10.6.1.3. Timing. Long-term leaves in Category I shall begin at the beginning of an academic school year and shall end at the conclusion of an academic school year except by mutual agreement of the District and the unit member. Return to paid service shall commence at the beginning of an academic school year unless otherwise mutually agreed by the unit member and the District (see Section 10.9).

10.6.1.4. Request Deadline. A request for a Category I long-term leave must be received by the Human Resource Services Division by March 1 in order for a leave to be effective for the subsequent school year.

10.6.1.5. Annual Notification. Unit members on Category I long-term leaves must notify the Human Resource Services Division on or before March 1 of each year of the leave as to their intention either to extend the leave for another school year (if eligible), to return to paid service at the beginning of the next school year, or to resign from the District.

10.6.1.6. Approval. The Human Resource Services Division will notify applicants for Category I leaves whether their leave is approved or disapproved. For requests received prior to January 1, notification will be made by March 1. For requests received on or after January 1 and up to and including March 1, notification will be made by June 1.

10.6.1.7. Exception to Timelines. Exceptions to these March 1 deadlines may be approved for humane or other cogent reasons that relate to the best interests of the unit member and the District and are mutually agreed.

A health leave may be granted to a permanent unit member for a definite period of time upon submission of a physician's statement of incapacity to perform the duties and responsibilities of a unit member. A health leave may be granted either following exhaustion of paid sick leave (see Section 10.2.8.) or independently of a prior paid sick leave. A health leave may be granted for the balance of an academic school year and may be extended by application upon submission of a physician's statement of incapacity on a year-to-year basis for a total period not exceeding five (5) additional academic school years.
- 10.7.3. Home Responsibility Leave. A home responsibility leave may be granted when there is a demonstrable need for the service of a unit member in caring for a member of his/her immediate family as defined in Section 10.16. If no temporary position is available for which the unit member is qualified, the District will, at the unit member's request, provide the unit member with priority for day-to-day visiting teacher assignments for which the unit member shall be compensated at the visiting teacher daily rate of pay. Military leave or other long-term leave where the return to paid service is governed by law shall be exempted from these requirements.
- 10.9.5. Return to Previous Site or Program. For any Category I, II, or III, long-term leave involving up to one (1) academic school year, a unit member, upon request prior to beginning the leave, may return to the previous site or program placement. This assurance can be given only if the unit member is ready to commence paid service at the beginning of the academic school year of the site or program in which the unit member was previously placed.

Assurance of return to the previous site or program shall not be possible for a leave of absence extending beyond one (1) academic school year. If pupil enrollment at the request school has decreased and a reduction in staff is required, or if a requested program has been modified or eliminated due to a lack of funds, the unit member shall be treated as if he/she were on active duty and shall be subject to the same rules as other unit members in the school or program in determining which unit members will be declared in excess.

In most cases, the District should request that the unit member furnish certification at the time the unit member gives notice of the need for leave or within five business days thereafter, or, in the case of unforeseen leave, within five business days after the leave commences. The District may request certification at some later date if the District later has reason to question the appropriateness of the leave or its duration. The unit member must provide the requested certification to the District within 15 calendar days after the District's request, unless it is not practicable under the particular circumstances to do so despite the unit member's diligent, good faith efforts or if the District provides more than 15 calendar days to return the requested certification.
