The size of this Committee shall be determined by mutual agreement of all Parties.

The purpose of this Committee shall be to develop a multi-year **instructional** master calendar which includes traditional, **and** single-track ~~and multi-track~~ year-round schedules, non-paid holidays and other non-paid days. ~~It shall be the goal of~~ **This** Committee **shall** to present the calendar to the Board of Education for adoption one (1) year prior to its implementation.

Such negotiations shall take place, as necessary, separate and apart from regular contract negotiations through the Contract Administration Committee. Negotiations shall commence sufficiently in advance so that agreement is reached and the new calendar(s) is adopted by the Board of Education at least one (1) year prior to its commencement.

8.2.3. Unit members who, by virtue of their assignment, are required to work an individualized calendar will develop such a calendar, subject to approval by the immediate supervisor to assure that it has the appropriate number of workdays, that it does not conflict with district or site scheduled activities or staffing needs, and that it conforms to appropriate district holidays.

Section 8.3: MINIMUM, SHORTENED AND MODIFIED DAYS

With input from the staff, the instructional schedule for minimum, shortened, and modified days shall be determined at the site by the supervisor after informing staff and providing them with an opportunity to give input.

Section 8.4: STUDENT GRADE REPORTS

- 8.4.1. In secondary schools, no site supervisor shall require unit members to submit grades and reports prior to the first working day following the conclusion of the report period (first, second, and third quarters only unless approved by the appropriate division head).

The dates for semester student grade reports will be as stated in Section 8.4.1.

Section 8.5: WORKDAY AND WORKWEEK

The District and the Association recognize the principle of an eight (8) hour unit member workday, and a forty (40) hour workweek for persons employed on a full-time basis during the regular school year.

- 8.5.1. Full-time classroom teachers shall be required to remain on site for a minimum of six (6) hours and thirty-five (35) minutes a day, exclusive of a duty-free lunch period. - 8.5.2. The Parties recognize that the services performed by non-classroom certificated staff such as Counselors, Library Media Teachers, School Nurses and similar non-classroom positions contribute substantially to the instructional program and may require that services be provided outside of the six (6) hour and thirty-five (35) minute day but within the forty (40) hour week. The Parties also recognize that unit members' morale and collegiality requires that work hours be as equitable as possible. (See Appendix H for part-time certificated assignments.) To this end, the Parties agree that:

8.5.2.1. It is expected that non-classroom unit members remain on site when their assignments, or other scheduled responsibilities connected with their assignments, occur after the six (6) hour and thirty-five (35) minute day. However, it is not expected that such unit members would routinely be required, to remain on site for eight (8) hours each school day or to obtain daily approval to leave site prior to the expiration of an eight (8) hour day.

8.5.2.2. Mutual arrangements between such unit members and their supervisors should be worked out for the year.

Due to the nature of the school camp program, outdoor education unit members' duties may vary in the number of workweek hours, depending upon the activities scheduled; but the average workweek hours shall not exceed forty-one (41) hours per week with pupils. The total workweek hours need not be divided equally across five (5) days. The allocation of work hours shall be arranged by the camp principal with input from the staff. Except in emergencies, outdoor education unit members shall not be required to remain on site during non-working hours.

- b. Participating classroom teachers will meet with the Palomar principal upon arrival on Monday morning to jointly develop the schedule of classroom teacher activities.
- c. The District will fund one (1) visiting teacher day for each unit member participating in the Outdoor Education Program at Palomar. Unit members shall utilize the visiting teacher day established herein during the school year in which the Camp Palomar assignment takes place. In the event that the visiting teacher day is used prior to the scheduled Camp Palomar assignment, and the unit member subsequently does not participate in the assignment, the day shall be deducted from the unit member's accumulated sick leave.

8.5.7.3. Old Town and Balboa Park Programs

While participating in the Old Town and Balboa Park Programs, the teacher and the principal shall mutually establish a flexible work week schedule to prevent the work week from extending beyond forty (40) hours. In the event of an unforeseen emergency which results in an extension of the work week beyond forty (40) hours, the unit member shall be compensated at their prorata rate of pay.

Section 8.5.8 does not prohibit the District from implementing programs, initiatives, or curricular reforms, and an intent of the section is to promote cooperative engagement in reform efforts and activities which will result in the improvement of the quality of the learning experience and the learning outcomes of students and in the quality of the working life of employees (see Section 24.1). However, the impact of any

such District programs, initiatives, or curricular reforms on bargaining unit members' workload, regardless of the existence or success of pre-decision collaboration, is subject to the provisions of Section 8.5.8.

8.5.8.2. Any disagreement between the parties regarding Section 8.5.8 shall be subject to discussion between the parties, for the purpose of making a mutual and good faith effort to resolve the dispute at an early stage. SDEA shall make the District aware of its concerns within twenty (20) workdays of becoming aware of a decision it believes is or will be prohibited by Section 8.5.8. In the event that these discussions do not lead to resolution of the disagreement within twenty (20) workdays of SDEA bringing the issue to the attention of the District, the matter shall be subject to the grievance procedure. In any grievance or arbitration claiming a violation of Section 8.5.8, the District may raise the defense that the impact on workload was *de minimus* and therefore not a violation of Section 8.5.8.

As a recognition of this situation, the District agrees to limit the number of courses to be taught by a secondary classroom teacher to no more than three (3). All core and block classes, are considered one instructional period that lasts from one (1) to (3) hours, therefore, all requiring one preparation. Teachers are to have one week notice to prepare contracts unless it is a personal or family emergency.
