Any unit member who is a member of SDEA, or who applies for membership, may sign and deliver to SDEA an assignment authorizing deduction of unified membership and such other mutually agreed payroll deductions as may be offered by SDEA. Such authorization shall continue from year to year, unless revoked by the individual. Pursuant to such authorization, GPA shall deduct one-twentieth (1/20th) of such dues from the pay warrant of the unit member each pay period for ten (10) months from September through June. SDEA shall have the authority and right to decide and defend any such action. It shall have the right to determine whether any such litigation shall or shall not be compromised, defended, resisted, tried or appealed. Prior to the exercise of these rights, SDEA shall be required to inform and consult with GPA.

5.4.5.2.1 The DRC shall consist of one (1) representative employed by GPA and appointed by SDEA and one (1) representative appointed by GPA. SDEA and GPA DRC members shall be appointed to serve a term of one (1) year at the beginning of each school year. At the beginning of each school year, the parties shall also select an alternate DRC member in the event that a grievance involves their primary representative on the committee. A third member of the DRC shall be jointly selected by SDEA and GPA from within the GPA community when a contractual dispute rises to this level.

5.4.5.2.2 Both the complainant or their representative and a GPA representative will be entitled to make a presentation and present evidence relating to the contractual dispute to the DRC in a closed meeting within (10) work days from when the third member of the DRC is selected unless mutually agreed otherwise by the parties. Without mutual agreement, either party may employ and compensate such a reporter or, upon a party's request, the arbitrator shall arrange to have the arbitration hearing audio recorded. All other costs, except for release-time for the complainant(s), Union representative(s), and witnesses, shall be borne by the party incurring them.

Any unit member who is requested to appear in such investigations, meetings, or hearings as a witness will be accorded the same right. Any timelines provided herein may be extended by mutual written agreement of the parties. Absent mutual agreement, a complainant's failure to comply with the timelines provided herein will result in the dismissal of the contractual dispute. ARTICLE 7: EMPLOYMENT STATUS

7.1 Employment Status

Unit members are employed on an at will basis. Accordingly, either GPA or the unit member can terminate the employment relationship at any time subject to the terms of this Agreement.

ARTICLE 8: LAYOFF AND REEMPLOYMENT

8.1 Layoff of Bargaining Unit Members

The decision to lay off unit members is within the discretion of GPA.

8.2 Order of Layoff

8.2.1 The order of layoff shall be determined by a formula used to identify a “layoff priority score” for each bargaining unit member in the credential area to be reduced. This formula shall be applied as follows:

8.2.1.1 Weights

- a. Seniority, defined as beginning from the last effective date of employment in a position within the bargaining unit, shall be attributed a weight equal to fifty percent (50%) of the unit member’s layoff priority score.
- b. Additional credentials, experience, and the average of the last three (3) GPA performance evaluations combined shall be attributed a weight equal to fifty percent (50%) of the unit member’s layoff priority score.

8.2.1.2 Process for Determining a Unit Member’s Layoff Priority Score

Using the above criteria, a list (including each unit member subject to layoff and the score associated with that unit member) will be generated by GPA and provided to SDEA prior to notifying unit members of layoff. Depending upon the number of positions needed to be reduced, as decided by GPA, the lowest scoring unit members will be notified in writing of their layoff. If a unit member requests details regarding their scoring or the unit member believes they have additional information that was not considered in determining the rankings, such unit member may meet with the Superintendent/Director or designee along with a union representative if desired by the unit member, to provide any and all written or oral information to contest the scoring. Requests for this meeting must be made to Human Resources within five (5) workdays after the unit member has received written notification.

8.2.2 Except as set forth in this article, no unit member shall be laid off while any other unit member with a lesser layoff priority score or an intern is retained to

render a service which the unit member is certificated and qualified to render. A unit member is certificated and qualified to render a service if they possess the appropriate credential.

- 8.2.3 In the event that GPA makes an error with respect to the application of these procedures and criteria to an individual unit member, that unit member shall be retained and made whole, if necessary.

8.3 Permissible Deviations from Order of Layoff and Reemployment

8.3.1 Notwithstanding any other provision of this Article, GPA may deviate from the layoff priority score/order of layoff and/or from the order of reemployment for the following reasons:

8.3.1.1 GPA demonstrates a specific need for personnel with a credential allowing more than one subject to be taught, to teach a specific course or course of study, or to provide services authorized by a services credential with a specialization, and that the certificated unit member with a lesser layoff priority score has special training and/or experience necessary to teach that course or course of study or to provide those services, which others with a higher layoff priority score do not possess.

8.3.1.2 As required by GPA's charter or as required by law.

8.4 Notice of Layoff

Unit members to be laid off shall be given at least thirty (30) days' written notice of the layoff. The written notice shall be delivered via email sent to the unit member's GPA email address. A copy shall also be sent via U.S. Priority mail to the last known address the unit member has on file with GPA. The notice shall be deemed effective on the earlier of the first work day following the date the email was sent or on the third (3rd) day after the notice was mailed.

8.5 Reemployment

8.5.1 Unit members who have been laid off shall be placed on the reemployment list in the inverse order in which they were laid off for a period of twelve (12) months. Unit members on the reemployment list shall, upon written request to GPA, be offered employment as a Substitute on Call on the same basis as other Substitutes on Call.

8.5.2 A unit member who is laid off and is subsequently eligible for reemployment shall be notified by email to the unit member's last personal email address on file at GPA. The unit member shall have three (3) calendar days from the date the email is sent to respond to the offer of reemployment. If the notice of offer of reemployment is undeliverable or if the offer is not accepted by the unit member, the unit member's name shall be removed from the reemployment list and the unit member shall be deemed to have resigned from GPA. Upon

acceptance of reemployment, the unit member shall have seven (7) calendar days to report unless GPA agrees to an extension of the reporting date.

- 8.5.3 A unit member reemployed from the reemployment list shall be placed in the status which they held at the time of layoff. Time spent on the reemployment list shall not be counted toward step credit for salary purposes. For all other purposes, time spent on the reemployment list shall be counted in the same manner as an official unpaid leave (including the unit member maintaining their original date of hire).

ARTICLE 9: HOURS

9.1 Contract Duty Days

The unit member contract year shall consist of two-hundred five (205) teaching and non-instructional days. Through this dialogue, options will be discussed to provide alternatives to decreasing the section size or caseload which may include additional instructional support, additional support materials, lower section sizes in other sections, or other supportive measures. 15.3.3.3 In the event the unit member needs a break during instructional time for personal need, unit members may leave for a limited period of time only if the unit member is able to leave their students under the supervision of a credentialed GPA employee. If the unit member is unable to locate a credentialed employee after making every effort possible to locate one, the unit member must notify GPA Leadership and wait until appropriate coverage is arranged.

15.3.3.4 In the event the unit member needs a break during non-instructional time for personal need, the unit member may leave their students under the supervision of another GPA employee.

15.4 GPA Comprehensive School Safety Policies

Nothing in this Article prevents GPA from adopting an annual Comprehensive School Safety Plan that may impose additional requirements on GPA and/or unit members.

ARTICLE 16: ASSIGNABILITY

16.1 Agreement Assignability

This Agreement is assignable. Except as set forth in this Article, GPA agrees that it shall not approve any merger, change of employer, or transfer of charter school employees without a written assignment of this Agreement to any new, subsequent, or successor employer of unit members.

16.2 Bargaining Effects of Assignment

SDEA shall have the right to meet and confer with GPA over the effects of the assignment of this Agreement on the unit members' terms and conditions of employment prior to GPA taking final action on the assignment.

16.3 Dispute Resolution

Should a dispute arise regarding this Article, the parties agree that no later than thirty (30) days following the filing of a grievance, the parties shall submit the dispute to expedited arbitration under the expedited rules of the American Arbitration Association. Pending final resolution of such an expedited arbitration, status quo regarding the terms and conditions of employment under the SDEA/GPA Agreement shall be maintained.

16.4

This Article does not apply where GPA's charter has been revoked or has not been renewed.

ARTICLE 17: LEADERSHIP RIGHTS

17.1 Authority to Direct, Lead and Control

17.1.1 GPA retains all of its powers and authority to direct, lead and control its operations to the fullest extent of the law unless expressly limited or precluded by any provision of this Agreement.

17.1.2 To the extent not limited or precluded by any provisions of the Agreement, GPA has the power, right and authority to adopt policies, rules, regulations and practices in the exercise of its retained rights.

17.2 Emergency Rights

GPA retains its right to take action in cases of emergency and in doing so may temporarily amend, modify or rescind policies and practices referred to in this Agreement in cases of emergency for a period not to exceed forty-five (45) days unless mutually extended by GPA and SDEA. An emergency is defined as an act of God, natural disaster, pandemic or other unforeseen occurrence such as a mid-year reduction or non-payment of state funds that cannot be addressed by exercising any other provision of this Agreement, and that would imperil the continued operation of GPA. If GPA modifies or suspends any portion of this Agreement in response to an emergency, it shall meet with SDEA within ten (10)

work days to bargain the impacts and effects that the declared emergency has on the Agreement. Such negotiations shall include but not be limited to the duration and nature of the modification.

ARTICLE 18: EFFECT OF AGREEMENT

18.1 Duration

This agreement is entered into effective July 1, 2022 and will remain in effect until June 30, 2023.

18.2 Zipper Clause

All matters within the scope of bargaining have been negotiated and agreed upon as set forth in this Agreement. The terms and conditions set forth in this Agreement represent the full and complete understanding and commitment between SDEA and GPA as to any matter which could have been negotiated.

18.3 Changes, Amendments, and Supplements

This agreement shall be subject to change, amendment, or supplement, at any time by mutual consent of the parties. Upon ratification by SDEA and GPA, any such changes, amendments, or supplemental agreements shall be implemented.

18.4 Savings Clause

If any provision of this Agreement shall be asserted to be contrary to law or the GPA Charter, then such provision shall be deemed invalid and unenforceable, but all other provisions shall continue in full force and effect. In the event that any article or section is asserted to be invalid pursuant to this section, SDEA and GPA agree to enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such article or section.
