ARTICLE 1. AGREEMENT

The articles and provisions contained herein and the appendices attached hereto constitute the bilateral and binding contract by and between the San Diego Unified School District (District) and the San Diego Education Association/California Teachers Association/National Education Association (Association), an employee organization.

ARTICLE 2. RECOGNITION

Section 2.1: DISTRICT RECOGNIZES ASSOCIATION

The District recognizes the San Diego Education Association (SDEA/CTA/NEA) as the sole and exclusive bargaining representative for all certificated employees employed in the Certificated Bargaining Unit in accordance with the certification issued by the Public Employment Relations Board (PERB) on March 21, 1977, in case number LA-R-89, and as modified on November 14, 1994, in case number LA-UM-575, pursuant to PERB-conducted, secret ballot elections.

NOTE: A mutually agreed-upon list of all certificated job classes included in the certificated bargaining unit shall be included and maintained in an appropriate District Procedure.

Section 2.2: EXCLUSIONS

Excluded are all classified, management, supervisory and confidential classes.

Section 2.3: ESTABLISHING OR ABOLISHING CLASSES

Before establishing or abolishing any certificated job class, the District will advise the Association of its intended action. The determination of bargaining unit, management, confidential or supervisory classes or positions within classes within the certificated service shall be made by mutual agreement between the District and the Association. Disagreements shall be resolved by appeal to the Public Employment Relations Board (PERB) as provided by law.

Section 2.4: SUBCONTRACTING

The District agrees not to subcontract or contract out work which would result in the layoff or reduction in hours of current employees in the bargaining unit.

ARTICLE 3. DEFINITIONS

Section 3.1: GENERAL DEFINITIONS

The following general definitions apply to all articles of this Contract:

- 3.1.1. "Agreement" means the Collective Negotiations Contract between the San Diego Unified School District and the San Diego Education Association, CTA/NEA.

- 3.1.10. "Division Head" refers to the administrator in charge of a division, with total responsibility to manage all affairs of the division including general control of all certificated and classified employees assigned to the division. Section 5.3: ACCESS TO DISTRICT PREMISES

Authorized officials and staff of the Association, not assigned to the site, shall be granted access to district premises for the purposes of administration of this Agreement, for the processing of grievances, and for conduct of appropriate association business under the following conditions:

- 5.3.1. Visits to unit members for the purpose of conducting official association business shall be confined to non-working hours. For unit members on a six (6) hour, thirty five (35) minute workday, non-working hours are defined as before and after the assigned hours of work and during lunch periods. The District shall make every reasonable effort to provide a convenient and appropriate location suitable for the purpose of the association staff representative's business.
- 5.3.5. When mutually agreed between the Association and the Human Resource Services Division, matters of common concern to the Association and the District may be discussed with unit members at appropriate times and places on school sites or in district departments.
- 5.3.6. Authorized officials and staff of the Association, not assigned to the site, may conduct official association business with principals and department heads at any time which is mutually agreed.
- 5.3.7. In the event that there are problems or concerns with the Association's access to district premises, either on the part of the District or the Association, these issues shall be brought to the Contract Administration Committee for resolution.

Section 5.4: ASSOCIATION LEAVE

- 5.4.2. The Association may request additional days of unpaid, released time for members of the bargaining unit.

- 5.4.3. The Association shall have an unlimited number of workdays per fiscal year (July 1 - June 30) of leave to use for association business. However, the number of days used by an individual unit member for association business cannot exceed ten (10) days. The Association will reimburse the District for the cost of each visiting teacher's salary. In the event that there are problems or concerns with the implementation of association leaves, either by the District or the Association, these issues shall be brought to the Contract Administration Committee for resolution.
- 5.4.4. The length and time of the leave shall be by mutual agreement of the Association and the division head, Human Resource Services Division, in consultation with the site supervisor.
- 5.4.5. The Association shall submit written requests for all such leave sufficiently in advance of the request to ensure that consultation/notification can take place with the site and provisions made for visiting teacher coverage.
- 5.4.6. Summer school unit members elected as NEA delegates may attend scheduled activities if unit members find a qualified visiting teacher to replace them. Absences for such activities shall not exceed five (5) workdays.

Section 5.5: BARGAINING UNIT NAME/ADDRESS LISTS

The District will provide the Association with names and addresses of all unit members in alphabetical order within cost center no later than October 15 each year. Available addresses and telephone numbers will be provided in those cases where privacy has not been requested. These lists shall be updated and forwarded to the Association, without cost, on a monthly basis, October through June. The District will supply the Association with an alphabetical list of the available names and addresses of unit members no later than September 15 of each school year.

Section 5.6: ASSOCIATION REPRESENTATIVES

The Association shall designate, in writing, one (1) association representative and one (1) official alternate for each work location.

- 5.6.1. The Parties agree that the association representatives shall have the following responsibilities:
 - 5.6.1.1. To represent the Association at the site, center, or program to the site administrator or supervisor.
 - 5.6.1.2. To conduct association business on the school site, center, or program at reasonable and appropriate times and places.
- 5.6.2. The principal or immediate supervisor of each site, center, or program which employs unit members shall meet upon request with the official association representative to discuss questions relating to the implementation of this Contract. These meetings shall be at a time mutually agreed upon within the representative's regular, on-site workday, but not during instructional time.
- 5.6.3. The Parties agree that the association representative shall have the right to reasonable use of the District's phones and other means of communication as available for the purpose of communicating with respect to matters of District-Association business. The use of these machines should not disrupt the work of site staff and shall be cost neutral.
- 5.6.4. In recognition of the workload of the association representative, the site administrator and the association representative will mutually develop an annual collaborative plan to support successfully meeting the requirements of the association representative's responsibilities in the administration of this Agreement within existing site resources. The plan will be reviewed with the unit members at the site for input and discussion. When mutually developing the plan, the site administrator will take into consideration specific site needs and the association representative will consider unit member needs.
- 5.6.5. The District and the Association believe that effective labor relations between the Parties, especially at the site level, are critical in supporting and enhancing the instructional program. An effective relationship between the site administrator and the association representative is essential in furthering this goal. Therefore, the District and the Association agree to plan and sponsor appropriate collaborative training opportunities such as new contract orientation, shared decision making implementation, and performance evaluation training jointly attended by the site administrator and the association representative throughout the term of this Agreement.

- 5.6.6. Copies of District circulars and other materials which have an impact on the bargaining unit, including vacancy and post and bid announcements, shall be addressed to the association representative. Principals will make site budget information available to the association representative upon request. Problems concerning the implementation of this Section shall be referred to the Labor Relations Department for resolution.
- 5.6.7. The Parties will encourage resolution of disputes between the association representative and the site administrator at the site level. When the association representative and/or the site administrator believe that effective problem-solving is not occurring, either party may request that the appropriate division head and the association president, or their designees, assist them in resolving the issue(s).

Section 5.7: COMMITTEE REPRESENTATIVES

The Association shall be responsible for appointing or electing representatives to committees charged with making decisions or recommendations which affect the terms and conditions of employment of unit members covered under this Agreement. Excluded from this provision are committees that are advisory in nature only.

Section 5.8: ASSOCIATION MEETINGS

- 5.8.1. At the request of the Association, two (2) Wednesdays per month shall be reserved for association meetings. Exceptions may be made when mutually agreed. The Association shall notify the Human Resource Services Division of the selected dates prior to the first day of school each year.
- 5.8.2. On one (1) day per month, upon mutual agreement between the principal and association representative, an association site meeting may be held. Meetings shall not conflict with instructional or supervisory duties.
- 5.8.3. Districtwide programs which elect association representatives such as Speech-Language Pathologists, Counselors, School Nurses, or School Psychologists shall be entitled to conduct association meetings of reasonable duration immediately prior to or upon the conclusion of job-alike meetings called by the District.

Section 5.9: RELEASE TIME FOR ASSOCIATION MEETINGS

Unit members serving as delegates to the Representative Council of the Association, or as members of the Association's Board of Directors, or as members and/or alternates of the Association's bargaining team, shall be allowed to leave their respective buildings as soon as their responsibilities related to the health and welfare of the children are completed on those days when meetings of the Representative Council and the Board of Directors are regularly scheduled. The District shall release Child Development Center and Extended Day Magnet teachers who are elected to the Association's Representative Council or Board of Directors in order to represent their constituents at these meetings by providing visiting teacher coverage, rearranging schedules, compensating another unit member providing coverage at the pro rata rate, or other appropriate action.

Section 5.10: OFFICIAL REPRESENTATIVE LIST

The Association agrees to provide the division head, Human Resource Services Division, with a list of council representatives and their alternates, officially-designated association representatives and their alternates, association bargaining team members and their alternates, and board of directors' members by name and location as soon as possible following the commencement of the school year and any subsequent changes. Recognition will be granted only to those persons whose names appear on the most recent official list supplied by the Association. The Association shall provide the District with a schedule of meetings of Council Representatives and Board of Directors by September 15 each year.

Section 5.11: SALARY SCHEDULE PLACEMENT SUMMARY

Not later than November 25, the District shall furnish the Association with a numerical summary of the placement of personnel on the respective bargaining unit salary schedules as of mid-October.

Section 5.12: DISTRICT BUDGETS

The District will give the Association two (2) copies of the planning and final budgets annually.

Section 5.13: ASSOCIATION REPORTS AND ANNOUNCEMENTS

After the close of faculty meetings, the Association shall be given the opportunity to present reports and announcements.

ARTICLE 6. DISTRICT RIGHTS

Section 6.1: RIGHTS RESERVED

All rights not specifically enumerated in this Agreement are reserved to the public school employer and may not be a subject of meeting and negotiating, grievances, or restriction on the right of the District to manage the District and to direct its employees and operations.

ARTICLE 7. WAGES

Section 7.1: SALARY RATES

- 7.1.1. 2014-2015 Salary rates. Effective July 1, 2014, the 2014-2015 salary rates shall be increased by one percent (1%).
- 7.1.2. 2015-2016 Salary Rates. Effective July 1, 2015, the 2015-2016 salary rates shall be increased by four percent (4%).
- 7.1.3. 2016-2017 Salary Rates. After approval of the 2016-2017 state budget, the Parties will reopen negotiations on this Article 7: Wages. Negotiations shall commence no later than ten (10) days after the adoption of the 2016-2017 state budget. The reopener shall be for the purpose of negotiating increases to wages.

Section 7.2: RETROACTIVE COMPENSATION

Compensation paid pursuant to this Article shall be paid only to unit members who are officially employed by the San Diego Unified School District at the time of Board of Education adoption of the 2014-2015, 2015-2016 and 2016-2017 salary schedules, respectively, and to unit members who retire or are laid off between July 1 and the date of Board adoption in the applicable year.

Section 7.3: MEAL CHARGES

The District agrees to pay the meal charges for meals provided by the District and consumed at the Off Campus Integrated Learning Education (OCILE) Program (Camp Palomar) for those teachers assigned to accompany their classes to the program and those teachers who are permanently assigned to the program.

Section 7.4: MILEAGE

Approved mileage for certificated unit members will be the current applicable Internal Revenue Service rate.

Section 7.5 INDUCTION PROGRAM

During the term of this agreement, unit members will not be required to make any financial contribution to participate in the California Teacher Induction Program (formerly BTSA) offered through the District.

ARTICLE 8. HOURS OF EMPLOYMENT

Section 8.1: CONTRACT DUTY DAYS

- 8.1.1. The basic academic teaching year shall consist of no more than one-hundred and eighty-four (184) teaching and non-instructional days. The basic work year for School Psychologists and Senior School Psychologists shall consist of one-hundred and ninety-one (191) workdays. The basic contract work year for OCILE unit members will be two-hundred (200) work days. The basic contract year for Speech-Language Pathologists and Senior Speech-Language Pathologists shall consist of one hundred eighty-four (184) work days. Extended work years are set forth in Appendices A, B, F, and G.
- 8.1.2. Regardless of school calendar to which assigned (traditional, single-track year-round, etc.), unit members who are employed as of July 1 of any year shall be provided the opportunity to earn a full work year's retirement credit and a full work year's compensation during each fiscal year (July 1 to June 30) of employment by the District.

Section 8.2: CALENDAR

- 8.2.1. Calendar Committee: The District agrees to establish a joint calendar committee composed of an equal number of district representatives, association representatives and other stakeholder representatives appointed by their respective groups. The size of this Committee shall be determined by mutual agreement of all Parties.

The purpose of this Committee shall be to develop a multi-year instructional master calendar which includes traditional and single-track year-round schedules, non-paid holidays and other non-paid days. This Committee shall present the calendar to the Board of Education one (1) year prior to its implementation.

- 8.2.2. In the event that the Association disagrees with the Committee's recommendations, the District, upon request, agrees to negotiate with the Association on the proposed Master Calendar prior to its adoption by the Board. Such negotiations shall take place, as necessary, separate and apart from regular contract negotiations through the Contract Administration Committee. Negotiations shall commence sufficiently in advance so that agreement is reached and the new calendar(s) is adopted by the Board of Education at least one (1) year prior to its commencement.
- 8.2.3. Unit members who, by virtue of their assignment, are required to work an individualized calendar will develop such a calendar, subject to approval by the immediate supervisor to assure that it has the appropriate number of workdays, that it does not conflict with district or site scheduled activities or staffing needs, and that it conforms to appropriate district holidays.

Section 8.3: MINIMUM, SHORTENED AND MODIFIED DAYS

With input from the staff, the instructional schedule for minimum, shortened, and modified days shall be determined at the site by the supervisor after informing staff and providing them with an opportunity to give input.

Section 8.4: STUDENT GRADE REPORTS

- 8.4.1. In secondary schools, no site supervisor shall require unit members to submit grades and reports prior to the first working day following the conclusion of the report period (first, second, and third quarters only unless approved by the appropriate division head).

Fourth quarter grades shall not be required earlier than 8:00 a.m. on the last teacher workday of the semester, except for students being promoted to senior high or graduating students. For all four (4) quarters, notices of failures and unsatisfactory citizenship may be required prior to any of these cutoff times to facilitate counseling and/or provide for parent notice.

- 8.4.2. In secondary schools using six (6) student grade reports during the school year, sometimes referred to as the six (6) week student progress report, unit members will fill in the grades on the assigned date for the first, second, fourth, and fifth report card.

A "D" or an "F" mark on the second or fifth student grade report will constitute compliance with the requirement for a notification of unsatisfactory progress (warning notice) if a pupil is in danger of failing a course. The dates for semester student grade reports will be as stated in Section 8.4.1.

Section 8.5: WORKDAY AND WORKWEEK

The District and the Association recognize the principle of an eight (8) hour unit member workday, and a forty (40) hour workweek for persons employed on a full-time basis during the regular school year.

- 8.5.1. Full-time classroom teachers shall be required to remain on site for a minimum of six (6) hours and thirty-five (35) minutes a day, exclusive of a duty-free lunch period. The duty-free lunch period shall be a minimum of thirty (30) minutes. (See Appendix H for part-time certificated assignments.)
- 8.5.2. The Parties recognize that the services performed by non-classroom certificated staff such as Counselors, Library Media Teachers, School Nurses and similar non-classroom positions contribute substantially to the instructional program and may require that services be provided outside of the six (6) hour and thirty-five (35) minute day but within the forty (40) hour week. The Parties also recognize that unit members' morale and collegiality requires that work hours be as equitable as possible. (See Appendix H for part-time certificated assignments.) To this end, the Parties agree that:
 - 8.5.2.1. It is expected that non-classroom unit members remain on site when their assignments, or other scheduled responsibilities connected with their assignments, occur after the six (6) hour and thirty-five (35) minute day. However, it is not expected that such unit members would routinely be required, to remain on site for eight (8) hours each school day or to obtain daily approval to leave site prior to the expiration of an eight (8) hour day.
 - 8.5.2.2. Mutual arrangements between such unit members and their supervisors should be worked out for the year.
 - 8.5.2.3. Unit members covered by this Section shall be entitled to a minimum thirty (30) minute duty-free lunch period minutes and, on days when such unit members are required to remain on site for eight (8) hours, are entitled to two (2) fifteen (15) minute rest periods per day.
 - 8.5.2.4. This contract language is meant to provide unit members covered by this provision with a greater degree of professional discretion with respect to their workday. It is understood that all necessary professional services to staff, students, and parents will continue to be provided by such unit members and that such unit members will ensure that they build adequate planning and preparation time into their schedules. Counselors, nurses, itinerants and non-classroom unit members shall be provided adequate planning and preparation time within their schedules, commensurate with their assignment(s).
- 8.5.3. The balance of the forty (40) hour workweek shall include as responsibilities: a reasonable number of meetings, conferences, departmental activities, site planning, evaluation and instructional activities, open houses and staff development activities as determined by the principal.
- 8.5.4. The schedule of work hours for unit members at each site shall be determined solely by the supervisor, consistent with the provisions of this Agreement.
- 8.5.5. Within the forty (40) hour workweek, supervisors shall have the right to call and require attendance at a reasonable number of staff meetings.
- 8.5.6. Early Childhood Education teachers assigned to a Child Development Center shall be required to remain on site for seven (7) hours and thirty (30) minutes a day, exclusive of a minimum thirty (30) minute, duty-free lunch period, with the balance of duties and responsibilities as assigned, including a thirty (30) minute preparation/relief time.
- 8.5.7. Off Campus Integrated Learning Education (OCILE) Programs
 - 8.5.7.1. Outdoor Education. Due to the nature of the school camp program, outdoor education unit members' duties may vary in the number of workweek hours, depending upon the activities scheduled; but the average workweek hours shall not exceed forty-one (41) hours per week with pupils. The total workweek hours need not be divided equally across five (5) days. The allocation of work hours shall be arranged by the

camp principal with input from the staff. Except in emergencies, outdoor education unit members shall not be required to remain on site during non-working hours.

8.5.7.2. Camp Palomar.

- a. Normally, sixth grade teachers are expected to participate in the Outdoor Education Program at Palomar. In consultation with the site principal, the sixth grade teacher may request exception to attendance at the program due to personal or family hardship, contingent upon the exchange of teaching responsibilities with a teacher from another grade level or track who will assume teaching responsibilities for the week of attendance.
- b. Participating classroom teachers will meet with the Palomar principal upon arrival on Monday morning to jointly develop the schedule of classroom teacher activities.
- c. The District will fund one (1) visiting teacher day for each unit member participating in the Outdoor Education Program at Palomar. Unit members shall utilize the visiting teacher day established herein during the school year in which the Camp Palomar assignment takes place. In the event that the visiting teacher day is used prior to the scheduled Camp Palomar assignment, and the unit member subsequently does not participate in the assignment, the day shall be deducted from the unit member's accumulated sick leave.

8.5.7.3. Old Town and Balboa Park Programs

While participating in the Old Town and Balboa Park Programs, the teacher and the principal shall mutually establish a flexible work week schedule to prevent the work week from extending beyond forty (40) hours. In the event of an unforeseen emergency which results in an extension of the work week beyond forty (40) hours, the unit member shall be compensated at their prorata rate of pay.

8.5.7.4. Work Year

The work year for unit members assigned to work in the Off Campus Integrated Learning Education (OCILE) programs is defined in Section 8.1.1.

8.5.8. Unit Member Workload

All terms and conditions of employment impacting the workload of any certificated job class within the bargaining unit at the grade, department, program, school or district level, shall be maintained at not less than the highest minimum standards in effect on November 18, 2009. This Section shall not be interpreted or applied to deprive unit members of professional advantages heretofore enjoyed unless required by law or authorized by the provisions of this Section.

8.5.8.1. Section 8.5.8 does not prohibit the District from implementing programs, initiatives, or curricular reforms, and an intent of the section is to promote cooperative engagement in reform efforts and activities which will result in the improvement of the quality of the learning experience and the learning outcomes of students and in the quality of the working life of employees (see Section 24.1). However, the impact of any such District programs, initiatives, or curricular reforms on bargaining unit members' workload, regardless of the existence or success of pre-decision collaboration, is subject to the provisions of Section 8.5.8.

8.5.8.2. Any disagreement between the parties regarding Section 8.5.8 shall be subject to discussion between the parties, for the purpose of making a mutual and good faith effort to resolve the dispute at an early stage. The Association shall make the District aware of its concerns within twenty (20) workdays of becoming aware of a decision it believes is or will be prohibited by Section 8.5.8. In the event that these discussions do not lead to resolution of the disagreement within twenty (20) workdays of the Association bringing the issue to the attention of the District, the matter shall be subject to the grievance procedure. In any grievance or arbitration claiming a violation of Section 8.5.8, the District may raise the defense that the impact on workload was *de minimus* and therefore not a violation of Section 8.5.8.

Section 8.6: ELEMENTARY PREPARATION TIME

8.6.1. Elementary Preparation Time Program. Elementary school preparation time will be provided through the employment of preparation time teachers.

8.6.2. Elementary Preparation Time Committee. The Parties agree to continue the Elementary School Preparation Time Committee which is composed of five (5) representatives appointed by the District and five (5) representatives appointed by the Association.

8.6.2.1. This Committee will establish its own meeting schedule. It is understood that release time will be kept to a minimum and meetings will, whenever possible, be held after the school day.

8.6.2.2. The Committee will be charged as follows:

- a. To obtain suggestions from the elementary school sites relative to the use of the preparation time teachers, and to develop an annual schedule of the assignment of preparation time teachers to sites, and to monitor the implementation of the preparation time program, including the allocation of preparation time to each elementary school.
- b. To anticipate and develop recommended procedures to cover any unique employment conditions attendant to preparation time teachers, including provisions related to travel time, preparation time, number of sites served, length of instructional sessions/weeks, class size, number of classes, etc.

8.6.3. Change in Subject Emphasis

Requests for change in subject emphasis for the following year shall be determined by the shared decision making process, shall be submitted to the Preparation Time Committee by February 1 and shall be considered in accordance with the district preparation time procedures. Affected preparation time teachers shall be afforded the opportunity to present their views and participate in the discussion prior to the final decision of the site governance team.

8.6.4. Implementation of Preparation Time

8.6.4.1. The release time per classroom teacher should be a minimum of forty-five (45) minutes to an hour per week for grades TK-3 and fifty-five (55) minutes to an hour per week for grades 4-6 (See Appendix H for part-time certificated assignments). Additional preparation time should be given if possible.

8.6.4.2. All classroom teachers, grades TK/1, 1-6, special day class teachers, D/HH, PHI, MPC and K teachers with the same pupil contact time as other classroom teachers at their site are eligible for preparation time. 8.6.4.3. Visiting teachers shall be provided when preparation time teachers are absent.

8.6.4.4. Each site shall have a Preparation Time Advisory Committee to assist with the operation (i.e. selection, scheduling, problem solving, etc.) of this program. The Committee should consist of the principal, the association representative, preparation time teachers and other(s) the site deems appropriate.

8.6.5. Rights of Preparation Time Teachers

8.6.5.1. Normally, the preparation time teacher will provide preparation time to no more than twenty-three (23) teachers per week.

8.6.5.2. Preparation time teachers have the same rights and responsibilities as other unit members.

8.6.5.3. Preparation time teachers shall have the same amount of uninterrupted preparation time during the week as other eligible teachers on the staff.

- 8.6.5.4. The determination of the preparation time teacher's cost center, in the case of a split assignment, shall be the site with the largest time allocation. If schools share a preparation time teacher on an equal basis, the cost center will be determined alphabetically (closest to the letter A). Disputes concerning the scheduling of preparation time teachers that cannot be resolved by affected sites shall be referred to the Elementary Preparation Time Committee for resolution.
- 8.6.5.5. The site Preparation Time Advisory Committee shall give priority consideration to the unit member work space needs for the preparation time focus to be offered.

- 8.6.6.2. During the two (2) week period prior to the date by which report cards are due, modified days shall be set aside for unit member-directed preparation time.
- 8.6.6.3. The Parties acknowledge the ongoing time commitment to complete District-mandated assessments and other site-based assessments, including those that require manual scoring or manual data entry; curriculum development and implementation; SPED consultation; and, work associated with Common Core. In recognition, in addition to one-half (1/2) of the annual modified days being set aside for member preparation and planning as specified in Section 8.6.6.1, one half (1/2) of the remaining modified days (i.e. 25% of the annual total) will be designated for unit member-directed preparation time, unless, by a majority secret ballot vote of unit members, the school site chooses to use some of these days for collaborative planning, professional learning with colleagues, or other uses.
- 8.6.6.4. The site principal will, after consultation with classroom teachers, select the modified day(s) per month to be set aside for preparation time.
- 8.6.6.5. In elementary schools where alternative elementary preparation time exceeds time provided in this Section, the schools shall be exempt from the provisions of this Section, upon a two-thirds (2/3) secret ballot vote of the certificated staff.

Section 8.7: SECONDARY TEACHING HOURS AND PREPARATION/CONFERENCE PERIODS

- 8.7.1. The weekly schedule of employment for full-time classroom teachers in secondary schools shall include twenty-five (25) teaching or supervised study periods and five (5) periods for preparation/conference as defined in this Article. The twenty-five (25) teaching and supervised study periods normally will be divided into five (5) approximately equal periods per day.
- 8.7.2. Preparation/conference period for full-time secondary classroom teachers shall be one (1) regular period of a teacher's workday, which is not devoted to instruction of pupils, and which shall be used for preparation of instructional materials, other instructionally-related activities, and may be used for conferences and a reasonable number of meetings. (See Appendix H for part-time certificated assignments.)
- 8.7.3. In schools with block schedules, an aggregate of five (5) preparation periods per week shall be deemed to meet the requirements of this Section.

Section 8.8: AMENDMENTS TO PRESCRIBED TEACHING HOURS

The provisions of Section 8.7 may be amended, if required, for the establishment of new or revised programs involving flexible schedules or other varying time blocks under the following conditions:

- 8.8.1. If approved by a two-thirds (2/3) secret ballot vote of the certificated staff involved, the principal, and the division head, and there is no increase in the number of hours per week, as stated in Section 8.7.1.
- 8.8.2. If there is an increase in the number of hours per week, as stated in Section 8.7., and the increase is approved by a two-thirds (2/3) secret ballot vote of the certificated staff involved, the principal, the division head and the Association.
- 8.8.3. If the program is initiated by the Superintendent or the Board of Education within the terms and conditions of the Agreement.

Section 8.9: CLASS COVERAGE

- 8.9.1. Emergency Class Coverage. In emergencies, unit members shall, during their preparation time, cover a reasonable and equitable number of classes other than their own, when requested by the principal. An emergency is any situation which could not reasonably be anticipated.

Emergency class coverage exceeding one (1) hour in one (1) academic year shall be compensated at a rate set forth in Appendix A, Section 7.013: Additional Classroom Hourly Assignment.

- 8.9.2. Class coverage for PLCs and Professional Development. When a unit member is asked and agrees to cover a class other than their own during their preparation time for the purpose of PLC or Professional Development activities, unit members shall be compensated at a rate set forth in Appendix A, Section 7.013: Additional Classroom Hourly Assignment.

Section 8.10: LIMITATION ON NUMBER OF PREPARATIONS

The District and the Association agree that the number of different subject preparations directly affects the work hours of the secondary classroom teachers. As recognition of this situation, the District agrees to limit the number of courses to be taught by a secondary classroom teacher to no more than three (3). All core and block classes, are considered one (1) instructional period that lasts from one (1) to (3) hours, therefore, all requiring one preparation. However, in recognition of the level of intensity required by the two (2) or three (3) hour courses, teachers assigned to teach such core and block classes will only be required to teach, within the five (5) period teaching day, one other course during those remaining two (2) or three (3) periods. Exceptions may be made only to meet the needs of the site, as determined by the principal and approved by the division head.

An advisory period is not defined to be a different subject for purposes of establishing the number of preparations, provided that unit members are not required to develop lesson plans for the advisory period or to issue academic grades to students enrolled in such periods.

Section 8.11: NON-CLASSROOM SUPERVISION

Supervision responsibilities outside regular classroom requirements shall be determined at each site. When developing supervision schedules, schools are strongly encouraged to use the shared decision-making process. Supervision schedules at schools should address the following interests:

- 8.11.1. Adequate supervision to ensure safety of students.
- 8.11.2. Cost effectiveness.
- 8.11.3. Best use of staff.
- 8.11.4. Need for adequate breaks.
- 8.11.5. Positive working conditions.
- 8.11.6. Equity among staff.

Section 8.12: CONTRACT INDEPENDENT STUDY

The District and the Association share an interest in minimizing the impact of Contract Independent Study (CIS) on teacher time. It is recommended that schools use the shared decision-making process to determine how CIS will be handled at the site. Teachers are to have one week notice to prepare contracts unless it is a personal or family emergency.

Section 8.13: EARLY/LATE STARTING TIMES

School site governance teams may establish their own start time on an annual basis, provided that deviations from the district schedule of early/late starting times shall not result in additional expense to the District. Requested changes for the following year shall be submitted to the appropriate division head, by February 1.

Section 8.14: SUPPORT STAFF

8.14.1. Principals shall afford district counselors, school nurses, and in-school counselors the opportunity to attend appropriate district-sponsored professional growth activities designed for them at least twice per year.

8.14.2. Site administrators who share the services of district counselors and/or school nurses shall work together to facilitate the district counselors/nurses participation in appropriate modified day activities.

Section 8.15: ELEMENTARY UPPER GRADE SUPPORT PLAN

In recognition of the higher student/teacher ratio at elementary grades four (4), five (5), and six (6), elementary principals and their certificated staffs will mutually develop an annual plan, within site resources, outlining activities and strategies the total certificated staff will implement to support the instructional program in the upper grades.

Section 8.16: CENTRAL OFFICE-INITIATED PLANNED MOVES

Effective December 1, 2006, unit members shall receive notification, compensation and assistance for all central office initiated planned moves (non-emergency).

8.16.1 Notification

The District will give as much reasonable advance notification as possible to unit members. The District shall provide at least a three (3)-work day notification for all moves. A three (3) -work day notification does not include the day of notification or the day of the move.

Unit members are responsible for personal items they choose to keep under their control.

8.16.4 Compensation

A unit member who does not receive a minimum three (3)-work day notice that the move has been cancelled shall receive the full day of release time. A move postponed for more than five (5) work days shall be considered an additional move.

8.16.4.2. A unit member who does not receive at least a three (3)-work day notice of a move shall receive an additional full day of release time.

Section 9.1: ELIGIBILITY

9.1.1. Eligible unit members are those active monthly salaried unit members working one-half (1/2) time or more or those unit members on paid leaves receiving fifty percent (50%) or more of full salary. Unit members on district-approved unpaid leaves may continue their medical, dental, vision, and/or life insurance coverage by remitting the required fee to the District.

9.1.2. Exceptions:

9.1.2.1. The following conditions shall apply to all active monthly salaried unit members participating in the district job-sharing program:

- a. A unit member must pay for medical, dental, and/or vision coverage on a tenthsly prorata basis, if coverage is desired.
- b. Life insurance benefits as described in Section 9.5. shall remain in effect for unit members participating in the job-sharing program.

It is understood that same-sex domestic partner coverage shall be subject to all eligibility rules and requirements established under this Agreement and that such rules and requirements shall extend to all plans and coverages provided in this Article whether contracted through San Diego County Schools Voluntary Employee Benefits Association (VEBA), self-funded by the District or directly contracted by the District.

The Parties' intent to recognize that eligibility shall be determined in accordance with state law. As such, the Parties agree that during the term of the Agreement, unless and until there is a clarification or change in the law; domestic partners will continue to be eligible for the same benefits afforded legally married spouses. The Parties agree that a current unit member's domestic partner will cease eligibility for benefits at the end of the plan year during which the State Legislature clarifies or eliminates requirements regarding offering benefits to domestic partners and legally married spouses.

- 9.1.3.2. To be eligible for medical benefits, a unit member's child (including any stepchild, child of the unit member's domestic partner, legally adopted child, or child for whom the unit member is named legal guardian by court order) must not have attained his/her twenty-sixth (26th) birthday.

Annually, on October 1, the District shall deposit to this fund an amount equal to the prior year's October 1 deposit (increased by the same percentage by which the Certificated Salary Schedule is increased in that fiscal year, as set forth in Section 7.1) less advance deposits, if any, as described in Section 9.8.7. This fund shall be used exclusively to reduce the contributions paid by eligible retirees participating in a district-sponsored Group Medical Plan by the amount established by Section 9.8.6. below and cover administrative expenses related to management of the fund as approved by the fund's Board of Trustees. (Note: The October 2014 deposit was \$838,904, which amount will remain unaltered until it is increased by the same percentage by which the Certificated Salary Schedule is increased during the life of this Agreement.)
- 9.8.3. An additional annual August 1st deposit, as specified in Section 11.13.2.4., shall be made into the Joint Employee Health and Welfare Benefits Trust (Plan A) Retiree Medical Fund.
- 9.8.4. A retiree who meets all of the following conditions will be eligible for this benefit.
 - 9.8.4.1. The employee had seventeen (17) years of service with the District (excluding unpaid leaves of absence) and is receiving a monthly retirement benefit from the Public Employees' Retirement System (PERS) or State Teachers' Retirement System (STRS).
 - 9.8.4.2. The employee's retirement effective date with PERS or STRS is on or after July 1, 1985.

- 9.8.4.3. The employee is within the age of eligibility as of the retirement effective date with PERS or STRS, except that retirees age sixty-five (65) and over whose retirement effective date with PERS or STRS occurred after June 30, 1996, shall be required to enroll in/purchase both Parts A and B of Medicare in order to continue in this program. (Note: As of July 1, 2010, the age of eligibility is under age sixty-seven [67].)
- 9.8.4.4. The employee was covered under a district-sponsored group medical plan as an employee immediately prior to the retirement effective date under PERS or STRS and has maintained continuous coverage under such plan since the retirement effective date.
- 9.8.4.5. The employee has chosen to maintain coverage under a district-sponsored group medical plan as a retiree by signing the appropriate form indicating willingness to make the appropriate contribution to the District.
- 9.8.5. Eligibility for this benefit shall cease at the end of the month in which the retiree dies or at an age, no lower than sixty-seven (67), as determined by the fund's Board of Trustees, whichever occurs first. The retiree may continue coverage in the district-sponsored medical plan beyond the age of eligibility by contributing the full cost of coverage to the District. All other provisions of the group medical plans shall remain in effect.
- 9.8.6. Annually a new reduction shall be established by dividing the total amount of money in the fund by the expected number of eligible retirees divided by twelve (12). Beginning March 1, 2015, the amount shall be three hundred forty dollars (\$340.00) monthly, unless otherwise agreed to by the Parties during the life of this Agreement.
- 9.8.7. If at any time the fund balance is not sufficient to provide for the monthly reduction established in Section 9.8.6., the District shall make advance deposit(s) as necessary to the fund to provide for the continuation of the established reduction through September 30 of the same year. If advance deposit(s) is (are) made, then on October 1 the District shall reduce the annual deposit by the amount of the advance deposit(s) made since the previous October 1.
- 9.8.8. Not less than once every three (3) years, the Trust shall commission an actuarial valuation of the fund to assess its fiscal soundness over a projected period of at least twenty (20) years into the future. The expense of the valuation shall be borne totally by the fund. A copy of the valuation study shall be provided to the Association and the District.
- 9.8.9. The District and the Association may independently review the provisions of the retiree medical benefits fund. Either Party may submit proposals recommending changes to procedures governing the fund to the Contract Administration Committee.
- 9.8.10. The Parties have established a Joint Employee Health and Welfare Benefits Trust (Plan A) Retiree Medical Fund which is administered by a board composed of equal numbers of trustees appointed by the District and the Association. The Trust's sole purpose shall be providing health benefit premium credits to eligible, retired unit members. The Board of Trustees shall be responsible for investing and administering the assets of the trust, for ensuring that such assets are properly safeguarded and used, and for administering the trust in accordance with all applicable federal and state laws and all collectively bargained provisions relating to retiree benefits.

Eligibility for this benefit shall cease at the end of the third month or when the unit member is recalled and becomes eligible for full paid healthcare benefits from the District, whichever comes first.

The Reduction in Force Health Benefits Plan is revocable and can be terminated upon mutual agreement as noted in the SDUSD and SDEA Joint Employee Welfare Benefits Trust document. In the event of termination, any and all monies remaining in the Plan after payment of all expenses and satisfaction of all liabilities to existing beneficiaries, shall be used for the continuance of one or more benefits of the type permitted by Section 501(c) (9) of the Code.

Section 9.10: FLEXIBLE SPENDING ACCOUNTS

The District shall implement Health and Dependent Care Flexible Spending Accounts (FSA's) in accordance with Section 125 of the Internal Revenue Code. Unit members eligible to avail themselves of this program are those unit members in paid status in monthly salaried positions of one-half (1/2) time or more and those in job share assignments.

The FSA Plan year shall be the calendar year. An annual election period shall be held during the month of November thereafter. The elective period for newly eligible unit members shall be the thirty-one (31) day period following the date they first become eligible. During each election period, eligible unit members shall make a written election to decline or to participate in this Program. Unit members who do not elect to participate when first eligible, will not have the opportunity to do so until the next annual election period.

During an election period, unit members who wish to participate shall designate the portion of their calendar year salary which they wish to have redirected to a Health and/or Dependent Care FSA (up to a maximum per plan year up to the limits allowable under the law). Such amount shall serve to reduce the unit member's salary on a pro rata basis each month except July and August.

An administrator mutually agreed upon by the parties shall administer the FSAs. In accordance with IRS regulations, any money remaining in a unit member's FSA ninety (90) days after the close of the plan year shall be forfeited and shall be used by the District to offset the administrative costs of the Program. The Association reserves the right to review annually district records pertaining to any savings/expenses related to this Program.

A unit member returning from a Family Care Leave shall be reinstated to the same position he/she held when the leave began on the same basis as if he/she had not been on a leave of absence. If the unit member's Family Care Leave was taken because of his/her own serious health condition, a certification from his/her health care provider may be required to indicate the unit member is able to resume work.

The District and the Association agree to review and monitor post and bid and excessing procedures as they are implemented, to respond to inquiries from the District or the Association, to determine the date and scope of any early spring (February, March, April) postings, and to make appropriate recommendations to the Contract Administration Committee.
- 12.2.13. Seniority After May Post And Bid. Transfers made after the May Post will continue to consider the educational needs of the District, and the qualifications and requests of the unit member. When all other things are equal, one (1) of the five (5) unit members with the greatest seniority, who requested the transfer and have been deemed qualified by the Human Resource Services Division, will receive the transfer, except that a unit member who is in excess at a site will be given priority consideration within the same school level (elementary, middle level, senior high).
- 12.2.14. Transfers Within Early Childhood Education Programs. Transfers within the Early Childhood Education Programs will be processed through the District office responsible for the program. A listing of vacancies will be posted in each Early Childhood Education Program site. Each posted vacancy will show location, current hours of assignment, student age level, particulars of assignment, unit member calendar, language, and other stated needs. When necessary, a second (2nd) post may be held in the fall.
- 12.2.15. Unit members assigned to an Early Childhood Education Program are also entitled to participate in regular post and bid procedures established in this Section.
- 12.2.16. Excessed unit members assigned to central office programs, or other assignments not associated with levels (elementary, middle, or senior high), who have priority consideration will be given priority consideration for available positions for which they hold a current and valid credential. (Note: this language is a result of the grievance G-10-035.)

- 12.4.3. Transfers to fill positions funded exclusively by the ROP program will be processed through the College, Career and Technical Education Department. Postings of known, funded vacancies in this program shall be distributed to all ROP unit members. ROP unit members who wish to transfer into such vacancies may file a request to transfer. The District may interview and will select from the five (5) ROP unit members who have the greatest number of years teaching in the District, have filed a request to transfer, and have been deemed qualified. A qualified ROP unit member is one who holds the appropriate credential for the position to be filled, whose most recent summary evaluation is effective and who meets the criteria specified in the postings.
- 12.4.4. ROP unit members will also be entitled to participate in regular post and bid procedures established in Section 12.2. Section 12.7: INVOLUNTARY TRANSFERS

- 12.7.1. Administrative. When the supervisor believes that the best interests of the District, the pupils, or the unit member will be served by an administrative transfer, he/she shall file with the appropriate division head a written request stating the reason(s) for such a transfer. Administrative transfers provide a process to address behavior/actions and their impacts that cannot be addressed through Article 14 – Evaluation or Article 33 – Letters of Reprimand and Suspensions.

The reason(s) for administrative transfer shall not be arbitrary or capricious. Administrative transfers cannot be based on a bargaining unit member's actions that are protected (e.g. Association meetings, representing SDEA members at conferences, working to rule, etc.) When a bargaining unit member's action is not protected, the site administrator is to determine if the action can be addressed through Article 14 – Evaluation or Article 33 – Letters of Reprimand and Suspensions. When the bargaining unit member's action is neither protected nor addressable through Article 14 or Article 33, the unit member will be entitled to the following elements of due process and the procedure outlined below will be followed.

The unit member will be entitled to the following elements of due process:

12.7.1.1. Due Process

- 12.7.1.1.1. Before the request for administrative transfer is acted upon, the supervisor shall advise the unit member through a personal interview and in writing that an administrative transfer is being recommended and the reasons therefor.
- 12.7.1.1.2. The appropriate division administrator(s) shall, upon request, meet with the unit member to discuss the proposed administrative transfer.
- 12.7.1.1.3. The appropriate division administrator(s) will determine whether the administrative transfer should be made.
- 12.7.1.1.4. Administrative transfers may be appealed through the grievance procedure.

12.7.1.2. Administrative Transfer Process

- 12.7.1.2.1. It is the site administrator's belief or discretion to consider recommending an administrative transfer. The behavior/actions that lead to the consideration of an administrative transfer must be based on the negative impact of the behavior/action and in the best interests of the District, school, pupils, and the unit member.
- 12.7.1.2.2. There must be a factual basis for the contemplated transfer. The site administrator's belief is to be based on negative impacts at the site that are supported with documentation (evidence).
- 12.7.1.2.3. Notice: If the site administrator believes there is evidence to support the possible administrative transfer, the site administration shall meet with the bargaining unit member to discuss the behavior/actions, its negative impact and the possible consequences of continuing the behavior. Specifically, the possibility of an administrative transfer must be discussed:
 - a. During this conference, the site administrator shall notify the bargaining unit member of expectation(s) for future behavior(s) and a time frame to meet those expectation(s).
 - b. In addition, as appropriate, the site administrator will inform the bargaining unit member of supports that will be provided to mitigate the behavior/action.
 - c. Throughout this process, the site administrator shall create a written record of the conferences and interventions with the bargaining unit member. The written record shall not be placed in the site or central office personnel files of the bargaining unit member. The unit member shall receive copies of all documentation and have the right to respond.
- 12.7.1.2.4. When the site administrator determines they will recommend an administrative transfer, the unit member shall receive notification as required in Section 12.7.1.1.
- 12.7.1.2.5. The division administrator makes final determination on the recommendation. If the recommendation is approved, the division administrator will notify the bargaining unit member in writing:
 - a. This notification shall occur at least three (3) workdays in advance of the transfer as required by Section 12.9.1.

12.7.2. Extended-Day Service. A unit member who is employed, transferred, or retained in a protected key position to provide extended-day service may be involuntarily transferred if he/she refuses to provide such service within five (5) years of such employment, transfer or retention. This Section does not apply to high school physical education teachers who may be administratively transferred under Section 12.7.1. unless there is a qualified and available teacher on site to fulfill the coaching responsibilities.

- 12.7.3. Reduction of Staff. Involuntary transfers to reduce staff may be made at the end of the school year based upon enrollment estimates and during the year based upon actual enrollments. The supervisor shall determine the level (TK-3, 4-6), the subject area, or program to be reduced. Elementary site administrators shall poll their staffs as to qualifications for an interest in changing levels.
- 12.7.3.1. Volunteers may be transferred to achieve the desired reduction. If no unit member volunteers for transfer, the unit member who has the least seniority at the level, in the subject area, or with the affected program shall be transferred. However, a unit member who has taught in the District for at least two (2) school years in a different subject or at a different level within the last nine (9) years or at least one (1) school year within the last five (5) years and is deemed qualified by the Human Resource Services Division may exercise seniority rights within that other subject, level, or program.
- 12.7.3.2. When October enrollment justifies, a unit member may be returned to his/her site with the agreement of the division head. A unit member involuntarily transferred after October 15 will not be transferred again during the same year for the same purpose.
- 12.7.3.3. Counselors who are deemed in excess shall be placed on an interview list and considered for vacant counseling positions during the next school year.
- 12.7.4. Indispensable Services. Unit members in key positions may be protected from involuntary transfer. Key positions are: (1) those positions where there is no available and qualified unit member on site to fill the position, or (2) one of the following positions:
- 12.7.4.1. Gifted teaching positions requiring special credentials or District Certification.
- 12.7.4.2. Special Education positions requiring Special Education credentials and Resource Specialists.
- 12.7.4.3. Elementary Library Media Teachers, Secondary Library Media Teachers, and Head Media Center Librarians.
- 12.7.4.4. Bilingual and English as a Second Language positions.
- 12.7.4.5. Continuation (Opportunity School) positions.
- 12.7.4.6. District Reading teachers.
- 12.7.4.7. Inschool Counselors and Senior School Psychologists.
- 12.7.4.8. Senior High positions involving extended-day pay.
- 12.7.4.9. Itinerant unit members and unit members budgeted to divisions other than Office of Instructional Support.
- 12.7.5. Class Reorganization. Unit members will not be reassigned due to declining enrollment after October 31, except in the case of severe declining enrollments caused by circumstances beyond the District's control.

Section 12.8: MISCELLANEOUS TRANSFER PROVISIONS

- 12.8.1. Return From Leave. Unit members returning from leave at the start of the school year shall notify the Human Resource Services Division, by March 15 of the preceding year. Failure to do so will deny the unit member any rights under the post and bid system.
- 12.8.2. Other Suitable Vacancies. If a unit member is transferred to a vacancy which does not materialize, he/she may, by mutual agreement with the site supervisor, be placed in another appropriate vacancy at the cost center. Absent mutual agreement, the unit member will be reassigned by the Human Resource Services Division.
- 12.8.3. Annual Transfer List. On or about February 15, the Human Resource Services Division shall provide the Association a list of unit members, showing previous location, new location, effective date of transfer and reason for

transfer. This list will cover transfers from the start of the second semester of the previous year to the start of the second semester of the current year.

Section 12.12: SCHOOL CLOSING

Unit members transferred as a result of a school closing shall be given priority consideration for available vacancies at other sites for which they are properly credentialed and qualified, except that such unit members shall have no priority consideration for positions at the school in the event it is reopened.

Section 12.13: SCHOOL GRADE-SPAN ORGANIZATIONAL CHANGE

Unit members in the school(s) affected may bid on vacancies for which they are qualified and shall receive priority consideration as defined in this Article.

Section 12.14: INITIAL STAFFING OF MAGNET SCHOOLS

Unit members in schools which are changing or adopting a magnet focus may:

- 12.14.1. Request a transfer to other schools in the District.
- 12.14.2. Elect to remain at the magnet site, which assumes acceptance of the magnet focus.
- 12.14.3. Be transferred under the provisions of Section 12.7.3., Reduction of Staff.

Section 12.15: MULTIPLE ASSIGNMENT POSITIONS

When multiple assignment positions are reduced in number or consolidated, the staffing shall be accomplished as follows:

- 12.15.1. The District shall identify and post all authorized multiple assignments as in Section 12.2.2.
- 12.15.2. Unit members affected by assignment consolidation shall:
 - 12.15.2.1. Request a transfer to other schools or multiple type assignments within the District, or

 - 12.15.2.3. Be transferred under the provisions of Section 12.7.3., Reduction of Staff.

Qualified unit members in the affected multiple assignments will receive priority consideration over districtwide applicants for the same positions. Unit members whose most recent assignment included all or part of the new multiple assignment shall receive priority consideration for placement within the new multiple assignment.

- 12.15.3. Small school sites within the same complex are not considered multiple assignment positions for the purposes of this section.
- 12.15.4. When two unit members bid upon a multiple assignment, part of which each has previously occupied during the most recent year, the unit member with the greater district seniority will be awarded the position.
- 12.15.5. If no unit member bidding on a new multiple assignment has a priority claim, district seniority will determine the awarding of the position.

Section 12.16: ITINERANT UNIT MEMBER PREFERENCES

- 12.16.1. The program manager/department head shall provide itinerant staff with information regarding itinerant assignment considerations which become available throughout the school year. Interested itinerant unit members may apply for such opportunities.
- 12.16.2. Annually by March 1, itinerant unit members shall express their preferences for work schedules within the department or division, including level, program, school(s) or special interests.

Assignments for the ensuing school year, contingent on student enrollment, and categorical/grant funding, will be made by the program manager/department head by the last workday of the Board-adopted traditional school calendar.

Section 12.17 SENIOR SPEECH-LANGUAGE PATHOLOGISTS AND SCHOOL PSYCHOLOGISTS

Senior Speech-Language Pathologist and Senior School Psychologist assignments shall be rotated every three (3) years among qualified candidates.

ARTICLE 13. CLASS SIZE

Section 13.1: CLASS SIZE REDUCTION GOALS

The Board of Education and the Association agree that reduction of class size is a primary continuing goal of the District within the constraints of: (1) financing available, (2) the need to meet all essential goals of school district operations, and (3) the relative priority of class size, salaries, hours, and other conditions of employment within the scope of representation. The Parties share a joint commitment to the goal of lowering class size throughout the District, at every level, and agree to work together whenever possible to identify and obtain sources of funding for such purposes.

Section 13.2: ELEMENTARY

13.2.1. Staffing of regular classes at each elementary school will be determined by the following formula:

TK - Grade 3 enrollments

$$24.00 = \text{Number of primary grade teachers (rounded to nearest tenth)}$$

Grade 4 - 6 enrollments

$$32.13 = \text{Number of upper grade teachers (rounded to nearest tenth)}$$

The sum of these two figures will be the number of teachers allocated to a school. When the sum is two-tenths (.2) or more above the whole number, another teacher may be allocated.

13.2.2. The District and the Association agree that this Article constitutes a “collectively bargained alternative class size enrollment for each school site” in grades TK through 3, inclusive, in accordance with Education Code 42238.02(d)(3)(B), effective July 1, 2014.

13.2.3. Effective July 1, 2015, for the TK through Grade 3 grade span, within seven (7) weeks from the start of the school year, average class size enrollment at each school site shall be no more than twenty-four (24). Enrollment changes occurring after the seventh week that may impact a school site average will be reviewed monthly and remedied.

13.2.4. The District and the Association acknowledge that as a condition of receiving the additional funding grant for TK-3 class size reduction under the Local Control Funding Formula (LCFF) the District is required to make defined progress toward maintaining an average class size enrollment of not more than twenty-four (24) pupils for each school site in TK/K and grades 1 through 3, inclusive, upon full implementation of LCFF (currently 2020). Through this agreement the District has committed, in Section 13.2.3, to an average class size enrollment at each school site of no more than twenty four (24) by the end of the seventh week of each school year. In the event the annual audit process or any other review process puts the District’s receipt of LCFF grade span adjustment funding at risk, the District and the Association intend to ensure the receipt of this funding through the application of Section 13.2.2 for that school year.

13.2.5. Commencing with the 2016-2017 school year, grades TK-6 classes shall not exceed thirty-five (35) pupils for more than thirty (30) calendar days.

Section 13.3: SECONDARY

13.3.1. In addition to certificated personnel assigned to secondary schools for counseling, supervision of students and student activities, special education, and atypical or exceptional circumstances, the basic allocation of certificated personnel units (CPU) for classroom instruction in comprehensive secondary schools shall be not less than:

Middle School or Junior High

Senior High

$$\frac{\text{Enrollment} + 2 \text{ CPU}}{28.73}$$

$$\frac{\text{Enrollment} + 2 \text{ CPU}}{29.13}$$

- 13.3.2. Individual teacher’s academic classes shall be no more than thirty-six (36) pupils each.
- 13.3.3. When safety or supervision is a problem, or class facilities necessitate, as determined by the District, the classes normally will average no more than thirty-two (32) pupils each. Classes in music, business education, and physical education may exceed the average size established for other classes.
- 13.3.4. Secondary schools having counselor(s) assigned to pupil supervision one (1) hour or more per day on a regular basis shall not count such time as part of the counseling time under the District’s formula for allocating counselors.
- 13.3.5. Following the second school month of the traditional school year, the Contract Administration Committee shall be provided with a monthly report of all academic classes exceeding forty (40) students. The purpose of receiving this data shall be to plan for future negotiations and, if possible, to develop recommended solutions to outstanding class size problems.
- 13.3.6. A unit member’s secondary physical education classes (excluding athletic periods) enrollment per period (i.e., total student enrollment/number of PE periods), over a ten (10) week period, shall average no more than fifty (50) pupils. Starting at the end of the first month of the school year, the Contract Administration Committee shall be provided with a monthly report of all secondary physical education teachers whose classes (excluding athletic periods) exceed the fifty (50) average. The purpose of receiving this data shall be to develop and implement solutions to outstanding class size problems.

For the 2015-2016 and 2016-2017 school years, elementary and middle school sites with an unduplicated count of ninety percent (90%) or higher, based on data from December of the previous school year, shall receive one (1) additional FTE to provide increased unit member staffing resources. (See Appendix M, which will be updated in December 2015.) These supports may include lowering class size at grades TK-8, or providing additional supports or enrichment services directly to students. School Site Governance Teams (SGT) shall determine how to allocate the additional staff. For the 2015-2016 school year, the SGT’s decision-making process shall be completed no later than June 15, 2015, and for the 2016-2017 school year, the SGT’s decision making process shall be completed no later than April 1, 2016.

ARTICLE 14. PERFORMANCE EVALUATION PROCEDURES

Section 14.1: PURPOSE

The purpose of the unit member performance evaluation process is to develop and maintain effective performance in all areas of responsibility in alignment with district goals.

Section 14.2: PERFORMANCE EVALUATION

14.2.1. Frequency. Evaluation and assessment of the performance of unit members will be made on a continuing basis, but at least once each school year for probationary unit members (including unit members serving on leave-replacement contracts and interns), and every other year for unit members in permanent status whose most recent performance evaluation has been effective.

A unit member may be evaluated up to every five (5) years under all of the following conditions:

- f. Either the unit member or the evaluator may withdraw consent at any time, but the stated reason or cause shall not be arbitrary or capricious.

Unit members participating in the alternative evaluation process described in Section 14.7. may deviate from this schedule and a unit member participating in the National Board Certification Program shall be exempted from routine performance evaluation procedures in Sections 14.1. through 14.6. during the period of time when he/she is involved in the certification process.

14.2.2. Designation of Evaluator. The supervisor of each unit member designated in the unit member's job description shall be the evaluator. The supervisor may delegate the evaluation to other credentialed supervisory personnel. Such delegation will be explained to the evaluatee. A special evaluation shall be conducted by the supervisor or it may be delegated at the supervisor's discretion and with the appropriate division head's approval.

Section 14.3: EVALUATION COMPONENTS

Evaluation components include evaluation elements, objectives, and responsibilities contained in the unit member's job description.

14.3.2. Objectives and Assessment Techniques.

14.3.2.1. Mutual Determinations. The evaluator and the evaluatee shall mutually determine the objectives, the assessment techniques to be used for evaluation and whether the evaluation is to be conducted under Sections 14.3.1.1. or 14.3.1.2. (Refer to Section 14.4. for Resolution of Disagreement in this area.)

14.3.2.2. Selection of Objectives. A minimum of three (3) objectives must be selected:

- a. Elementary. For elementary classroom unit members, selection of at least one (1) objective in an academic area (language arts, reading, or mathematics) and one (1) objective in another subject area is required. At least one of these two (2) objectives shall reflect district/site goals.
- b. Secondary. Secondary classroom unit members shall select at least one (1) objective which reflects district/site goals in a subject area within their major or minor teaching field or teaching assignment.
- c. Non-classroom unit members. Non-classroom unit members, focusing upon primary job responsibilities as contained in the job description, as well as specific school needs assessments, shall be required.

14.3.2.3. Scope of Objectives and Standards. Objectives and standards may be established for any area of position responsibility, evaluation elements, or other responsibilities and non-instructional duties as prescribed by the Board of Education in the job descriptions.

14.3.3. Performance Standards. While evaluation will concentrate upon selected areas for each individual, the unit member will be expected to maintain effective standards of performance in all areas of responsibility as identified in the unit member's job description.

Section 14.4: RESOLUTION OF DISAGREEMENT BETWEEN EVALUATOR AND EVALUATEE (For use in resolution of disputes in Sections 14.3.2.1., 14.3.2.5., 14.6.1.3., and 14.7.)

14.4.1. Third Party Recommendations. Should agreement not be achieved between the evaluator and the evaluatee as to the areas of evaluation, performance objectives and standards, evaluation elements, evaluation criteria, support

requirements, or ongoing plans for evaluating performance status, recommendations from a third party shall be solicited.

- 14.4.2. Third Party Selection. The evaluator and the evaluatee shall attempt to mutually agree upon the third party. Failing agreement, the matter shall be referred to the evaluator's supervisor who shall select an appropriate third party from any of the following categories of job classifications: teacher, specialist, consultant, coordinator, director, or assistant director, or other parties as agreed. If the dispute involves an evaluatee who is a Counselor, School Nurse, Speech-Language Pathologist, or School Psychologist, the third party shall be credentialed in the same area as the evaluatee. The third party shall make recommendations to the evaluatee and the evaluator.
- 14.4.3. Final Decision Responsibility. If the recommendations of the third party do not resolve the disagreement, the evaluator's supervisor shall make the final decision after considering the recommendations of the third party, and if requested, meeting with the evaluator and the evaluatee.

Section 14.5: CONSTRAINTS

- 14.5.1. A unit member shall not be evaluated based upon the use of publisher's norms established by standardized tests.
- 14.5.2. The goals, objectives, and standards for a particular unit member shall take into account the characteristics of students, class size, and availability of resources as established under district policies and procedures, the availability of equipment and materials identified by district standardized lists for the program being evaluated, and board-established goals, objectives, and standards.
- 14.5.3. Unit members shall not evaluate other unit members.
- 14.5.4. No mechanical or electronic recording device may be used to record conferences, classroom instruction or meetings involving unit members and their supervisors unless agreed to by all Parties. (See Appendix I)

Section 14.6: EVALUATION PROCESS/TIMELINES

14.6.1. Pre-evaluation

- 14.6.1.1. During the first four (4) weeks of pupil attendance, the evaluator shall hold a staff meeting to review the evaluation procedures, distribute and explain copies of all evaluation forms, make available the district manual of unit member job descriptions, and review the evaluation calendar for the year.
- 14.6.1.2. No later than thirty-five (35) calendar days from the beginning of the school year or the beginning of an assignment, each unit member scheduled for evaluation shall meet with the principal, or designee responsible for his/her evaluation.

During this meeting, mutual agreement shall be reached on the objectives and criteria upon which the unit member will be evaluated, and upon the assessment techniques which will be utilized to determine the degree of the unit member's achievement of objectives and criteria.

- 14.6.1.3. Within ten (10) workdays of this conference, the unit member shall prepare a written copy of objectives, criteria and assessment techniques determined (Parts A, B, and C of the evaluation worksheets) and submit them to the supervisor.

Within ten (10) workdays of receipt of the unit member's objectives, the supervisor shall approve or disapprove the objectives. If the objectives have not been approved, the supervisor will schedule a conference with the unit member. (Refer to Section 14.4. for resolution of disagreements in this area.)

- 14.6.1.4. At the request of a school nurse or district counselor, the evaluator will forward a copy of the evaluation and/or objectives to the appropriate department head/program manager.

14.6.2. Observation Procedures

- 14.6.2.1. Nothing precludes evaluators from carrying out their normal supervisory responsibilities by observing the evaluatee's total job performance at any time.

When classroom observations are being used as assessment techniques for a unit member whose performance is considered effective, the evaluator should notify the evaluatee when the observation is to be conducted, the method of observation, and who will do the observation.

14.6.2.2. The evaluatee shall provide the observer(s) with a brief outline of the lesson being observed and the assessment or observation method to be used to measure student achievement.

14.6.2.3. A written statement concerning each observation being used as an assessment technique will be prepared by the observer(s) within a reasonable period of time (approximately ten [10] workdays) and attached to the evaluation worksheet. A copy will be given to the evaluatee.

14.6.2.4. Upon receiving the observation statement from the evaluator, the unit member may attach a written response.

14.6.3. Progress Check and Remediation Plan

14.6.3.1. Whenever the evaluator determines that any aspect of an evaluatee's evaluation may be less than satisfactory, the evaluator shall schedule a conference to discuss the evaluatee's progress in achieving objectives and criteria. During this conference, the evaluator shall notify the evaluatee both in writing and verbally of the specific objectives and criteria where satisfactory progress is not being made.

14.6.3.2. Further, the evaluator shall develop a remediation plan which shall set forth:

- a. The specific areas where improved performance is necessary.
- b. The resources to be made available to assist the evaluatee which may include peer coaching, the assistance of a mentor teacher or released time to observe other unit members.
- c. The evaluator's role in assisting the evaluatee in achieving improved performance.
- d. A timeline for monitoring the evaluatee's performance.
- e. The evaluator will consult with the appropriate department head in the development of a progress check and remediation plan for itinerant nurses and district counselors.

14.6.3.3. This conference must take place sufficiently in advance of the final evaluation to afford the evaluatee the opportunity to improve, but in no event shall it take place less than fifty (50) work days prior to the date of the final evaluation. Failure to schedule this conference and to meet the provisions of this Section may preclude the evaluator from evaluating an evaluatee as less than satisfactory.

14.6.3.4. If an absence occurs during the remediation period, the evaluator may decide, or the evaluatee may request, that the remediation period should terminate or be postponed to a later date. The evaluator's decision on this matter shall be final and shall be communicated to the unit member in writing. If the remediation period is terminated, the period shall begin anew when the unit member returns to work, commencing on a date to be established by the evaluator. A unit member whose remediation period is rescheduled in this manner shall not have access to the post and bid process set forth in Section 12.2.

14.6.4. Final Evaluation

14.6.4.1. The evaluator and the evaluatee complete and sign Part D of the evaluation worksheet and performance evaluation addendum (if any). The evaluator prepares a draft copy of the summary evaluation report for discussion with the evaluatee according to the following schedule/ procedure:

- a. On or before the third Friday in February for second year probationary unit members.
- b. On or before the last workday in April for permanent unit members, first year probationary unit members, and leave replacements. This timeline may be extended up to May 15 for unit members assigned to year-round sites.

- 14.6.4.2. Not later than thirty (30) calendar days prior to the last school day of the school calendar, the evaluatee shall sign and be provided with a copy of his/her evaluation.

The evaluatee may, within thirty (30) calendar days, attach a written response to the evaluation which shall become a permanent part of the personnel file.

- 14.6.4.3. In the event an evaluatee has been evaluated as "Requires Improvement" or "Unsatisfactory" in any area of his/her evaluation; the evaluator may continue the evaluation process for the balance of the current school year. The evaluator may attach an addendum to the summary evaluation indicating the results of the continuing evaluation, as it relates to the areas identified as "Requires Improvement" or "Unsatisfactory." Should the performance fail to improve to "satisfactory", the evaluatee will be scheduled for a special evaluation during the next school year.

If the "Requires Improvement" or "Unsatisfactory" ratings are changed to "Satisfactory," a summary evaluation which reflects the improved performance will be prepared and signed by both Parties.

The evaluatee shall sign the addendum and may, within thirty (30) calendar days, attach a written response to the addendum which shall become a permanent part of the personnel file.

14.6.5. Final Responsibility for Evaluation

Final responsibility for evaluation judgments shall rest with the evaluator. Upon the request of the evaluatee, the evaluator's supervisor shall review the evaluation. The division head shall review all evaluations reflecting less-than-effective performance. Sign off for itinerant nurses and district counselors shall include the appropriate department head.

14.6.6. Grievability of Evaluations

The evaluation is subject to the grievance procedure to the extent that these guidelines and procedures have not been followed.

Section 14.7: ALTERNATIVE EVALUATION

- 14.7.1. Purpose. The alternative evaluation process encourages unit members to emphasize professional development and personal growth through the evaluation system. The process offers to unit members who have consistently demonstrated effective performance an alternative to the regular evaluation process. The process is flexible in order to encourage unit members to grow in self-chosen areas of interest that promote and relate to student learning and instructional leadership through individual or group efforts. The goals, objectives, projects and criteria established under the alternative assessment process serve as the certificated performance evaluation in lieu of the regular evaluation. The process is structured to strengthen collegial relationships and cooperation and to decrease isolation.

14.7.2. Evaluation Plan

- 14.7.2.1. Participation. Permanent unit members with a minimum of five (5) years of effective certificated experience in the District may, with mutual agreement of the supervisor, elect to participate in the alternative evaluation process.

- 14.7.2.2. Evaluation Plan. At a pre-evaluation conference held in compliance with the timelines established in Section 14.6.1., the evaluatee(s) and the evaluator shall meet, discuss and mutually agree upon the evaluation plan, including constraints. Evaluatees and evaluators are encouraged to be creative and take risks when developing options. The evaluatee(s) and the evaluator will schedule evaluation updates throughout the assessment period. The agreed-upon evaluation plan may transcend the traditional school year cycle and the final evaluation conference may be extended by mutual agreement.

- 14.7.2.3. Basic Requirements. While participating in the alternative evaluation process, evaluatees continue to maintain responsibility for performance of basic job description requirements and Education Code requirements relating to progress of pupils toward district standards, use of appropriate instructional techniques and strategies, adherence to curricular objectives, establishment and maintenance of a suitable learning environment and performance of non-instructional duties and responsibilities including

supervisory and advisory duties. Participation in this process assumes compliance with the requirements of the Education Code.

- 14.7.2.4. Final Evaluation. At the conclusion of the evaluation period, the evaluatee shall present to the evaluator the results of the agreed-upon evaluation plan. The evaluator shall review the results and complete a summary evaluation form for inclusion in the evaluatee's file.
- 14.7.2.5. Modification of Evaluation Plan. Upon mutual agreement between the evaluatee and the evaluator, the evaluation plan may be modified or the evaluatee may change to the regular evaluation process. In the event of a change to the regular evaluation process, appropriate timelines and objectives will be mutually established in accordance with appropriate sections of this Agreement.
- 14.7.2.6. Intent of Alternative Evaluation Sections. All sections of Article 14 apply to participants in the alternative evaluation process with the exception of Sections 14.3.2. and 14.6. Whenever the evaluator determines that any aspect of the evaluatee's evaluation may be less than satisfactory, the provisions of Section 14.6.1. and 14.6.3. will apply.

Section 14.8 NEW EVALUATION MODELS

The Association and the District share a mutual interest in improving the evaluation process to ensure the process is one that focuses primarily on growth and development. Both Parties recognize the difficulty and complexity of classroom teaching and non-classroom services. Both Parties recognize that a growth and development evaluation process entails a reflective, meaningful professional discourse that will lead to growth experience for all unit members. To this end, the Parties agree to the following:

14.8.1. Phase 1: Research and Development of a New Evaluation Model

- 14.8.1.1. The Parties shall convene two joint committees, each consisting of five (5) unit members appointed by the Association and five (5) administrators appointed by the District, with one joint committee dedicated to developing a new evaluation model for instructional personnel, and the other dedicated to developing a model for non-instructional personnel.
- 14.8.1.2. The joint committees shall meet at least monthly during the calendar year following ratification of this agreement, to research and review alternative methods of evaluation systems, and procedures and protocols designed to encourage positive educator growth. The committees will develop model evaluation and performance indicators during this calendar year based on the following standards: 1) engaging and supporting all students and learning, 2) creating and maintaining effective environments for student learning, 3) understanding and organizing subject matter for student learning, 4) planning instruction and designing learning experiences for all students, 5) assessing students for learning, and 6) developing as professional educators. The listing of these standards is not intended to promote a specific or existing evaluation model/tool, but is intended only to identify broad categories related to teaching and learning. The committees are expected to review multiple existing evaluation tools/matrices (e.g. based on California Standards for the Teaching Profession, the 5D model, Marzano, other successful evaluation models in other California school districts, etc.) and develop District-specific model evaluation and performance indicators.

14.8.2. Phase 2: Pilot Implementation at Selected Schools/Programs

- 14.8.2.1. The model evaluation and performance indicators developed by the committees will be implemented at pilot implementation schools/programs during the school year following the completion of Phase 1. The goal is for the committees to identify pilot schools/programs consisting of 25% of the District's elementary, middle and high schools, with representation across the District geographically and across low/middle/high school performance levels.
- 14.8.2.2. At the pilot schools/programs the model evaluation criteria and performance indicators will, as a pilot program, replace the Elements of Evaluation in Article 14.3 of the current agreement. All other elements of the evaluation process delineated in Articles 14.2 through 14.6 will remain in effect at the pilot schools.

- 14.8.2.3. Participation by individual unit members at the pilot schools/programs shall be voluntary.
- 14.8.2.4. Unit members who are not scheduled to be evaluated during the pilot year are eligible to participate in the pilot program.
- 14.8.2.5. Any evaluation documents related to a participating unit member shall not become a part of the unit member's personnel records unless requested by the unit member.
- 14.8.2.6. Unit members subject to Section 14.9 (Special Evaluation) in the Pilot Implementation year shall not be entitled to participate in the pilot program.

14.8.3. Phase 3: Recommendations to the Bargaining Parties

- 14.8.3.1. Based on the work of the joint committees, including but not limited to feedback received from participants in the pilot evaluation process at the pilot schools, on or before April 15 of the pilot implementation school year, each committee shall submit recommendations to the District and the Association regarding implementation of new evaluation systems/processes for instructional and non-instructional personnel, including any recommended amendments to Article 14 of the collective bargaining agreement. The committees shall convene at least once after the submission of recommendations, and prior to the end of the school year, to discuss potential new or modified recommendations based on feedback received after the initial submission of recommendations.
- 14.8.3.2. After receiving the initial recommendations the Parties shall meet and negotiate changes to Article 14 of the agreement, with the intent to negotiate any changes to Article 14 prior to the beginning of the school year.

Section 14.9: SPECIAL EVALUATIONS

- 14.9.1. Types of Special Evaluations. Special evaluations are conducted when a unit member's job performance is less than effective. Special evaluations are of two (2) types:
 - 14.9.1.1. Those that occur to follow up on a unit member previously designated as less than effective.
 - 14.9.1.2. Those that may occur at any time the supervisor determines that any aspect of the unit member's performance is less than effective. (See Section 14.9.7.)
- 14.9.2. Frequency. When a unit member has been evaluated as less than effective in one (1) year, the unit member shall be evaluated each year until the evaluation is effective or other appropriate action is taken.
- 14.9.3. Designation of Evaluator. The evaluation shall be conducted by the supervisor or it may be delegated at the supervisor's discretion and with the appropriate division head's approval.
- 14.9.4. Program of Improvement. If a unit member's evaluation contains a less-than-effective rating in the area of teaching methods or instruction, or control of classroom environment, the evaluator may require the evaluatee to participate in a program designed to improve appropriate areas of performance and to further pupil achievement and instructional objectives of the District.

Development of detailed lesson plans may be required as appropriate.
- 14.9.5. Counseling and Assistance. In consultation with the evaluatee and the appropriate district personnel, the evaluator will develop a written plan which includes:
 - 14.9.5.1. The specific areas identified where improved performance is necessary, limited to those areas marked less than effective on the previous year's evaluation.
 - 14.9.5.2. Resources to be made available to assist the evaluatee which may include peer coaching, the assistance of a consulting teacher per Article 18, released time to observe other unit members, printed materials, attendance at in-service training sessions, and/or central office assistance.
 - 14.9.5.3. A timeline for monitoring the evaluatee's performance.

14.9.5.4. The evaluator's role in assisting the evaluatee in achieving improved performance.

14.9.5.5. Constraints, if any, to be included on the Evaluation Worksheet.

14.9.5.6. Provide regular updates of the evaluatee's progress in achieving improved performance. These updates shall be provided in writing.

14.9.5.7. The evaluator will consult with the appropriate department head in the development of special evaluation objectives for itinerant nurses and district counselors.

14.9.6. Evaluation Process/Timelines. Timelines for a special evaluation of unit members whose performance has been evaluated as "less than effective" during the previous school year are:

14.9.6.1. Pre-evaluation Conference. During the first four (4) weeks of pupil attendance, the evaluator initiates a pre-evaluation conference with the evaluatee during which time mutual agreement shall be reached on the issues established in Section 14.9.5.

The evaluator informs the evaluatee of exact areas of performance which require improvement, and consults with the evaluatee regarding objectives, standards for effective performance, assessment techniques, timelines, support requirements and constraints to be included on the Evaluation Worksheet. If mutual agreement is not reached during the consultation process, the evaluator will establish the objectives, etc., and inform the evaluatee.

Objectives, standards, assessment techniques, support requirements and constraints shall be related to the areas marked less than effective on the previous year's evaluation. An evaluation worksheet should be completed (Parts A, B, and C) and signed within fifteen (15) calendar days after the conference.

14.9.6.2. Progress Check Conference. On or before the third Friday in December, the supervisor initiates a progress check conference with the teacher.

a. The supervisor:

- 1) Reviews unit member's performance.
- 2) Provides unit member with copy of mid-year evaluation report.
- 3) If progress has been satisfactory, terminates special evaluation. If desired improvement has not been achieved, continues the evaluation process until February 15 for probationary unit members or within thirty (30) calendar days before the last school day for permanent teachers.
- 4) If performance is not improved, may proceed with appropriate action as necessary.

14.9.6.3. Summary Evaluation Conference.

On or before February 15 for probationary unit members or within thirty (30) calendar days before the last school day for permanent unit members, evaluator initiates a summary evaluation conference with the unit member.

a. The evaluator:

- 1) Completes and signs part D of evaluation worksheets and retains for site records.
- 2) Prepares and signs summary evaluation report and addenda (see Article 18.5.7. and 18.5.8.). Unit member signs documents and is provided with a copy of the summary evaluation report and related materials. Unit member may, within thirty (30) calendar days, submit written comments which will be attached to the evaluation and become a permanent part of the evaluation document.

- 3) If performance is satisfactory, the evaluation is complete.
- 4) If performance continues to be less than effective, supervisor schedules a special evaluation for the next school year and/or proceeds with appropriate disciplinary action.
- 5) Forwards the summary evaluation report to the Department of Human Resource Services Division, Certificated, through divisional channels.

14.9.7. Expedited Special Evaluations. Expedited special evaluations may take place during a unit member's non-evaluation year whenever a demonstrable deficiency in a unit member's performance has occurred. The unit member must first be notified through a conference with written memorandum of summary (not placed in the Education Center personnel file if resolved) that such a deficiency has occurred, and that expedited special evaluation is possible if performance has not improved within a reasonable period of time. This conference and memorandum of summary is not required in cases of severe misconduct.

Expedited special evaluations will occur in accordance with the provisions of the required special evaluation process (Section 14.9.6.) and shall require a minimum timeframe of fifty (50) work days during which time a pre-evaluation conference, progress check and summary evaluation conference must occur.

14.9.8. Recognition. The District and the Association shall develop a form which may be used for recognizing the positive contributions which unit members make to the school site and/or the District. Site and district administrators may utilize this form to recognize such contributions. Copies of the completed form shall be distributed to the unit member and the unit member's district personnel file.

Section 14.10: PERSONNEL FILES

14.10.1. Request to Review. Materials in a unit member's personnel file maintained at the unit member's work location or in the Human Resource Services Division are to be made available for the unit member's review upon request, at a mutually agreed-upon non-instructional time.

14.10.2. Right of Representation. The unit member may be accompanied by a representative while reviewing the records, which will be done in the presence of the administrator responsible for safeguarding these files, if maintained at the work location, or a Human Resource Services Division administrator, if maintained at the Education Center. A representative of the unit member may, with written permission of the unit member, conduct a review of the personnel file.

14.10.3. Exclusions. The material which may be reviewed shall not include ratings, reports, or records which:

- 14.10.3.1. Were obtained prior to the unit member's employment, or
- 14.10.3.2. Were prepared by identifiable examination committee members, or
- 14.10.3.3. Were obtained in connection with a promotional examination.

Section 14.11: PLACEMENT OF DEROGATORY MATERIAL IN PERSONNEL FILES

14.11.1. Derogatory material shall not be entered in a unit member's site or district personnel file unless and until the unit member is notified and given an opportunity to review and comment thereon.

14.11.2. The unit member shall be given a copy of the material and shall acknowledge that he/she has read such material by signing and dating the original record. It is understood that his/her signature indicates only that the material has been read and does not necessarily indicate agreement with its contents.

14.11.3. The unit member's review of such derogatory material will take place during normal business hours, at a mutually agreed-upon time. The unit member shall be released from duty without loss of pay for this purpose, if necessary.

14.11.4. The unit member may, within a reasonable period of time, submit written comments which shall be attached to such material and become a permanent part of the document.

14.11.5. Performance evaluations or materials of a derogatory nature shall not be transmitted by electronic mail/internet.

Section 14.12: COMPLAINTS

Handling of complaints under this Section shall be limited to those which will become a matter of record and which may affect the evaluation of the unit member.

14.12.1. Definitions.

14.12.1.1. Formal Complaint. A written statement, signed and verified under penalty of perjury, by a complainant on forms provided by the District which alleges a specific violation, by a unit member, of a district policy, procedure or long standing practice, and which by virtue of such violation, has adversely affected the complainant and/or his/her family.

14.12.1.2. Informal Complaint. Any complaint which does not meet the definition of a formal complaint shall be considered an informal complaint.

14.12.1.3. Closed Session. A meeting of the Board of Education or a committee thereof, the Superintendent, and such other staff members as the Board may desire. Members of the public and the press who are not indispensable to determining the issues, finding facts, and reaching a conclusion on the matter shall be barred from attendance.

14.12.1.4. Response. A written statement signed by the unit member named in the complaint which answers the complaint. It may also contain counter allegations. It does not need to be verified under penalty of perjury.

14.12.1.5. Adverse Action. Any formal action which shall become a matter of record in the unit member's personnel file.

14.12.2. Initiation of Complaint. Complaints may be initiated at the site, District or Board level. Complaints received at the Board or District level will be forwarded to the appropriate District personnel for resolution at the lowest possible level. It is the intention of all Parties to resolve concerns at the lowest possible level. Complaints against unit members whether initiated at the site level or at the Education Center by a parent, another employee or a member of the community will be called promptly to the unit member's attention and the identity of the complainant will be made known to the unit member.

14.12.3. Informal Resolution. In an effort to resolve such complaints, the unit member's supervisor, upon receipt of a complaint under this Section, shall attempt to resolve the complaint utilizing the following progressive steps:

14.12.3.1. The immediate supervisor shall ask the complainant to contact the unit member involved and to attempt to resolve the problem directly with the unit member.

14.12.3.2. Failing resolution, if all Parties agree, the supervisor will schedule a meeting with the complainant and the unit member. The purpose of the meeting shall be to utilize problem-solving techniques in an effort to resolve the complaint. If all Parties do not agree, the supervisor may meet separately with the complainant and the unit member if mutually agreed in an attempt to resolve the complaint.

14.12.3.3. Should the preceding step fail to resolve the complaint, the complainant may contact the appropriate division head to request direct intervention.

14.12.3.4. Failing resolution in all of the steps above, the complainant may submit the complaint, on a form approved by the District and the Association, to the Board of Education or a committee thereof to request a formal hearing.

14.12.4. Appeal to the Board of Education. In the event that the steps set forth in Sections 14.12.1. through 14.12.3. have been implemented, and the complaint remains unresolved, the Board of Education may discuss the issue informally in closed session, requesting written summaries of the issues presented at the earlier levels. If after such informal discussions, adverse action against the unit member is contemplated, the Board of Education shall implement the formal hearing procedure set forth below.

14.12.4.1. Hearing and Hearing Procedures.

14.12.4.1.1. Timelines. The Board of Education shall schedule a hearing within thirty (30) workdays of the date when a signed appeal from the informal procedure is received in the Board of Education office. Upon mutual agreement, this thirty (30) day time limit may be extended.

14.12.4.1.2. Procedure. The complaint and the response shall be presented in closed session to the Board of Education or a committee thereof, in the presence of the complainant and the respondent.

14.12.4.1.3. Representation.

a) The complainant may be accompanied by his/her attorney or a representative of his/her choice.

b) The unit member shall be entitled to representation by a representative of his/her choice, and, if appropriate as determined by the District, may be represented by the General Counsel.

14.12.4.1.4. Hearing Procedure. The hearing shall be solely on the issue raised by the complaint and the response. Complainant and the unit member may call witnesses to testify about the allegations made in the complaint or response, and may make whatever statements pertaining to the complaint which either deems desirable. Witnesses shall be sequestered at the request of either Party.

14.12.4.1.5. Conduct of Hearing. The presiding officer shall determine the manner in which the hearing is to be conducted, setting aside an appropriate amount of time for each side to present its case, and may limit the number of witnesses and other participants in the hearing. The complainant shall present first, and the unit member will respond. It is understood that the burden of proof is on the complainant.

14.12.4.1.6. Record of Hearing. The hearing shall be considered a confidential personnel matter. If the presiding officer determines that a court reporter is necessary to record verbatim the entire hearing, it shall be at district expense.

14.12.4.1.7. Conclusion. Within a reasonable period of time after the hearing, the Board of Education will notify the complainant and the unit member of its decision.

14.12.5. The application of any provision of this section which would conflict with state or federal law is subject to Article 34.2.

ARTICLE 15. GRIEVANCE PROCEDURE

Section 15.1: STATEMENT OF INTENT

It is the intention of both the District and the Association to develop a process that results in the resolution of grievances which arise from the collective bargaining agreement at the level within the system where the issue originates. Both Parties endorse and encourage frank and open discussion of grievances and the use of a variety of nonadversarial problem-solving techniques including mediation, interest-based exploration of interests and options for solution, and other means as appropriate.

Section 15.2: DEFINITIONS:

- 15.2.1. A "grievance" is a claim by one or more specifically named bargaining unit members or by the Association that there has been a violation, misinterpretation, or misapplication of a specific provision of this Agreement which personally and adversely affects the grievant(s).
- 15.2.2. A "group grievance" may be filed when there are mutually-agreed common questions of fact pertaining to each grievant.
- 15.2.3. A "grievant" is a unit member, a group of unit members, or the Association.

Section 15.3: STEP ONE - INFORMAL RESOLUTION - IMMEDIATE SUPERVISOR

A unit member and his/her immediate supervisor, or other district administrator if appropriate, shall attempt to resolve differences or dissatisfactions in a collaborative and problem solving mode, as soon as possible, but such resolutions must be in accordance with the provisions of this Agreement. Upon mutual agreement, either party may bring an additional participant to the Step One meeting.

Section 15.4: STEP TWO - FORMAL - IMMEDIATE SUPERVISOR

- 15.4.1. If a satisfactory resolution of the problem is not reached through the informal discussion process, the grievant shall have the right to file a grievance with his/her supervisor or other appropriate district administrator. The grievance shall be filed within fifteen (15) workdays, from the date the grievant learned of, or reasonably should have known of, the act or omission giving rise to the grievance.
- 15.4.2. The grievance shall be filed on a form jointly developed by the District and the Association and made available by the Association or the Labor Relations Division.

The grievance shall contain a clear and concise statement of the act or omission giving rise to the grievance including the name of any involved employee, date(s), time(s) and place(s) involved in the alleged grievance. It shall also specify the section(s) of the contract which are alleged to have been violated, the specific remedy sought by the grievant, and the reason why the immediate supervisor's (or other district administrator's) proposed resolution, if any, is unacceptable.

- 15.4.3. Upon receipt of the written grievance, the administrator shall schedule a meeting to discuss the grievance. The meeting shall be conducted within ten (10) workdays from the date when the grievance is received by the administrator. The purpose of this meeting shall be to attempt to resolve, in a collaborative manner, the issues raised in the grievance.

If a resolution is not reached at the meeting, the administrator shall issue a written response within ten (10) workdays of this meeting.

Section 15.5: STEP THREE - FORMAL - DISTRICT LEVEL

- 15.5.1. The grievant may appeal the decision rendered by the supervisor or other district administrator by filing the grievance form with the Labor Relations Division or designee within ten (10) workdays after receiving the Step Two decision. Information copies shall be sent to the grievant's supervisor or other appropriate district administrator and the Association. Relevant information obtained during Step Two may be asserted.

- 15.5.3. A conference shall be scheduled and conducted within twenty (20) workdays by the appropriate administrator in the Labor Relations Division or designee after receipt of the grievance. All Parties may be represented at the conference.
- 15.5.4. Within ten (10) workdays after the conference with the grievant, the appropriate administrator in the Labor Relations Division or designee shall render a proposed written decision, copies of which shall be sent to the grievant's immediate supervisor and the Association.

Section 15.6: STEP FOUR - ARBITRATION

- 15.6.1. If a grievance is not resolved at Step Three, the Association may request a hearing before an arbitrator. The request shall be filed in the Labor Relations Division or designee within fifteen (15) workdays after the written decision of the division representative becomes effective.
- 15.6.2. Within five (5) workdays after receipt of a request for arbitration, the Labor Relations Division or designee and the Association agree to meet and review the pending arbitration case. If no agreement is reached, the Labor Relations Division or designee shall request the State Mediation and Conciliation Service to supply a list of seven (7) arbitrators. If no agreement is reached, the cost of any filing fees shall be split evenly between the Parties. The arbitrator shall be chosen by allowing each Party, in turn, to strike out one (1) name until only one (1) name remains. The determination of the Party to strike first shall alternate between the Association and the District.
- 15.6.3. The cost of arbitration shall be borne as follows:
 - 15.6.3.1. The District and the Association shall share equally in the payment for the services and expenses of the arbitrator.

- 15.6.4. Powers and limitations of the arbitrator shall be as follows:
 - 15.6.4.1. The function of the arbitrator shall be:
 - a. To hold a hearing concerning the grievance, and
 - b. To render a binding decision within thirty (30) calendar days of the hearing or receipt of closing briefs (if any).
 - 15.6.4.2. The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement but shall determine only whether or not there has been a violation, misinterpretation, or misapplication of this Agreement as alleged by the grievant or grievants.
 - 15.6.4.3. The arbitrator shall determine disputed interpretation of terms actually found in the Agreement or determine disputed facts upon which the application of the Agreement depends. The arbitrator may not decide any issue not submitted and may not interpret or apply the Agreement so as to change what can fairly be said to have been the intent of the Parties as determined by generally accepted rules of contract construction. The arbitrator shall not render any decision or award merely because in the arbitrator's opinion such decision or award is fair and equitable.
 - 15.6.4.4. The decision of the arbitrator shall be based solely upon the evidence and arguments presented by the Parties in the presence of each other and upon arguments presented in briefs.
 - 15.6.4.5. No decision rendered by the arbitrator shall be retroactive beyond the beginning of the last payroll period prior to the fifteen (15) workday period for filing a grievance specified in Step One of this grievance procedure. The arbitrator shall have no power to render an award in any grievance during any period of

time in which the Association or its members (when encouraged, supported, or sanctioned in any way by the Association) are involved in unprotected concerted activities or a strike.

Section 15.7: STEP FIVE - APPEAL

The decision of the arbitrator is not appealable by either Party except as provided in this Section and, unless so appealed, shall be the full, complete and final resolution of the grievance and implemented in accordance with its terms.

Either the Association or the District may appeal the arbitrator's decision to a court of competent jurisdiction within twenty (20) workdays of such decision on either or both of the following grounds, which the Parties intend to include within their interpretation and understanding of Code of Civil Procedure Sections 1286.6 and 1286.4, respectively:

- 15.7.1. Where another remedy has been provided by law which leads to a different result than that reached by the arbitrator, and in which event shall be deemed that the arbitrator exceeded his/her powers under this Agreement.
- 15.7.2. Where the arbitrator's decision is contrary to any of the provisions of Section 15.6.4, it shall be deemed to be arbitrator misconduct and/or that the arbitrator has exceeded his/her powers under this Agreement.
- 15.7.3. In addition to Sections 15.7.1 and 15.7.2, any award made by an arbitrator may be corrected or enforced pursuant to Code of Civil Procedure Section 1285 et seq., except that, where a shorter time is specified in this Agreement to commence a court proceeding than is given under the Code of Civil Procedure, the shorter time of this Agreement shall control.

Failure of either Party to commence a court action within the period indicated herein, shall constitute a waiver of the right to appeal and the decision of the arbitrator shall become final and non-appealable.

Section 15.8: GENERAL PROVISIONS

CONDITIONS OF EMPLOYMENT**

- 17.1.1. Qualified unit members who work a basic ten (10) month work year and who wish to work in the District's summer school and intersession programs may apply under the provisions of procedures administered by the Human Resource Services Division. These procedures will ensure that unit members have the opportunity to apply for each intersession.
- 17.1.2. Qualified unit members currently employed by the District shall be given preference over applicants not employed by the District. Qualified permanent unit members shall be given preference over probationary unit members.
- 17.1.3. A qualified unit member is one who is properly credentialed for the position to be filled, whose most recent evaluation in the subject field(s) or grade level(s) to be taught was "effective" in all elements.

- 19.1.3.3. In the event that the Board of Education makes an error with respect to the application of these procedures and criteria to an individual unit member, that unit member shall be retained and made whole. Such retention shall have no effect on the layoff of other unit members.
- 19.1.3.4. Ties in seniority shall be broken by lot. Unit members with the same initial date of service shall have their seniority number determined by lot. The lottery shall be conducted in the presence of at least two (2) association representatives. Once the lottery is used to determine a unit member's seniority, that seniority number shall remain in effect for the unit member so long as this member remains employed by the District.
- 19.1.4. Notice of Layoff. Probationary unit members to be laid off for lack of funds shall be given written notice of layoff no later than April 15. The notice shall be deemed complete when the unit member is personally served or when the notice is deposited in the United States mail, certified, return receipt requested, postage prepaid, addressed to the unit member at the unit member's last known address on file with the District.

Section 19.2: DETERMINATION OF NEED FOR LAYOFFS

- 19.2.2. The impact and effect of proposed layoffs shall be subject to negotiations between the Association and the District. Accordingly, the District agrees to notify the Association as soon as possible of the number and type of layoffs to be proposed. Immediately upon such notification, the Parties shall meet and negotiate, through the provisions of Article 25, Contract Administration Committee, the impact and effect of such layoffs. The unit member shall have fourteen (14) calendar days from receipt of the notice to respond to the offer of reemployment. If the notice of offer of reemployment is undeliverable or is not accepted by the unit member, the unit member's name shall be removed from the reemployment list and the unit member shall be deemed to have resigned from the District. Upon acceptance of reemployment, the unit member shall have fourteen (14) calendar days to report unless the District agrees to an extension of the reporting date.
- 19.3.3. A unit member reemployed from the reemployment list shall be placed in the status which he/she held at the time of layoff. Time spent on the reemployment list shall not be counted toward eligibility for permanent status or for longevity for salary purposes. For all other purposes, time spent on the reemployment list shall be counted in the same manner as an official unpaid leave.
- 19.3.4. Every such unit member who has been reemployed as indicated in this Section shall have all of the rights enumerated in Education Code Sections 44955 to 44961, inclusive, for permanent unit members, except the right of reappointment, subject only to the prior rights of permanent unit members.

An academic degree and units from a foreign college or university will be credited if the registrar of a regularly accredited institution of higher education certifies that the degree or unit in question is equivalent to an earned academic degree or unit granted by the accredited institution.

Accredited institution of higher education means an institution of higher education in the United States, fully accredited by a United States regional accrediting association which awards accreditation to institutions of higher education for training in specified professions.

2.01 DEFINITION OF COLUMNS

To be creditable, course work must be completed after the date of the bachelor's degree except as noted in Section 2.025.

Column 010	Bachelor's degree.
Column 011	Master's degree or 36 semester units of creditable upper division or graduate work.

2.026 CREDENTIAL COURSE WORK COMPLETED CONCURRENTLY WITH BACHELOR'S DEGREE

Units taken toward earning a credential taken concurrently with the bachelor's degree coursework will be credited in the same manner as other units taken after the bachelor's degree provided the college granting the bachelor's degree certifies which courses were taken in the college approved credential program.

2.027 ADVANCED DEGREES

Advanced degrees in the field of education or in a field reasonably related to the unit member's current assignment will be credited for column advancement or placement. Other advanced degrees and the individual courses leading to those advanced degrees will be credited only in accordance with Section 2.03.

2.028 REPEATED COURSE

Credit may be allowed for a repeated course provided at least five years have elapsed between completion dates of the two courses. Courses are not considered duplicate courses if they are taken at different institutions under different instructors even though the course titles may be similar.

2.029 NATIONAL BOARD FOR PROFESSIONAL TEACHING STANDARDS (NBPTS)

Teachers who complete both the portfolio and the exams will receive four (4) units of credit in the year following completion. Verification will include a copy of the letter indicating that the portfolio has been received by the NBPTS and verification of the completion of the exams. Upon completion of an individual activity, Verification of Completion forms and any additional verification materials described above must be submitted for evaluation by the Human Resources administrator responsible for the program. - A. The employment is directly related to the unit member's current district assignment, or
- B. The nature of the work can be expected to provide a substantial increase in the unit member's skill, knowledge, or understanding of the district assignment, and
- C. The work does not include summer school, intersession, or other teaching service.

Necessary application forms are available in the Human Resource Services Division and must be filed by June 30 of the calendar year following summer work experience. The number of creditable units will be determined by the Certificated Salary Evaluating Committee.

If the transcript is filed after November 15, the unit member will advance to the higher column effective the first of the month following receipt of the transcript.

B. Eligible unit members will advance to a higher column effective on the first day of February provided that the minimum number of qualifying units or the advanced degree is posted on an official transcript as having been completed by January 31 of the current school year and a copy of said transcript is filed with the district on or before March 15. If the transcript is filed after March 15, the unit member will advance to the higher column effective the first of the month following receipt of the transcript.

C. For purposes of column advancement the total number of creditable units will be converted to semester units and rounded to the next larger whole number when the fraction is $\frac{1}{2}$ or larger (i.e., $35 \frac{1}{2}$ semester units will be counted as 36 semester units).

2.052 If the transcript is received after June 30 of the current school year the salary column adjustment will be effective the first day of contract service in the following school year.

2.053 Degrees are earned on the date conferred as posted on the official transcript or on the date the registrar certifies without qualification that all courses and other degree requirements were completed.

3.00 INITIAL STEP PLACEMENT

3.02 DISTRICT TEACHING OR CERTIFICATED EXPERIENCE

District teaching or certificated experience prior to employment by contract and completed the end of the prior school year is creditable except summer school and intersession teaching. Twenty full days of substitute teaching is equivalent to one month of service; ninety hours of hourly district teaching experience is equivalent to one month of service. Substitute teaching days worked during the first fiscal year of contract service are not creditable for initial step placement but shall be applied toward credit for salary advancement in the following fiscal year. A maximum of 10 months of district experience will be credited within any 12 month period. Unit members who have creditable service with the district and are reemployed will receive full credit for creditable experience outside the district up to the maximum allowable. This will be in addition to credit received for creditable prior service with the district.

3.03 NON-TEACHING EXPERIENCE

Audiologists, Counselors, Library Media Teachers, and School Nurses: new unit members assigned to one of these job classes will be credited for public or recognized private school experience in these fields in the same manner as that for crediting teaching experience as described in Section 3.01. Management experience outside the district is creditable if the position required a credential.

Unit members assigned to one of the job classes listed in the previous paragraph will receive experience credit for previous full-time or full-time equivalent employment as a licensed or certified professional up to the maximum step of the Salary Schedule. Self-employment experience in a private practice is not creditable. Specific non-school experience for Counselors, Library Media Teachers, and School Nurses may be credited as defined below:

3.031 Counselors

Employment as a licensed social worker or counselor in settings which include, but are not limited to: community and public mental health agencies, rehabilitation/recovery centers, hospitals, and social service agencies. Settings which are excluded include, but are not limited to: licensed Marriage, Family and Child Counselor.

3.032 Library Media Teachers

Employment as a Library Media Teacher with appropriate credentials in library settings which include, but are not limited to: public, college/university, private industry, and foundations. Appropriate credentials are either a Master's of Library Science (MLS) degree or a Library Media Teacher credential.

3.033 School Nurses

Employment as a Registered Nurse in settings which include, but are not limited to: community/public health agencies, pediatrics, general nursing, nurse practitioner, geriatric/convalescent, home health care, emergency room, industrial nursing, intensive care unit, licensed vocational nursing, private duty nursing, psychiatric, and supervisory/management nursing positions.

3.04 TOTAL EXPERIENCE CREDIT

Experience credit is allowed only in original placement on the salary schedule. All creditable experience must be verified by official documents or statements from employers or other disinterested persons before advanced step placement will be made. A maximum of ten months of experience will be credited within

any 12 month period. In evaluating experience credit, partial years will be added together and the total will determine the step placement. Break points for determining step placement are:

Step	Months of Experience	Step	Months of Experience
1	0 - 7.3	13	117.4 - 127.3

4.00 RULES AND REGULATIONS FOR THE ADMINISTRATION OF THE SALARY SCHEDULE

4.01 PAY DETERMINATION FOR A PARTIAL YEAR OF SERVICE -- When a unit member works less than a full work year (July 1 – June 30) the annual salary must be reduced in accordance with existing law. The annual salary for a partial work year will bear the same ratio to the regular annual salary as the actual days worked bear to the total number of days in the board-adopted calendar for the unit member's assignment (e.g. traditional, year-round, multitrack, etc.).

4.02 STEP ADVANCEMENT

4.021 Step advancements are effective on the beginning date of contract service in the school year immediately following the school year in which the qualifying service was rendered. A unit member who is in contract paid status for 75% or more of the number of days in the base certificated work year, regardless of the percentage assignment, will advance one step for each year of creditable district service until the maximum step of the column has been reached. Summer school and intersession service and any other service rendered outside the regular board-adopted calendar will not count for step advancement.

4.022 A unit member who has reached the maximum step of a column and qualifies to advance to a higher column shall receive full experience credit on the new column for prior years of creditable contract service.

4.023 The 75% requirement in section 4.021 above shall apply to any increases or decreases to the base certificated work year which may occur due to state law or Board action.

4.024 Part time unit members who work less than 138 days in one (1) school year, but work a total of 138 or more days in two (2) consecutive school years can accumulate days worked from both years in order to qualify for step advancement. Days worked in the final year of accumulation cannot be combined with days worked in future years for step advancement.

4.03 LEAVES OF ABSENCE THAT QUALIFY FOR STEP ADVANCEMENT

4.031 MILITARY, EXCHANGE, AND SABBATICAL

A unit member who is approved for military, exchange, or sabbatical leave will earn the same step advancement credit as if in regular certificated service.

4.032 CONSULTANT

Step advancement credit will be earned during leaves of absence when a certificated unit member serves as a consultant or in any professional capacity with a government agency upon determination by the chief human resources officer, Human Resource Services that the service provides a direct benefit to the district.

4.033 PROFESSIONAL STUDY

A unit member who is approved for professional study leave will earn one step advancement upon completion of a full-time college program (24 upper division or graduate semester units). One semester of college work (12 upper division or graduate semester units) and one semester of district service, half time or more, during the same school year will qualify for one step advancement. Up to two years of step advancement credit will be earned when an Ed.D. or Ph.D. degree is awarded to the unit member on leave.

4.04 DESIGNATED SUBJECTS CREDENTIAL UNIT MEMBERS

4.041 STEP PLACEMENT AND ADVANCEMENT

Recognition of three years of occupational experience (exclusive of apprenticeship) qualifies for placement on Step 4. Additional teaching experience will be credited for step advancement in the same manner that such experience is credited for unit members on the regular Salary Schedule.

4.042 COLUMN PLACEMENT AND ADVANCEMENT

Unit members without a bachelor's degree will be placed on Column 010. Unit members with a bachelor's degree will be placed and advanced on Columns 010 through 014 after meeting the same training qualifications required of unit members on the regular Salary Schedule.

5.00 CERTIFICATED SALARY EVALUATING COMMITTEE

This committee is comprised of an equal number of unit members and district management employees and is chaired by a representative of the Human Resource Services Division. The purpose of the committee is to evaluate course work that is not creditable under regular salary rules.

Completed applications for course work review must be received in the Human Resource Services Division by June 30 of the current school year to be considered by the committee for column placement or advancement in the current school year.

6.00 PAYMENT OF SALARIES

6.01 METHOD OF PAYMENT

The amounts shown on this salary schedule are annual salaries for 10-month and year-round assignments which require the full number of scheduled workdays in the board-adopted calendar. If a unit member works fewer than the full number of scheduled workdays because of late start, unpaid leave, resignation, etc. earnings will be prorated based on the number of days worked.

For unit members in 10-month assignments paydays normally will be the last day of the month when the central administrative offices of the district are open for business, September through June. For unit members in year-round assignments or elect to be paid twelve equal salary checks, paydays normally will be the last day of the month when the central administrative offices of the district are open for business, July through June.

6.02 OVERPAYMENTS AND UNDERPAYMENTS

Each employee is encouraged to review the annual salary placement and to examine all pay warrants carefully. If an incorrect salary placement has been made or an individual pay warrant is in error, this information must be brought to the attention of the district immediately. Overpayments and underpayments are not subject to the accumulation of earned interest. If an incorrect salary placement or warrant results in an underpayment the district will issue a supplementary warrant for the total amount due as soon as possible. If the incorrect placement or warrant results in an overpayment, the district is required to recover the total amount overpaid. The recovery schedule will include consideration to both the district and the unit member.

7.00 COMPENSATION FOR NONCONTRACT SERVICE

7.01 Hourly Service

7.011 Nonclassroom Assignment

\$34.39 per hour *

This rate applies to a regular contract unit member who is offered and who agrees to serve in an hourly nonclassroom assignment in addition to the regular contract assignment. Nonclassroom hourly assignments include, but are not limited to: library service, counseling service, materials development, curriculum writing, community relations activities, assistance to school administrators, and all other nonclassroom certificated hourly service except workshop participation. Only unit members specifically approved for compensation will be paid.

7.012 Workshop Participants

\$22.93 per hour *

This rate applies to a regular contract unit member who participates voluntarily in a district-sponsored workshop for which compensation is authorized. This rate will be paid only for workshop participation on other than teaching days and/or outside of hours considered part of the regular contract service (the basic 8-hour day and/or 40-hour week). Only workshop participants specifically approved for compensation will be paid.

7.013 Additional Hourly Classroom Assignment

\$45.38 per hour *

Unit members who are offered and agree to work an additional classroom hourly assignment in addition to the regular contract assignment will be paid on a prorata basis rounded to the nearest quarter hour, either the amount currently paid for certificated hourly classroom assignments as shown above or their current prorata rate, including any special compensation, whichever is greater. Prorata rate is the quotient resulting from dividing the unit member's annual salary rate, including any special compensation, by the number of days in the contract year, divided by 8. (Additional hourly classroom assignments may require a waiver. See Section 24.3.)

7.014 Adult Education Hourly Assignment

\$29.21 per hour *

This rate applies to teachers teaching and counselors counseling in District-sponsored adult education classes on an hourly basis.

- 7.015 Workshop Presenter
- \$50.96 per hour *
- This rate applies to certificated staff teaching on an hourly basis in District-sponsored in-service education classes designed primarily for certificated members.
- 7.016 Tutoring Hourly Assignment
- \$34.39 per hour *
- This rate applies to certificated employees providing intermittent supplemental certificated level tutorial services for designated pupils.
- 7.02 Extended-Day Service
- Extended-day payments are payments made to unit members who are assigned to supervise or direct pupil activities involving hours of service and responsibility beyond the normal range of regular contract assignments.
- Extended-day payment units are units of value for each extended-day assignment approved by the Board of Education. The value of each unit is established as 1.4% of the annual salary amount designated for salary class 012-13 of the Salary Schedule. The annual value of one extended day unit is:
- \$1046.75
- The types of pupil activities for which extended-day payments are authorized and the number of units assigned to each activity are contained in Procedures No. 7232 and 7233, respectively.
- 7.03 Extended Work Year Service
- 7.031 Regular contract unit members on the basic board-adopted calendar who are also assigned to work during the Spring or Winter vacation periods or intersession periods during the time between the last day of contract service in one school year and the first day of contract service in the following year will be compensated prorata of their annual contract rate if the unit member's division head certifies that the duties and responsibilities are a continuation of the unit member's regular contract assignment and are essentially the same as those in effect during the regular work year.
- Except for summer school session rates, the daily rate for extended work year service as defined above will be the unit member's regular contract salary including special compensation, if any, divided by the number of workdays in the board-adopted calendar. For assignments of less than eight hours per day, the hourly rate will be the daily rate divided by eight.
- 7.032 Mandated or Required Noncontract Service
- These are days of service for regular contract unit members in addition to the basic contract service days in the board-adopted calendar and specifically directed by the Board of Education. A mandated day of service is one arising out of a federal or state law, regulation, or court order. A required day of service is one directed by the Board of Education for meeting a district operational need, and will not exceed five days in any school year. All mandated and required service days are paid on a prorata basis. These additional days shall occur within the first week after the conclusion of the basic contract year or the week prior to the reporting date for unit members to begin a new basic contract year except that if the additional day is mandated or required within the basic contract year, the requirement may be met on a weekend, excluding Winter and Spring vacation periods, provided it does not interrupt a weekend of three or more days.

7.033 Temporary and Continuing Assignments

Section 7.033 applies only to extended work year service as contained in this section and does not apply to nonclassroom assignments (Section 7.011), workshop participants (Section 7.012), extended-day service (Section 7.02), or rates contained in other sections of this contract.

- A. All regular contract unit members will be assigned to a basic board-adopted contract year assignment and paid on the basis of prorata pay for days worked in addition to the basic contract calendar when the work consists of the same set of responsibilities as were performed in the basic contract year. Unit members assigned to a site or program on a traditional schedule with a work year less than two hundred and eight (208) days (or two hundred and three [203] days during a furlough year) will be paid their annual salary in ten (10) equal monthly payments unless the unit member voluntarily elects to accept twelfthly checks subject to terms mutually accepted by the Association and the District. Except as otherwise provided by law and contract provisions, annual salary will be reduced on a prorata basis for unit members assigned to the basic contract year but who work less than the required number of days in the adopted calendar (July 1 – June 30).
- B. A regular contract unit member assigned additional days of work beyond the basic contract year shall be categorized in one of two types of assignments -- temporary or continuing.
 1. A temporary assignment is one existing for a limited and time-certain period of time as determined by the division or department concerned.
 2. A continuing assignment is one which is reasonably expected to continue as long as the job performance meets district standards but is subject to a reduction in or limitation of such additional days for any of the following reasons as determined by the Board of Education: loss or reduction of funding or enrollment, budget priority decisions, program or district reorganization, conclusion of a rotational assignment, or other decisions involving educational objectives, all of which reasons shall be as determined solely by the Board of Education. The Association shall have the right, upon request, to consult with the district regarding such decisions insofar as these decisions affect educational objectives.
- C. A regular contract unit member temporarily assigned to workdays in addition to the basic contract year and who performs the same set of responsibilities as were performed in the basic contract year in accordance with Section 7.031 will be paid for the extended work year service on a prorata daily or hourly basis, as appropriate, as described in Section 7.031. Salaries for such additional days worked in a temporary assignment in addition to the regular basic contract year are not subject to State Teachers' Retirement System (STRS) contributions by the unit member and the district.
- D. A regular contract unit member serving in a continuing assignment of additional days beyond the basic contract year shall be deemed to be continuing in this assignment until the assignment is formally terminated by the Board of Education. Once assigned to a continuing assignment, a unit member may not reduce this assignment in any particular year without the approval of the unit member's supervisor and division head and the concurrence of the, chief human resources officer, Human Resource Services Division.
- E. A regular contract unit member assigned an additional 24 workday continuing assignment in addition to the basic contract year will be paid an annual salary consisting of the basic contract salary and special compensation, if any, plus a prorata of that salary for the 24 additional workdays. The total annual salary will be divided into twelve (12) equal monthly payments (unless the employee requests ten equal monthly payments), each of which is subject to STRS contributions by the unit member and the district.

- F. A regular contract unit member assigned to an additional 44 workday continuing assignment in addition to the basic contract year will be paid an annual salary consisting of the basic contract salary and special compensation, if any, plus a prorata of that salary for the 44 additional workdays. The total annual salary will be divided into twelve (12) equal monthly payments, each of which is subject to STRS contributions by the unit member and the district.
- G. A regular contract unit member assigned to a year-round school program will be paid the basic contract annual salary plus special compensation, if any. The total annual salary will be divided into twelve (12) equal monthly payments, each of which is subject to STRS contributions by the unit member and the district.
- H. A unit member who transfers to a job classification paid under this Salary Schedule may use any previously earned but unused vacation after the effective date of transfer at times mutually agreeable to the supervisor and unit member, or will receive lump sum compensation.
- I. Unit members currently employed shall be entitled to work the authorized number of duty days in the designated fiscal year and to be paid their annual contract salary (see Article 8, Section 8.1). Whenever a unit member is transferred or reassigned from one school year calendar to another (i.e., from traditional to single-track or vice versa), neither the required duty days nor annual salary can be reduced without his/her concurrence. When such transfers or reassignments occur, the unit member will execute an assignment change agreement which either defines how lost time (if applicable) will be made up by the end of the fiscal year or which waives potential earnings, as determined by the unit member. Days will normally be made up through substitute teaching, intersession teaching, and/or other projects mutually agreed upon between the unit member and the site administrator. All makeup days must occur within the same fiscal year.
- J. If a transfer or reassignment between school calendars results in the unit member working an additional number of days beyond the authorized number of duty days, such days shall be paid at the unit member's prorata daily rate.

7.04 Supervision Session Service

Supervision sessions are those assignments after the unit member's required on-site duty hours and for which compensation is earned for supervising students at school-sponsored dances, interscholastic athletic events, or drama, music, and speech activities. Sessions are of two types:

Late Afternoon Sessions -- Session rate for events which occur after the end of the unit members' required on-site duty hours and begin prior to 6 p.m. as follows:

\$34.39 *

Evening Sessions -- Session rate for events which begin at or after 6 p.m. or when school is not in session as follows:

\$68.78 *

7.05 Extended Workday Service

Unit members with less than full-time contracts who accept an assignment that extends the workday beyond that provided for in the part-time contract will be compensated on an hourly prorata basis. The extended service assignment will normally be of short duration and involve providing service in the place of an absent unit member or due to an unforeseen or emergency situation. This prorata compensation is

provided if the assignment is a continuation of the teacher's regular part-time contract assignment and the duties and responsibilities are essentially identical with those in effect during the regular part-time contract day. The basis for prorata compensation will be the unit member's regular class and step placement on the current salary schedule divided by the specified annual workdays in Section 6.01 above. The resulting daily pay rate will be divided by eight to determine the appropriate hourly pay rate.

8.00 SPECIAL COMPENSATION

Certain positions related to the schedule of salaries for regular teachers will receive annual compensation paid on a monthly prorated basis in addition to the regular salary. Except in designated schools or programs, the total "over schedule" payments allowed any individual for the school year shall not exceed \$400. Rates listed below apply to unit members in 10-month traditional and year-round assignments. Unit members in extended work year assignments being paid on the basis of a daily prorata for additional days will also be paid prorata special compensation.

8.01 PUPIL PERSONNEL PROGRAMS

\$200 Career Development Counselors; Counselors assigned two or more hours per day; District Counselors; Psychometrists; Resource Nurses; Vocational Rehabilitation Counselors.

\$3,130 Head Counselor, Class I

The value of the stipend for Head Counselor, Class I is established as 4.19% of the annual salary amount designated for salary class Grade 12, Step 13 of the Certificated Base Salary Schedule (rounded to the nearest \$10).

The value of the stipend for Head Counselor, Class II. is established as 5.56% of the annual salary amount designated for salary class Grade 12, Step 13 of the Certificated Base Salary Schedule (rounded to the nearest \$10).

8.02 EXCEPTIONAL CHILD PROGRAMS

\$ 100 Special education teachers (regular day classes and itinerant) of pupils with exceptional needs: Learning Handicapped, Physically Handicapped, Communicatively Handicapped, Severely Handicapped, and Vocational Special Needs Instructors.

8.03 SPECIFIED PROGRAMS

8.04 COMMUNITY CLASSROOM/COOPERATIVE VOCATIONAL EDUCATION

The Regional Occupation Program (ROP) shall offer the following compensation for teachers whose students are placed in community classroom (CC) or cooperative vocational education (CVE):

8.041 ROP unit members who place 100% of the students in CC/CVE shall not be required to perform supervision/coordination duties outside of their normally scheduled on-site workweek.

8.042 ROP unit members who have not placed 100% of the students in CC/CVE and who must conduct CC/CVE supervision/coordination duties outside of their regularly contracted on-site workday shall be compensated one hour for each state-required supervision visit (one visit every three weeks for CC and one visit every four weeks for CVE) per student.

8.043 ROP unit members shall be compensated for the additional hourly classroom assignment rate (Section 7.013 salary schedule)

2.00 INITIAL COLUMN PLACEMENT AND COLUMN ADVANCEMENT

For salary placement and advancement purposes, degrees and units must be earned academic degrees and creditable lower division, upper division or graduate units from regularly accredited community colleges or other accredited institutions of higher education.

Eligible unit members will advance to a higher column effective on the first date of contract service in a school year provided that the minimum number of qualifying units or the advanced degree is posted on an official transcript as having been completed by September 30 of the current school year and a copy of said transcript is filed with the district on or before November 15. If the transcript is filed after November 15, the unit member will advance to the higher column effective the first of the month following receipt of the transcript.

Eligible unit members will advance to a higher column effective on the first day of February provided that the minimum number of qualifying units or the advanced degree is posted on an official transcript as having been completed by January 31 of the current school year and a copy of said transcript is filed with the district on or before March 15. If the transcript is filed after March 15, the unit member will advance to the higher column effective the first of the month following receipt of the transcript.

An academic degree and units from a foreign college or university will be credited if the registrar of a regularly accredited institution of higher education certifies that the degree or unit in question is equivalent to an earned academic degree or unit granted by the accredited institution.

Accredited institution of higher education means an institution of higher education in the United States, fully accredited by a United States regional accrediting association which awards accreditation to institutions of higher education for training in specified professions.

One semester unit will be allowed for each fifteen (15) hours of attendance at District sponsored programs that have been approved for credit by the District. Participation in District sponsored trainings, professional development and workshops must be verified. When unit members have the option of receiving compensation for attendance at professional development or in-services that occur after the required on-site duty day, attending members may choose to receive hours/units toward salary schedule advancement in lieu of compensation.

3.00 INITIAL STEP PLACEMENT

Column placement will be determined in accordance with Section 2.00 of these salary rules.

3.01 NON-DISTRICT TEACHING AND/OR CERTIFICATED EXPERIENCE

Teaching and/or certificated experience outside the district is creditable provided it was continuous and in a public school system or recognized private school. Teaching and/or certificated experience which was less than one-half time or less than one month in duration is not creditable. The basis for determining full-time or one-half time status is the full-time or one-half time standards for similar job classifications in this district. Substitute teaching outside the district is creditable only if it was full-time, continuous, and at least one month in duration in a single assignment. Hourly, summer school, and intersession teaching outside the district is not creditable.

3.02 DISTRICT TEACHING OR CERTIFICATED EXPERIENCE

District teaching or certificated experience prior to employment by contract and completed by June 30 of the prior fiscal year is creditable except summer school and intersession teaching. Twenty full days of substitute teaching is equivalent to one month of service; ninety hours of hourly district teaching experience is equivalent to one month of service. Substitute teaching days worked during the first fiscal year of contract service are not creditable for initial step placement but shall be applied toward credit for salary advancement in the following fiscal year. A maximum of 10 months of district experience will be credited within any 12 month period. Unit members who have creditable service with the district and are reemployed will receive full credit for creditable experience outside the district up to the maximum allowable. This will be in addition to credit received for creditable prior service with the district.

3.03 TOTAL EXPERIENCE CREDIT

Experience credit is allowed only in original placement on the salary schedule. All creditable experience must be verified by official documents or statements from employers or other disinterested persons before advanced step placement will be made. A maximum of ten months of experience will be credited within any 12 month period. In evaluating experience credit, partial years will be added together and the total will determine the step placement. Break points for determining step placement are:

Step	Months of Experience	Step	Months of Experience
1	0 - 7.3	13	117.4 - 127.3
2	7.4 - 17.3	14	127.4 - 137.3

12	107.4 - 117.3		

4.00 UNDERPAYMENTS OR OVERPAYMENTS

Each employee is encouraged to review the annual salary placement and to examine all pay warrants carefully. If an incorrect salary placement has been made or an individual pay warrant is in error, this information must be brought to the attention of the district immediately. Overpayments and underpayments are not subject to the accumulation of earned interest. If an incorrect salary placement or warrant results in an underpayment, the district will issue a supplementary warrant for the total amount due as soon as possible. If the incorrect placement or warrant results in an overpayment, the district is required to recover the total amount overpaid. The recovery schedule will include consideration to both the district and the unit member.

5.00 RULES AND REGULATIONS FOR THE ADMINISTRATION OF THE EARLY CHILDHOOD EDUCATION PROGRAM SALARY SCHEDULE

5.01 Pay Determination for a Partial Year of Service -- When a unit member works less than a full school year the annual salary must be reduced in accordance with existing law. The annual salary for a partial work year will bear the same ratio to the regular annual salary as the actual days worked bear to the total number of days in the board-adopted calendar for the unit member's assignment (e.g., 10-, 11-, and 12-month work year).

- 5.02 Step Advancement -- Step advancements are effective on the beginning date of contract service in the school year immediately following the school year in which the qualifying service was rendered. A unit member who is in contract paid status for 75% or more of the number of days in the base certificated work year, regardless of the percentage assignment, will advance one step for each year of creditable service until the maximum step is reached.

Summer school and intersession service and any other service rendered outside the regular board-adopted calendar for the unit member's assignment year will not count for step advancement. Days absent due to the unit member's job-related illness or injury for which workers' compensation insurance benefits are awarded are considered days in paid status.

Part time unit members who work less than 138 days in one (1) school year, but work a total of 138 or more days in two (2) consecutive school years can accumulate days worked from both years in order to qualify for step advancement. Days worked in the final year of accumulation cannot be combined with days worked in future years for step advancement.

- 5.03 A unit member reassigned from a regular teaching position assigned to the Early Childhood Education Program to one of the following positions will receive a lead teacher stipend beginning on the effective date of the assignment.

- Child Development Center Lead Teacher
- Child Development Center Resource Teacher
- Extended Day Magnet Program Lead Teacher
- State Preschool Resource Teacher

The value of the lead teacher stipend shall be six and one-half (6.5%) percent of the salary amount designated for salary class 012-15 of the Early Childhood Education Program Salary Schedule.

A unit member reassigned to Super Lead Teacher will receive a Super Lead Teacher stipend on the effective date of the reassignment. A Super Lead Teacher is a unit member assigned to a center under the supervision of a Child Development Center Administrator or other manager having responsibility for two (2) or more sites and who maintains his/her primary office at another site.

The value of the Super Lead Teacher stipend shall be 11% of the salary amount designated for salary class 012-15 of the Early Childhood Education Program Salary Schedule.

- 5.04 Change in Salary During a School Year – When the District reduces the work year for Regular Early Childhood Education Program contract teachers assigned to a 12-month or 11-month work-year, unit members may be reassigned. Unit members shall receive a three (3) month notice prior to a reduction in their current work-year assignment. Reduction to a unit member's work year shall first be achieved by seeking volunteers and if no unit member volunteers, then by utilizing the District-wide seniority list when reassigning a unit member to a basic 11-month or 10-month assignment for any of the following reasons: loss or reduction of funding or enrollment, budget priority decisions, program or district reorganization, conclusion of a rotational assignment, or other decisions involving educational objectives, all of which reasons will be as determined solely by the Board of Education. The Association will have the right to consult with the district regarding such decisions insofar as these decisions affect educational objectives. When an employee serves less than a full assignment year in one assignment category (10, 11, or 12-month) the annual salary will be computed on the basis of actual work days served in the board- adopted calendar for the employee's assignment category. Unit members impacted by an assignment reduction from a 12-month or 11-month assignment to an 11-month or 10-month assignment, respectively, shall be entitled to reassignment, utilizing District-wide seniority, up to two (2) years for future work-year assignments similar to the work-year from which they were reassigned.

5.05 The amounts shown on the salary schedule are monthly salaries. Pay days normally will be the last day of the month when the central administrative offices of the district are open for business.

6.00 SUBSTITUTES FOR CHILD DEVELOPMENT CENTER ADMINISTRATORS AND LEAD TEACHERS

Such assignments normally will be of short duration and involve teaching in the place of an absent teacher when a substitute cannot be obtained, on days when the pupil count in the center is unusually high due to a minimum day schedule in the elementary schools, or in an emergency. This pro rata compensation is provided if the assignment is a continuation of the teacher's regular part-time contract assignment and the extended teaching service duties and responsibilities are essentially identical with those assigned during the regular part-time contract day. The basis for pro rata compensation will be the Early Childhood Education Programs annual column placement on the then current salary schedule divided by the number of required work days in the assignment year. The resulting daily pay rate will be divided by eight to determine the hourly pay rate.
- 8.03 Temporary Increased Enrollment Hourly Service -- (1) Continuing Early Childhood Education Program teachers with 10-month contracts who accept classroom assignments during periods of temporary increased enrollments (e.g., summer months) will be compensated on an hourly pro rata basis. 1.00 POSITION CLASSES COMPENSATED ON THE SALARY SCHEDULE

These salary rates apply to all contract unit members in the certificated bargaining unit employed in the classifications of School Psychologist and Senior School Psychologist.

2.00 INITIAL COLUMN PLACEMENT AND COLUMN ADVANCEMENT

For salary placement and advancement purposes, degrees and units must be earned academic degrees and creditable upper division or graduate units from regularly accredited institutions of higher education. Qualifying course work posted on an official transcript as semester, quarter, or trimester units and received in the Human Resource Services Division by June 30 of the current school year is creditable for column placement or advancement in the current school year. An academic degree and units from a foreign college or university will be credited if the registrar of a regularly accredited institution of higher education certifies that the degree or unit in question is equivalent to an earned academic degree or unit granted by the accredited institution.

Accredited institution of higher education means an institution of higher education in the United States, fully accredited by a United States regional accrediting association which awards accreditation to institutions of higher education for training in specified professions.

2.01 DEFINITION OF COLUMNS

To be creditable, course work must be completed after the date of the bachelor's degree except as noted in Section 2.025.

Column 011	Master's degree or 36 semester units of creditable upper division or graduate work.
Column 012	Master's degree with a total of 54 semester units of creditable upper division or graduate work, or bachelor's degree with a total of 60 semester units of creditable upper division or graduate work.
Column 013	Master's degree with a total of 72 semester units of upper division or graduate work.
Column 014	Master's degree with a total of 90 semester units of creditable upper division or graduate work, or possession of an earned doctoral degree (Ph.D., Ed.D., or other earned degree of equivalent academic status).

Effective July 1, 2016, the following modifications will be effective to Column 013 and Column 014:

Column 013	Master's degree with 66 semester units of upper division or graduate work, or Bachelor's degree with a total of 72 semester units of upper division or graduate work.
Column 014	Master's degree with 84 semester units of upper division or graduate work, possession of an earned doctoral degree (Ph.D., Ed.D., or other earned degree of equivalent academic status), or Bachelor's degree with a total of 90 semester units of creditable upper division or graduate work.

2.02 COURSE WORK CREDITABLE FOR COLUMN PLACEMENT AND ADVANCEMENT

2.021 UPPER DIVISION AND GRADUATE WORK

Course work is creditable if it is a course taken for credit at an accredited institution, within the major or minor or reasonably related to the unit member's district assignment, or related to a

potential future certificated assignment and posted as semester, quarter, or trimester units on an official transcript in the institution's regular upper division or graduate course number series.

2.022 DISTRICT SPONSORED PROFESSIONAL DEVELOPMENT EDUCATION

Course work taken through a district-sponsored professional development program by a district substitute prior to contract employment or by a unit member is creditable if the course meets the requirements of Section 2.021.

Unit members shall have the option to receive units for attendance at professional development or in-services that occur after the required on-site duty day. One semester unit will be allowed for each fifteen (15) hours of attendance at District sponsored programs that have been approved for credit by the District. Participation in District sponsored trainings, professional development and workshops must be verified. When unit members have the option of receiving compensation for attendance at professional development or in-services that occur after the required on-site duty day, attending members may choose to receive hours/units toward salary schedule advancement in lieu of compensation.

2.023 LOWER DIVISION, EXTENSION, PROFESSIONAL, CONTINUING EDUCATION, AND TRAVEL COURSES

Course work in these categories may be creditable for column advancement or placement if the course is approved for credit by the Human Resource Services Division or by the Certificated Salary Evaluating Committee, and meets the time requirements for submission of documentation in Section 5.00.

Application for course approval may be made by a unit member on an individual basis or by a district manager or sponsoring institution on behalf of specific categories of unit members. The application must describe the value of the course for enhancing professional competence.

2.024 CONTINUING EDUCATION UNITS (CEU) AND PROFESSIONAL DEVELOPMENT UNITS (PDU)

Course work posted in CEUs or PDUs is creditable for salary placement or advancement for unit members in the following classes: Audiologist, Counselor, Library Media Teacher, School Nurse, School Psychologist, and Speech-Language Pathologist if it is determined that:

- A. The course is required to maintain a current license, certificate, or credential necessary for placement or continued employment,
- B. The course is reasonably related to the unit member's current assignment,
- C. Units are posted on an official transcript, certificate, or other document as CEUs or PDUs and received in the Human Resource Services Division by June 30 of the current school year, and
- D. The sponsoring institution meets standards as recognized by national, state, and local professional organizations appropriate to the unit member's assignment.

For purposes of salary advancement CEUs and PDUs will be converted to semester units on the basis of 10 class hours = 2/3 of a semester unit.

- 2.025 COURSE WORK COMPLETED AFTER MEETING BACHELOR'S DEGREE REQUIREMENTS
- Qualifying upper division or graduate course work completed after meeting the Bachelor's degree requirements and prior to granting of the bachelor's degree will be credited in the same manner as course work taken after the bachelor's degree provided that the registrar of the college granting the bachelor's degree certifies that the additional course work was not part of the requirements for granting the bachelor's degree.
- 2.026 ADVANCED DEGREES
- Advanced degrees in the field of education or in a field reasonably related to the unit member's current assignment will be credited for column advancement or placement. Other advanced degrees and the individual courses leading to those advanced degrees will be credited only in accordance with Section 2.03.
- 2.027 REPEATED COURSE
- Credit may be allowed for a repeated course provided at least five years have elapsed between completion dates of the two courses. Courses are not considered duplicate courses if they are taken at different institutions under different instructors even though the course titles may be similar.
- 2.03 PROFESSIONAL DEGREES AND HIGHLY SPECIALIZED CURRICULA
- Professional degrees and courses other than those in education or arts and sciences may be credited based upon evaluation of transcripts if the courses meet the requirements specified in Section 2.02 and are determined to be reasonably related to the unit member's assignment. Unit members should ensure that degrees and courses qualify for salary advancement credit before enrollment and payment of fees.
- 2.04 SUMMER WORK EXPERIENCE
- A maximum of eight units of salary credit is allowed for summer work experience provided:
- A. The employment is directly related to the unit member's current district assignment, or
 - B. The nature of the work can be expected to provide a substantial increase in the unit member's skill, knowledge, or understanding of the district assignment, and
 - C. The work does not include summer school, intersession, or other teaching service.
- Necessary application forms are available in the Human Resource Services Division and must be filed by June 30 of the calendar year following summer work experience. The number of creditable units will be determined by the Certificated Salary Evaluating Committee.
- 2.05 COLUMN ADVANCEMENT
- 2.051 A. Eligible unit members will advance to a higher column effective on the first date of contract service in a school year provided that the minimum number of qualifying units or the advanced degree is posted on an official transcript as having been completed by September 30 of the current school year and a copy of said transcript is filed with the district on or before November 15. If the transcript is filed after November 15, the unit member will advance to the higher column effective the first of the month following receipt of the transcript.

- B. Eligible unit members will advance to a higher column effective on the first day of February provided that the minimum number of qualifying units or the advanced degree is posted on an official transcript as having been completed by January 31 of the current school year and a copy of said transcript is filed with the district on or before March 15. If the transcript is filed after March 15, the unit member will advance to the higher column effective the first of the month following receipt of the transcript.
- C. For purposes of column advancement the total number of creditable units will be converted to semester units and rounded to the next larger whole number when the fraction is 1/2 or larger (i.e., 35 1/2 semester units will be counted as 36 semester units).

2.052 If the transcript is received after June 30 of the current school year the salary column adjustment will be effective the first day of contract service in the following school year.

2.053 Degrees are earned on the date conferred as posted on the official transcript or on the date the registrar certifies without qualification that all courses and other degree requirements were completed.

3.00 INITIAL STEP PLACEMENT

Newly employed unit members will be placed on the appropriate column as defined in Section 2.00 and on the appropriate step as defined in Sections 3.01-3.04.

3.01 NON-DISTRICT TEACHING AND/OR CERTIFICATED EXPERIENCE

Teaching and/or certificated experience outside the district is creditable provided it was continuous and in a public school system or recognized private school. Teaching and/or certificated experience which was less than one-half time or less than one month in duration is not creditable. The basis for determining full-time or one-half time status is the full-time or one-half time standards for similar job classifications in this district. Substitute teaching outside the district is creditable only if it was full-time, continuous, and at least one month in duration in a single assignment. Hourly, summer school, and intersession teaching outside the district is not creditable.

3.02 DISTRICT TEACHING OR CERTIFICATED EXPERIENCE

District teaching or certificated experience prior to employment by contract and completed the end of the prior school year is creditable except summer school and intersession teaching. Twenty full days of substitute teaching is equivalent to one month of service; ninety hours of hourly district teaching experience is equivalent to one month of service. Substitute teaching days worked during the first fiscal year of contract service are not creditable for initial step placement but shall be applied toward credit for salary advancement in the following fiscal year. A maximum of 10 months of district experience will be credited within any 12 month period. Unit members who have creditable service with the district and are reemployed will receive full credit for creditable experience outside the district up to the maximum allowable. This will be in addition to credit received for creditable prior service with the district.

3.03 NON-TEACHING EXPERIENCE

School Psychologists and Senior School Psychologists: new unit members assigned to one of these job classes will be credited for public or recognized private school experience in these fields in the same manner as that for crediting teaching experience as described in Section 3.01. Management experience outside the district is creditable if the position required a credential.

Unit members assigned to one of the job classes listed in the previous paragraph will receive experience credit for previous full-time or full-time equivalent employment as a licensed or certified professional up to the maximum step of the Salary Schedule. Self-employment experience in a private practice is not creditable. Specific non-school experience for School Psychologists and Senior School Psychologists may be credited as defined below:

3.031 School Psychologists

Employment as a Licensed Psychologist or Licensed Educational Psychologist in settings which include, but are not limited to: community/public health agencies, mental health agencies, rehabilitation/recovery centers, nonpublic agencies, and-hospitals. Settings which are excluded include, but are not limited to: non-clinical and research psychology.

3.04 TOTAL EXPERIENCE CREDIT

Experience credit is allowed only in original placement on the salary schedule. All creditable experience must be verified by official documents or statements from employers or other disinterested persons before advanced step placement will be made. A maximum of ten months of experience will be credited within any 12 month period. In evaluating experience credit, partial years will be added together and the total will determine the step placement. Break points for determining step placement are:

Step	Months of Experience	Step	Months of Experience
1	0 – 97.3	8	157.4 – 167.3
2	97.4 – 107.3	9	167.4 – 177.3
3	107.4 – 117.3	10	177.4 – 187.3
4	117.4 – 127.3	11	187.4 – 197.3
5	127.4 – 137.3	12	197.4 – 207.3
6	137.4 – 147.3	13	207.4 – 217.3
7	147.4 – 157.3	14	217.4 or more

4.00 RULES AND REGULATIONS FOR THE ADMINISTRATION OF THE SALARY SCHEDULE

4.01 PAY DETERMINATION FOR A PARTIAL YEAR OF SERVICE -- When a unit member works less than a full work year (July 1 – June 30) the annual salary must be reduced in accordance with existing law. The annual salary for a partial work year will bear the same ratio to the regular annual salary as the actual days worked bear to the total number of days in the board-adopted calendar for the unit member's assignment (e.g. traditional, year-round, multitrack, etc.).

4.02 STEP ADVANCEMENT

4.021 Step advancements are effective on the beginning date of contract service in the school year immediately following the school year in which the qualifying service was rendered. A unit member who is in contract paid status for 75% or more of the number of days in the base certificated work year, regardless of the percentage assignment, will advance one step for each year of creditable district service until the maximum step of the column has been reached. Summer school and intersession service and any other service rendered outside the regular board-adopted calendar will not count for step advancement.

4.022 A unit member who has reached the maximum step of a column and qualifies to advance to a higher column shall receive full experience credit on the new column for prior years of creditable contract service.

4.023 The 75% requirement in section 4.021 above shall apply to any increases or decreases to the base certificated work year which may occur due to state law or Board action.

4.024 Part time unit members who work less than 138 days in one (1) school year, but work a total of 138 or more days in two (2) consecutive years can accumulate days worked from both years in order to qualify for step advancement. Days worked in the final year of accumulation cannot be combined with days worked in future years for step advancement.

4.03 LEAVES OF ABSENCE THAT QUALIFY FOR STEP ADVANCEMENT

4.031 MILITARY, EXCHANGE, AND SABBATICAL

A unit member who is approved for military, exchange, or sabbatical leave will earn the same step advancement credit as if in regular certificated service.

4.032 CONSULTANT

Step advancement credit will be earned during leaves of absence when a certificated unit member serves as a consultant or in any professional capacity with a government agency upon determination by the chief human resources officer, Human Resource Services that the service provides a direct benefit to the district.

4.033 PROFESSIONAL STUDY

A unit member who is approved for professional study leave will earn one step advancement upon completion of a full-time college program (24 upper division or graduate semester units). One semester of college work (12 upper division or graduate semester units) and one semester of district service, half time or more, during the same school year will qualify for one step advancement. Up to two years of step advancement credit will be earned when an Ed.D. or Ph.D. degree is awarded to the unit member on leave.

5.00 CERTIFICATED SALARY EVALUATING COMMITTEE

This committee is comprised of an equal number of unit members and district management employees and is chaired by a representative of the Human Resource Services Division. The purpose of the committee is to evaluate course work that is not creditable under regular salary rules.

Completed applications for course work review must be received in the Human Resource Services Division by June 30 of the current school year to be considered by the committee for column placement or advancement in the current school year.

6.00 PAYMENT OF SALARIES

6.01 METHOD OF PAYMENT

The amounts shown on this salary schedule are annual salaries for 10-month and year-round assignments which require the full number of scheduled workdays in the board-adopted calendar. If a unit member works fewer than the full number of scheduled workdays because of late start, unpaid leave, resignation, etc. earnings will be prorated based on the number of days worked.

For unit members in 10-month assignments paydays normally will be the last day of the month when the central administrative offices of the district are open for business, September through June. For unit members in year-round assignments or elect to be paid twelve equal salary checks, paydays normally will be the last day of the month when the central administrative offices of the district are open for business, July through June.

6.02 OVERPAYMENTS AND UNDERPAYMENTS

Each employee is encouraged to review the annual salary placement and to examine all pay warrants carefully. If an incorrect salary placement has been made or an individual pay warrant is in error, this information must be brought to the attention of the district immediately. Overpayments and underpayments are not subject to the accumulation of earned interest. If an incorrect salary placement or warrant results in an underpayment the district will issue a supplementary warrant for the total amount due as soon as possible. If the incorrect placement or warrant results in an overpayment, the district is required to recover

the total amount overpaid. The recovery schedule will include consideration to both the district and the unit member.

7.00 COMPENSATION FOR NONCONTRACT SERVICE

7.01 Hourly Service

7.011 Nonclassroom Assignment

\$34.39 per hour *

This rate applies to a regular contract unit member who is offered and who agrees to serve in an hourly nonclassroom assignment in addition to the regular contract assignment. Nonclassroom hourly assignments include, but are not limited to: library service, counseling service, materials development, curriculum writing, community relations activities, assistance to school administrators, and all other nonclassroom certificated hourly service except workshop participation. Only unit members specifically approved for compensation will be paid.

7.012 Workshop Participants

\$22.93 per hour *

This rate applies to a regular contract unit member who participates voluntarily in a district-sponsored workshop for which compensation is authorized. This rate will be paid only for workshop participation on other than teaching days and/or outside of hours considered part of the regular contract service (the basic 8-hour day and/or 40-hour week). Only workshop participants specifically approved for compensation will be paid.

7.013 Additional Hourly Classroom Assignment

\$45.38 per hour *

Unit members who are offered and agree to work an additional classroom hourly assignment in addition to the regular contract assignment will be paid on a prorata basis rounded to the nearest quarter hour, either the amount currently paid for certificated hourly classroom assignments as shown above or their current prorata rate, including any special compensation, whichever is greater. Prorata rate is the quotient resulting from dividing the unit member's annual salary rate, including any special compensation, by the number of days in the contract year, divided by 8. (Additional hourly classroom assignments may require a waiver. See Section 24.3.)

7.014 Adult Education Hourly Assignment

\$29.21 per hour*

This rate applies to teachers teaching and counselors counseling in District-sponsored adult education classes on an hourly basis.

7.015 Workshop Presenter

\$50.96 per hour*

This rate applies to certificated staff teaching on an hourly basis in District-sponsored in-service education classes designed primarily for certificated staff members.

7.016 Tutoring Hourly Assignment

\$34.39 per hour*

This rate applies to certificated employees providing intermittent supplemental certificated level tutorial services for designated pupils.

7.02 Extended-Day Service

Extended-day payments are payments made to unit members who are assigned to supervise or direct pupil activities involving hours of service and responsibility beyond the normal range of regular contract assignments.

Extended-day payment units are units of value for each extended-day assignment approved by the Board of Education. The value of each unit is established as 1.4% of the annual salary amount designated for salary class 012-13 of the Salary Schedule. The annual value of one extended day unit is:

\$1,046.75

The types of pupil activities for which extended-day payments are authorized and the number of units assigned to each activity are contained in Procedures No. 7232 and 7233, respectively.

7.03 Extended Work Year Service

7.031 Regular contract unit members on the basic board-adopted calendar who are also assigned to work during the Spring or Winter vacation periods or intersession periods during the time between the last day of contract service in one school year and the first day of contract service in the following year will be compensated prorata of their annual contract rate if the unit member's division head certifies that the duties and responsibilities are a continuation of the unit member's regular contract assignment and are essentially the same as those in effect during the regular work year.

Except for summer school session rates, the daily rate for extended work year service as defined above will be the unit member's regular contract salary including special compensation, if any, divided by the number of workdays in the board-adopted calendar. For assignments of less than eight hours per day, the hourly rate will be the daily rate divided by eight.

For unit members compensated on this Salary Schedule who work in the District's summer school and intersession programs, the weekly and daily rates referenced in Appendix E, Schedules A and B, shall reflect the hourly equivalent rates of this Salary Schedule.

7.032 Mandated or Required Noncontract Service

These are days of service for regular contract unit members in addition to the basic contract service days in the board-adopted calendar and specifically directed by the Board of Education. A mandated day of service is one arising out of a federal or state law, regulation, or court order. A required day of service is one directed by the Board of Education for meeting a district operational need, and will not exceed five days in any school year. All mandated and required service days are paid on a prorata basis.

These additional days shall occur within the first week after the conclusion of the basic contract year or the week prior to the reporting date for unit members to begin a new basic contract year except that if the additional day is mandated or required within the basic contract year, the requirement may be met on a weekend, excluding Winter and Spring vacation periods, provided it does not interrupt a weekend of three or more days.

7.033 Temporary and Continuing Assignments

Section 7.033 applies only to extended work year service as contained in this section and does not apply to nonclassroom assignments (Section 7.011), workshop participants (Section 7.012), extended-day service (Section 7.02), or rates contained in other sections of this contract.

- A. All regular contract unit members will be assigned to a basic board-adopted contract year assignment and paid on the basis of prorata pay for days worked in addition to the basic contract calendar when the work consists of the same set of responsibilities as were performed in the basic contract year. Unit members assigned to a site or program on a traditional schedule with a work year less than two hundred and eight (208) days (or two hundred and three [203] days during a furlough year) will be paid their annual salary in ten (10) equal monthly payments unless the unit member voluntarily elects to accept twelfthly checks subject to terms mutually accepted by the Association and the District. Except as otherwise provided by law and contract provisions, annual salary will be reduced on a prorata basis for unit members assigned to the basic contract year but who work less than the required number of days in the adopted calendar (July 1 – June 30).
- B. A regular contract unit member assigned additional days of work beyond the basic contract year shall be categorized in one of two types of assignments -- temporary or continuing.
 - 1. A temporary assignment is one existing for a limited and time-certain period of time as determined by the division or department concerned.
 - 2. A continuing assignment is one which is reasonably expected to continue as long as the job performance meets district standards but is subject to a reduction in or limitation of such additional days for any of the following reasons as determined by the Board of Education: loss or reduction of funding or enrollment, budget priority decisions, program or district reorganization, conclusion of a rotational assignment, or other decisions involving educational objectives, all of which reasons shall be as determined solely by the Board of Education. The Association shall have the right, upon request, to consult with the district regarding such decisions insofar as these decisions affect educational objectives.
- C. A regular contract unit member temporarily assigned to workdays in addition to the basic contract year and who performs the same set of responsibilities as were performed in the basic contract year in accordance with Section 7.031 will be paid for the extended work year service on a prorata daily or hourly basis, as appropriate, as described in Section 7.031. Salaries for such additional days worked in a temporary assignment in addition to the regular basic contract year are not subject to State Teachers' Retirement System (STRS) contributions by the unit member and the district.
- D. A regular contract unit member serving in a continuing assignment of additional days beyond the basic contract year shall be deemed to be continuing in this assignment until the assignment is formally terminated by the Board of Education. Once assigned to a continuing assignment, a unit member may not reduce this assignment in any particular year without the approval of the unit member's supervisor and division head and the concurrence of the, chief human resources officer, Human Resource Services Division.
- E. School Psychologists' and Senior School Psychologists' basic contract work year will be 191 days as provided for in Section 8.1.1. of this Agreement. The annual salary will be subject to STRS contributions by the unit member and the District.

- F. A regular contract unit member assigned an additional 24 workday continuing assignment in addition to the basic contract year will be paid an annual salary consisting of the basic contract salary and special compensation, if any, plus a prorata of that salary for the 24 additional workdays. The total annual salary will be divided into twelve (12) equal monthly payments (unless the employee requests ten equal monthly payments), each of which is subject to STRS contributions by the unit member and the district.
- G. A regular contract unit member assigned to an additional 44 workday continuing assignment in addition to the basic contract year will be paid an annual salary consisting of the basic contract salary and special compensation, if any, plus a prorata of that salary for the 44 additional workdays. The total annual salary will be divided into twelve (12) equal monthly payments, each of which is subject to STRS contributions by the unit member and the district.
- H. A regular contract unit member assigned to a year-round school program will be paid the basic contract annual salary plus special compensation, if any. The total annual salary will be divided into twelve (12) equal monthly payments, each of which is subject to STRS contributions by the unit member and the district.
- I. A unit member who transfers to a job classification paid under this Salary Schedule may use any previously earned but unused vacation after the effective date of transfer at times mutually agreeable to the supervisor and unit member, or will receive lump sum compensation.
- J. If a transfer or reassignment between school calendars results in the unit member working an additional number of days beyond the authorized number of duty days, such days shall be paid at the unit member's prorata daily rate.

7.04 Supervision Session Service

Supervision sessions are those assignments after the unit member's required on-site duty hours and for which compensation is earned for supervising students at school-sponsored dances, interscholastic athletic events, or drama, music, and speech activities. Sessions are of two types:

Late Afternoon Sessions -- Session rate for events which occur after the end of the unit members' required on-site duty hours and begin prior to 6 p.m. as follows:

\$34.39 *

Evening Sessions -- Session rate for events which begin at or after 6 p.m. or when school is not in session as follows:

\$68.78 *

7.05 Extended Workday Service

Unit members with less than full-time contracts who accept an assignment that extends the workday beyond that provided for in the part-time contract will be compensated on an hourly prorata basis. The extended service assignment will normally be of short duration and involve providing service in the place of an absent unit member or due to an unforeseen or emergency situation. This prorata compensation is provided if the assignment is a continuation of the teacher's regular part-time contract assignment and the duties and responsibilities are essentially identical with those in effect during the regular part-time contract day. The basis for prorata compensation will be the unit member's regular class and step placement on the current salary schedule divided by the specified annual workdays in Section 7.033, Paragraph E above. The resulting daily pay rate will be divided by eight to determine the appropriate hourly pay rate.

8.00 SPECIAL COMPENSATION

Certain positions related to the schedule of salaries for regular teachers will receive annual compensation paid on a monthly prorated basis in addition to the regular salary. Rates listed below apply to unit members in 191-day traditional and year-round assignments. Unit members in extended work year assignments being paid on the basis of a daily prorata for additional days will also be paid prorata special compensation.

1.00 POSITION CLASSES COMPENSATED ON THE SALARY SCHEDULE

These salary rates apply to all contract unit members in the certificated bargaining unit employed in the classifications of Speech Language Pathologist and Senior Speech-Language Pathologist.

2.00 INITIAL COLUMN PLACEMENT AND COLUMN ADVANCEMENT

For salary placement and advancement purposes, degrees and units must be earned academic degrees and creditable upper division or graduate units from regularly accredited institutions of higher education. Qualifying course work posted on an official transcript as semester, quarter, or trimester units and received in the Human Resource Services Division by June 30 of the current school year is creditable for column placement or advancement in the current school year. An academic degree and units from a foreign college or university will be credited if the registrar of a regularly accredited institution of higher education certifies that the degree or unit in question is equivalent to an earned academic degree or unit granted by the accredited institution.

Accredited institution of higher education means an institution of higher education in the United States, fully accredited by a United States regional accrediting association which awards accreditation to institutions of higher education for training in specified professions.

2.01 DEFINITION OF COLUMNS

To be creditable, course work must be completed after the date of the bachelor's degree except as noted in Section 2.025.

Column 011	Master's degree or 36 semester units of creditable upper division or graduate work.
Column 012	Master's degree with a total of 54 semester units of creditable upper division or graduate work, or bachelor's degree with a total of 60 semester units of creditable upper division or graduate work.
Column 013	Master's degree with a total of 72 semester units of upper division or graduate work.
Column 014	Master's degree with a total of 90 semester units of creditable upper division or graduate work, or possession of an earned doctoral degree (Ph.D., Ed.D. or other earned degree of equivalent academic status).

Effective July 1, 2016, the following modifications will be effective to Column 013 and Column 014:

Column 013	Master's degree with 66 semester units of upper division or graduate work, or Bachelor's degree with a total of 72 semester units of upper division or graduate work.
Column 014	Master's degree with 84 semester units of upper division or graduate work, possession of an earned doctoral degree (Ph.D., Ed.D., or other earned degree of equivalent academic status), or Bachelor's degree with a total of 90 semester units of creditable upper division or graduate work.

2.02 COURSE WORK CREDITABLE FOR COLUMN PLACEMENT AND ADVANCEMENT

2.021 UPPER DIVISION AND GRADUATE WORK

Course work is creditable if it is a course taken for credit at an accredited institution, within the major or minor or reasonably related to the unit member's district assignment, or related to a

potential future certificated assignment and posted as semester, quarter, or trimester units on an official transcript in the institution's regular upper division or graduate course number series.

2.022 DISTRICT SPONSORED PROFESSIONAL DEVELOPMENT EDUCATION

Course work taken through a district-sponsored professional development program by a district substitute prior to contract employment or by a unit member is creditable if the course meets the requirements of Section 2.021.

Unit members shall have the option to receive units for attendance at professional development or in-services that occur after the required on-site duty day. One semester unit will be allowed for each fifteen (15) hours of attendance at District sponsored programs that have been approved for credit by the District. Participation in District sponsored trainings, professional development and workshops must be verified. When unit members have the option of receiving compensation for attendance at professional development or in-services that occur after the required on-site duty day, attending members may choose to receive hours/units toward salary schedule advancement in lieu of compensation.

2.023 LOWER DIVISION, EXTENSION, PROFESSIONAL, CONTINUING EDUCATION, AND TRAVEL COURSES

Course work in these categories may be creditable for column advancement or placement if the course is approved for credit by the Human Resource Services Division or by the Certificated Salary Evaluating Committee, and meets the time requirements for submission of documentation in Section 5.00.

Application for course approval may be made by a unit member on an individual basis or by a district manager or sponsoring institution on behalf of specific categories of unit members. The application must describe the value of the course for enhancing professional competence.

2.024 CONTINUING EDUCATION UNITS (CEU) AND PROFESSIONAL DEVELOPMENT UNITS (PDU)

Course work posted in CEUs or PDUs is creditable for salary placement or advancement for unit members in the following classes: Audiologist, Counselor, Library Media Teacher, School Nurse, School Psychologist, and Speech-Language Pathologist if it is determined that:

- A. The course is required to maintain a current license, certificate, or credential necessary for placement or continued employment,
- B. The course is reasonably related to the unit member's current assignment,
- C. Units are posted on an official transcript, certificate, or other document as CEUs or PDUs and received in the Human Resource Services Division by June 30 of the current school year, and
- D. The sponsoring institution meets standards as recognized by national, state, and local professional organizations appropriate to the unit member's assignment.

For purposes of salary advancement CEUs and PDUs will be converted to semester units on the basis of 10 class hours = 2/3 of a semester unit.

2.025 COURSE WORK COMPLETED AFTER MEETING BACHELOR'S DEGREE REQUIREMENTS

Qualifying upper division or graduate course work completed after meeting the Bachelor's degree requirements and prior to granting of the bachelor's degree will be credited in the same manner as

course work taken after the bachelor's degree provided that the registrar of the college granting the bachelor's degree certifies that the additional course work was not part of the requirements for granting the bachelor's degree.

2.026 ADVANCED DEGREES

Advanced degrees in the field of education or in a field reasonably related to the unit member's current assignment will be credited for column advancement or placement. Other advanced degrees and the individual courses leading to those advanced degrees will be credited only in accordance with Section 2.03.

2.027 REPEATED COURSE

Credit may be allowed for a repeated course provided at least five years have elapsed between completion dates of the two courses. Courses are not considered duplicate courses if they are taken at different institutions under different instructors even though the course titles may be similar.

2.03 PROFESSIONAL DEGREES AND HIGHLY SPECIALIZED CURRICULA

Professional degrees and courses other than those in education or arts and sciences may be credited based upon evaluation of transcripts if the courses meet the requirements specified in Section 2.02 and are determined to be reasonably related to the unit member's assignment. Unit members should ensure that degrees and courses qualify for salary advancement credit before enrollment and payment of fees.

2.04 SUMMER WORK EXPERIENCE

A maximum of eight units of salary credit is allowed for summer work experience provided:

- A. The employment is directly related to the unit member's current district assignment, or
- B. The nature of the work can be expected to provide a substantial increase in the unit member's skill, knowledge, or understanding of the district assignment, and
- C. The work does not include summer school, intersession, or other teaching service.

Necessary application forms are available in the Human Resource Services Division and must be filed by June 30 of the calendar year following summer work experience. The number of creditable units will be determined by the Certificated Salary Evaluating Committee.

2.05 COLUMN ADVANCEMENT

- 2.051 A. Eligible unit members will advance to a higher column effective on the first date of contract service in a school year provided that the minimum number of qualifying units or the advanced degree is posted on an official transcript as having been completed by September 30 of the current school year and a copy of said transcript is filed with the district on or before November 15. If the transcript is filed after November 15, the unit member will advance to the higher column effective the first of the month following receipt of the transcript.
- B. Eligible unit members will advance to a higher column effective on the first day of February provided that the minimum number of qualifying units or the advanced degree is posted on an official transcript as having been completed by January 31 of the current school year and a copy of said transcript is filed with the district on or before March 15. If the transcript is filed after March 15, the unit member will advance to the higher column effective the first of the month following receipt of the transcript.

C. For purposes of column advancement the total number of creditable units will be converted to semester units and rounded to the next larger whole number when the fraction is 1/2 or larger (i.e., 35 1/2 semester units will be counted as 36 semester units).

2.052 If the transcript is received after June 30 of the current school year the salary column adjustment will be effective the first day of contract service in the following school year.

2.053 Degrees are earned on the date conferred as posted on the official transcript or on the date the registrar certifies without qualification that all courses and other degree requirements were completed.

3.00 INITIAL STEP PLACEMENT

Newly employed unit members will be placed on the appropriate column as defined in Section 2.00 and on the appropriate step as defined in Sections 3.01-3.04.

3.01 NON-DISTRICT TEACHING AND/OR CERTIFICATED EXPERIENCE

Teaching and/or certificated experience outside the district is creditable provided it was continuous and in a public school system or recognized private school. Teaching and/or certificated experience which was less than one-half time or less than one month in duration is not creditable. The basis for determining full-time or one-half time status is the full-time or one-half time standards for similar job classifications in this district. Substitute teaching outside the district is creditable only if it was full-time, continuous, and at least one month in duration in a single assignment. Hourly, summer school, and intersession teaching outside the district is not creditable.

3.02 DISTRICT TEACHING OR CERTIFICATED EXPERIENCE

District teaching or certificated experience prior to employment by contract and completed the end of the prior school year is creditable except summer school and intersession teaching. Twenty full days of substitute teaching is equivalent to one month of service; ninety hours of hourly district teaching experience is equivalent to one month of service. Substitute teaching days worked during the first fiscal year of contract service are not creditable for initial step placement but shall be applied toward credit for salary advancement in the following fiscal year. A maximum of 10 months of district experience will be credited within any 12 month period. Unit members who have creditable service with the district and are reemployed will receive full credit for creditable experience outside the district up to the maximum allowable. This will be in addition to credit received for creditable prior service with the district.

3.03 NON-TEACHING EXPERIENCE

Speech-Language Pathologists and Senior Speech-Language Pathologists: new unit members assigned to one of these job classes will be credited for public or recognized private school experience in these fields in the same manner as that for crediting teaching experience as described in Section 3.01. Management experience outside the district is creditable if the position required a credential.

Unit members assigned to one of the job classes listed in the previous paragraph will receive experience credit for previous full-time or full-time equivalent employment as a licensed or certified professional up to the maximum step of the Salary Schedule. Self-employment experience in a private practice is not creditable. Specific non-school experience for Speech-Language Pathologists and Senior Speech-Language Pathologists may be credited as defined below:

3.031 Speech-Language Pathologist and Senior Speech Language Pathologists:

Employment as a Licensed Speech-Language Pathologist in settings which include, but are not limited to: community/public health agencies, mental health agencies, rehabilitation/recovery

centers, nonpublic agencies, and-hospitals. Settings which are excluded include, but are not limited to: non-clinical and research pathology.

3.04 TOTAL EXPERIENCE CREDIT

Experience credit is allowed only in original placement on the salary schedule. All creditable experience must be verified by official documents or statements from employers or other disinterested persons before advanced step placement will be made. A maximum of ten months of experience will be credited within any 12 month period. In evaluating experience credit, partial years will be added together and the total will determine the step placement. Break points for determining step placement are:

Step	Months of Experience	Step	Months of Experience
1	0 – 97.3	8	157.4 – 167.3
2	97.4 – 107.3	9	167.4 – 177.3

7	147.4 – 157.3	14	217.4 or more

4.00 RULES AND REGULATIONS FOR THE ADMINISTRATION OF THE SALARY SCHEDULE

4.01 PAY DETERMINATION FOR A PARTIAL YEAR OF SERVICE -- When a unit member works less than a full work year (July 1 – June 30) the annual salary must be reduced in accordance with existing law. The annual salary for a partial work year will bear the same ratio to the regular annual salary as the actual days worked bear to the total number of days in the board-adopted calendar for the unit member's assignment (e.g. traditional, year-round, multitrack, etc.).

4.02 STEP ADVANCEMENT

4.021 Step advancements are effective on the beginning date of contract service in the school year immediately following the school year in which the qualifying service was rendered. A unit member who is in contract paid status for 75% or more of the number of days in the base certificated work year, regardless of the percentage assignment, will advance one step for each year of creditable district service until the maximum step of the column has been reached. Summer school and intersession service and any other service rendered outside the regular board-adopted calendar will not count for step advancement.

4.022 A unit member who has reached the maximum step of a column and qualifies to advance to a higher column shall receive full experience credit on the new column for prior years of creditable contract service.

4.023 The 75% requirement in section 4.021 above shall apply to any increases or decreases to the base certificated work year which may occur due to state law or Board action.

4.024 Part time unit members who work less than 138 days in one (1) school year, but work a total of 138 or more days in two (2) consecutive school years can accumulate days worked from both years in order to qualify for step advancement. Days worked in the final year of accumulation cannot be combined with days worked in future years for step advancement.

4.03 LEAVES OF ABSENCE THAT QUALIFY FOR STEP ADVANCEMENT

4.031 MILITARY, EXCHANGE, AND SABBATICAL

A unit member who is approved for military, exchange, or sabbatical leave will earn the same step advancement credit as if in regular certificated service.

4.032 CONSULTANT

Step advancement credit will be earned during leaves of absence when a certificated unit member serves as a consultant or in any professional capacity with a government agency upon determination by the chief human resources officer, and Human Resource Services Division that the service provides a direct benefit to the district.

4.033 PROFESSIONAL STUDY

A unit member who is approved for professional study leave will earn one step advancement upon completion of a full-time college program (24 upper division or graduate semester units). One semester of college work (12 upper division or graduate semester units) and one semester of district service, half time or more, during the same school year will qualify for one step advancement. Up to two years of step advancement credit will be earned when an Ed.D. or Ph.D. degree is awarded to the unit member on leave.

5.00 CERTIFICATED SALARY EVALUATING COMMITTEE

This committee is comprised of an equal number of unit members and district management employees and is chaired by a representative of the Human Resource Services Division. The purpose of the committee is to evaluate course work that is not creditable under regular salary rules.

Completed applications for course work review must be received in the Human Resource Services Division by June 30 of the current school year to be considered by the committee for column placement or advancement in the current school year.

6.00 PAYMENT OF SALARIES

6.01 METHOD OF PAYMENT

The amounts shown on this salary schedule are annual salaries for 10-month and year-round assignments which require the full number of scheduled workdays in the board-adopted calendar. If a unit member works fewer than the full number of scheduled workdays because of late start, unpaid leave, resignation, etc. earnings will be prorated based on the number of days worked.

For unit members in 10-month assignments paydays normally will be the last day of the month when the central administrative offices of the district are open for business, September through June. For unit members in year-round assignments or elect to be paid twelve equal salary checks, paydays normally will be the last day of the month when the central administrative offices of the district are open for business, July through June.

6.02 OVERPAYMENTS AND UNDERPAYMENTS

Each employee is encouraged to review the annual salary placement and to examine all pay warrants carefully. If an incorrect salary placement has been made or an individual pay warrant is in error, this information must be brought to the attention of the district immediately. Overpayments and underpayments are not subject to the accumulation of earned interest. If an incorrect salary placement or warrant results in an underpayment the district will issue a supplementary warrant for the total amount due as soon as possible. If the incorrect placement or warrant results in an overpayment, the district is required to recover the total amount overpaid. The recovery schedule will include consideration to both the district and the unit member.

7.00 COMPENSATION FOR NONCONTRACT SERVICE

7.01 Hourly Service

7.011 Nonclassroom Assignment

\$34.39 per hour *

This rate applies to a regular contract unit member who is offered and who agrees to serve in an hourly nonclassroom assignment in addition to the regular contract assignment. Nonclassroom hourly assignments include, but are not limited to: library service, counseling service, materials development, curriculum writing, community relations activities, assistance to school administrators, and all other nonclassroom certificated hourly service except workshop participation. Only unit members specifically approved for compensation will be paid.

7.012 Workshop Participants

\$22.93 per hour *

This rate applies to a regular contract unit member who participates voluntarily in a district-sponsored workshop for which compensation is authorized. This rate will be paid only for workshop participation on other than teaching days and/or outside of hours considered part of the regular contract service (the basic 8-hour day and/or 40-hour week). Only workshop participants specifically approved for compensation will be paid.

7.013 Additional Hourly Classroom Assignment

\$45.38 per hour *

Unit members who are offered and agree to work an additional classroom hourly assignment in addition to the regular contract assignment will be paid on a prorata basis rounded to the nearest quarter hour, either the amount currently paid for certificated hourly classroom assignments as shown above or their current prorata rate, including any special compensation, whichever is greater. Prorata rate is the quotient resulting from dividing the unit member's annual salary rate, including any special compensation, by the number of days in the contract year, divided by 8. (Additional hourly classroom assignments may require a waiver. See Section 24.3.)

7.014 Adult Education Hourly Assignment

\$29.21 per hour*

This rate applies to teachers teaching and counselors counseling in District-sponsored adult education classes on an hourly basis.

7.016 Tutoring Hourly Assignment

\$34.39 per hour

This rate applies to certificated employees providing intermittent supplemental certificated level tutorial services for designated pupils.

7.02 Extended-Day Service

Extended-day payments are payments made to unit members who are assigned to supervise or direct pupil activities involving hours of service and responsibility beyond the normal range of regular contract assignments.

Extended-day payment units are units of value for each extended-day assignment approved by the Board of Education. The value of each unit is established as 1.4% of the annual salary amount designated for salary class 012-13 of the Salary Schedule. The annual value of one extended day unit is:

\$1,046.75

The types of pupil activities for which extended-day payments are authorized and the number of units assigned to each activity are contained in Procedures No. 7232 and 7233, respectively.

7.03 Extended Work Year Service

7.031 Regular contract unit members on the basic board-adopted calendar who are also assigned to work during the Spring or Winter vacation periods or intersession periods during the time between the last day of contract service in one school year and the first day of contract service in the following year will be compensated prorata of their annual contract rate if the unit member's division head certifies that the duties and responsibilities are a continuation of the unit member's regular contract assignment and are essentially the same as those in effect during the regular work year.

Except for summer school session rates, the daily rate for extended work year service as defined above will be the unit member's regular contract salary including special compensation, if any, divided by the number of workdays in the board-adopted calendar. For assignments of less than eight hours per day, the hourly rate will be the daily rate divided by eight.

For unit members compensated on this Salary Schedule who work in the District's summer school and intersession programs, the weekly and daily rates referenced in Appendix E, Schedules A and B, shall reflect the hourly equivalent rates of this Salary Schedule.

7.032 Mandated or Required Noncontract Service

These are days of service for regular contract unit members in addition to the basic contract service days in the board-adopted calendar and specifically directed by the Board of Education. A mandated day of service is one arising out of a federal or state law, regulation, or court order. A required day of service is one directed by the Board of Education for meeting a district operational need, and will not exceed five days in any school year. All mandated and required service days are paid on a prorata basis.

These additional days shall occur within the first week after the conclusion of the basic contract year or the week prior to the reporting date for unit members to begin a new basic contract year except that if the additional day is mandated or required within the basic contract year, the requirement may be met on a weekend, excluding Winter and Spring vacation periods, provided it does not interrupt a weekend of three or more days.

7.033 Temporary and Continuing Assignments

Section 7.033 applies only to extended work year service as contained in this section and does not apply to nonclassroom assignments (Section 7.011), workshop participants (Section 7.012), extended-day service (Section 7.02), or rates contained in other sections of this contract.

- A. All regular contract unit members will be assigned to a basic board-adopted contract year assignment and paid on the basis of prorata pay for days worked in addition to the basic contract calendar when the work consists of the same set of responsibilities as were performed in the basic contract year. Unit members assigned to a site or program on a traditional schedule with a work year less than two hundred and eight (208) days (or two hundred and three [203] days during a furlough year) will be paid their annual salary in ten (10) equal monthly payments unless the unit member voluntarily elects to accept twelfthly checks subject to terms mutually accepted by the Association and the District. Except as otherwise provided by law and contract provisions, annual salary will be reduced on a prorata basis for unit members assigned to the basic contract year but who work less than the required number of days in the adopted calendar (July 1 – June 30).
- B. A regular contract unit member assigned additional days of work beyond the basic contract year shall be categorized in one of two types of assignments -- temporary or continuing.
 - 1. A temporary assignment is one existing for a limited and time-certain period of time as determined by the division or department concerned.
 - 2. A continuing assignment is one which is reasonably expected to continue as long as the job performance meets district standards but is subject to a reduction in or limitation of such additional days for any of the following reasons as determined by the Board of Education: loss or reduction of funding or enrollment, budget priority decisions, program or district reorganization, conclusion of a rotational assignment, or other decisions involving educational objectives, all of which reasons shall be as determined solely by the Board of Education. The Association shall have the right, upon request, to consult with the district regarding such decisions insofar as these decisions affect educational objectives.
- C. A regular contract unit member temporarily assigned to workdays in addition to the basic contract year and who performs the same set of responsibilities as were performed in the basic contract year in accordance with Section 7.031 will be paid for the extended work year service on a prorata daily or hourly basis, as appropriate, as described in Section 7.031. Salaries for such additional days worked in a temporary assignment in addition to the regular basic contract year are not subject to State Teachers' Retirement System (STRS) contributions by the unit member and the district.
- D. A regular contract unit member serving in a continuing assignment of additional days beyond the basic contract year shall be deemed to be continuing in this assignment until the assignment is formally terminated by the Board of Education. Once assigned to a continuing assignment, a unit member may not reduce this assignment in any particular year without the approval of the unit member's supervisor and division head and the concurrence of the, chief human resources officer, Human Resource Services Division.
- E. Speech-Language Pathologist's and Senior Speech-Language Pathologist's basic contract work year will be 184 days as provided for in Section 8.1.1. of this Agreement. The annual salary will be subject to STRS contributions by the unit member and the District.
- F. A regular contract unit member assigned an additional 24 workday continuing assignment in addition to the basic contract year will be paid an annual salary consisting of the basic contract salary and special compensation, if any, plus a prorata of that salary for the 24 additional workdays. The total annual salary will be divided into twelve (12) equal monthly

payments (unless the employee requests ten equal monthly payments), each of which is subject to STRS contributions by the unit member and the district.

- G. A regular contract unit member assigned to an additional 44 workday continuing assignment in addition to the basic contract year will be paid an annual salary consisting of the basic contract salary and special compensation, if any, plus a prorata of that salary for the 44 additional workdays. The total annual salary will be divided into twelve (12) equal monthly payments, each of which is subject to STRS contributions by the unit member and the district.
- H. A regular contract unit member assigned to a year-round school program will be paid the basic contract annual salary plus special compensation, if any. The total annual salary will be divided into twelve (12) equal monthly payments, each of which is subject to STRS contributions by the unit member and the district.
- I. A unit member who transfers to a job classification paid under this Salary Schedule may use any previously earned but unused vacation after the effective date of transfer at times mutually agreeable to the supervisor and unit member, or will receive lump sum compensation.
- J. If a transfer or reassignment between school calendars results in the unit member working an additional number of days beyond the authorized number of duty days, such days shall be paid at the unit member's prorata daily rate.

7.04 Supervision Session Service

Supervision sessions are those assignments after the unit member's required on-site duty hours and for which compensation is earned for supervising students at school-sponsored dances, interscholastic athletic events, or drama, music, and speech activities. Sessions are of two types:

Late Afternoon Sessions -- Session rate for events which occur after the end of the unit members' required on-site duty hours and begin prior to 6 p.m. as follows:

\$34.39 *

Evening Sessions -- Session rate for events which begin at or after 6 p.m. or when school is not in session as follows:

\$68.78 *

7.06 Extended Workday Service

Unit members with less than full-time contracts who accept an assignment that extends the workday beyond that provided for in the part-time contract will be compensated on an hourly prorata basis. The extended service assignment will normally be of short duration and involve providing service in the place of an absent unit member or due to an unforeseen or emergency situation. This prorata compensation is provided if the assignment is a continuation of the teacher's regular part-time contract assignment and the duties and responsibilities are essentially identical with those in effect during the regular part-time contract day. The basis for prorata compensation will be the unit member's regular class and step placement on the current salary schedule divided by the specified annual workdays in Section 7.033, Paragraph E above. The resulting daily pay rate will be divided by eight to determine the appropriate hourly pay rate.

8.00 SPECIAL COMPENSATION

Certain positions related to the schedule of salaries for regular teachers will receive annual compensation paid on a monthly prorated basis in addition to the regular salary. Rates listed below apply to unit members in 10-month

traditional and year-round assignments. Unit members in extended work year assignments being paid on the basis of a daily prorata for additional days will also be paid prorata special compensation.

8.01 PUPIL PERSONNEL PROGRAMS

Settlement of SDEA Grievance Related to Videotaping Filed 11/27/00 Clarification of the Electronic Recording of Meetings/Professional Growth Activities

The District and the Association recognize the value of using videotapes to improve one's own performance. We hold the mutual interest of having principals who are skilled instructional leaders. To that end, we are sending this joint memorandum to clarify issues that have arisen around the videotaping that principals have been asked to do for their personal growth and development.

PURPOSE AND INTENT OF ELECTRONIC RECORDING

Principals are being asked to videotape their own performance as instructional leaders as a means of developing their own leadership skills. The videotaping is a tool to be used for the purpose of professional growth and development. Other principals, the Instructional Leaders, and other members of the Institute may see these videotapes in the process of assisting with the development of the principals' skills as leaders.

WHAT WILL NOT BE ELECTRONICALLY RECORDED

1. Decision-making meetings will not be videotaped.
2. Site Governance Team meetings will not be videotaped.
3. The required staff discussion of the proposed Blueprint, Year 2 Strategies will not be videotaped.

RULES OF THE ROAD

1. The electronically recorded tapes will not be used for the purpose of evaluating teachers' performance.
2. The electronically recorded tapes will not be used in any way as a disciplinary device.
3. Teachers who do not wish to be electronically recorded should inform the principal prior to or at the beginning of the meeting.
4. Principals will be directed to provide off camera seating for those not wishing to be videotaped.
5. Teachers will be expected to attend and participate in the meetings/professional growth activities. Individual requests to not be electronically recorded will be honored.
6. There will be no repercussions for individuals who ask not to be videotaped.
7. Teachers who volunteer to demonstrate lessons must also be specifically asked to give their permission to be recorded during the demonstration.
8. Individual teachers have the right to make informed choices about electronic recordings without being coerced, harassed, or embarrassed by Association Representatives or District Administrators or District Agents.

We hope that this memorandum will finally clarify the issues that have developed regarding the videotaping of instructional meetings. Should further questions develop, you may address them through your Instructional Leader to the Institute for Learning or through the AR to the SDEA.

**MEMORANDUM OF UNDERSTANDING BETWEEN
SAN DIEGO EDUCATION ASSOCIATION
AND
SAN DIEGO UNIFIED SCHOOL DISTRICT
RE: PROPOSITION S**

FEBRUARY 26, 2010

In order to minimize disruption to the instructional program, effective June 1, 2009, the District shall provide the following assistance to SDEA bargaining unit members required to pack/unpack their classroom/work space to allow for necessary Proposition S projects:

1. All SDEA bargaining unit members shall be provided up to eight (8) hours of custodial time, upon request, to be used at their discretion to pack/unpack their classroom/work space when necessary to accomplish a Proposition S project. Custodial time will not be available on Saturdays, Sundays, or holidays. If scheduled custodians do not appear to do the work, and the unit member performs the packing/unpacking as a result, the unit member shall receive non-duty release time with a paid Visiting teacher.
2. Bargaining unit members shall receive a total of up to four (4) full-time release days with a paid visiting teacher each time they are requested to pack/unpack related to a Proposition S project, even if they have also received release time due to the custodian not appearing for scheduled work.
3. If a bargaining unit member elects to pack/unpack on a non-contract day, or after the conclusion of the regular work day, he/she shall be given the choice of up to (4) full-time release days, with a paid Visiting teacher, or up to four (4) days of per diem pay. If the unit member selects up to four (4) full-time release days, the days may be used at the unit member's discretion prior to the end of the school year. These days may be carried over to the ensuing school year if there is insufficient time to use them.
4. This Agreement shall also apply to bargaining unit members who are requested to pack/unpack their classroom/work space materials due to a planned Proposition S project scheduled to occur in their classroom/work space during a break period (i.e., holiday break, weekend, intersession, etc.).

This Agreement shall remain in force through the end of the Proposition S projects and shall supersede the previous Memorandum of Understanding regarding Proposition MM, related to the same topic.

FOR THE UNION:
