

THE ADVOCATE

SAN DIEGO EDUCATION ASSOCIATION

This March 2024 SDEA Advocate issue includes the articles below.

Let's Finish What We Started

*"Last year, SDEA members won big improvements to our contract. This happened because of our solidarity. When we stand together, we win. **We are not done winning.** This year's reopener is another opportunity to win major improvements to our contract."*

"Educators strongly oppose the San Diego Unified School District's (SDUSD) plan to lay off teachers. While there is a need for some staffing adjustments, due to declining enrollment, these district layoffs are not the most effective solution. A recent review of the District budget shows millions of dollars in reserves, less than anticipated spending on salaries, and bloated budgets for books and supplies. These sources are more than sufficient to avoid the layoffs currently contemplated by the District."

"Election results are unofficial and will be certified on or before April 4th. However, these are the results for the SDEA endorsed candidates as of election day."
