be waived. [Revised 6/14, 6/15]
5. An election for school site representatives may be waived and the candidate(s) declared elected if, following a period of open nominations, the number of candidates is equal to or less than the number of delegate positions to be filled. An affiliate utilizing this provision must have adopted a governing provision or election policy allowing such a practice. [Revised 6/14]
6. For State Council: *(See the Election Timelines, Procedures, and Guidelines in Sections IV-9.2 and IV-9.3 of the CTA Elections Manual)*
  - a. If a unit is a single electoral district or a multiple unit electoral district, the election for State Council Representative will be by majority vote.
  - b. If the unit is within a multiple unit electoral district, the Service Center Council (SCC) elections committee will determine if a candidate has received a majority vote. For multiple electoral districts, the chapter elections committee returns a signature and ballot verification sheet *(see Appendix M)*, voted ballots, and voter roster/sign-in sheets to the SCC elections committee by deadline date. [Revised 6/11, 6/12]
7. If a candidate does not receive a majority vote, a run-off election shall be conducted among the candidates receiving the highest number of votes. The names on the ballot will be one (1) more than the number of vacancies to be filled. **There shall be no provisions for write-in candidates in run-off elections.** A majority vote is required to win a run-off election. [Revised 6/13]
8. For NEA Local Delegates, the election will be by plurality vote. Results must be sent to the CTA Governance Department and to the Service Center Council. [Revised 6/13]
9. An affiliate utilizing this provision must have adopted a governing provision or election policy allowing such a practice. This election practice will not generate successor delegates unless the nomination process requires candidates for both regular and successor delegate positions.
10. For NEA State Delegates, the election will be by plurality vote. Successor delegates (alternates) are ranked in the order of votes received. Voted ballots, signature sheets/rosters, and a signature and ballot verification sheet *(See Appendix M)* must be submitted to the Service Center Council, which will tally all the ballots and report the results to CTA. [Revised 6/12]
11. For additional CTA/NEA election guidelines refer to the official *CTA Elections Manual*. [Revised 7/03, 6/14]

8. The Elections Committee will prepare the Teller's Report, recording information on the total number of votes cast, the number needed to win/pass, the number of votes received by each candidate/issue and the number of blank and illegal ballots for each office/position with an explanation of illegality, and signed by each Elections Committee member.
